Statement by Enrolled Actuary

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Report of Independent Auditors

The Plan Administrator  
Munich Reinsurance America, Inc. Pension Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Munich Reinsurance America, Inc. Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes (collectively referred to as the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

## **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matters**

### ***Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 (referred to as the supplemental schedule), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on those financial statements, and (b) the form and content of the information included in those financial statements other than that derived from the certified investment information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **MUNICH REINSURANCE AMERICA, INC.**

### **PENSION PLAN**

Notes to Financial Statements

For the Years Ended December 31, 2021 and 2020

#### **(1) Description of Plan**

The following description of the Munich Reinsurance America, Inc. Pension Plan (the Plan) is provided for general information purposes only. The Plan document should be referred to for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

##### **(a) General**

The Plan is a defined benefit plan which covered all eligible employees of Munich Reinsurance America, Inc. (the Company) and participating affiliated companies who met certain age and service requirements prior to January 1, 2006. The Company is the plan sponsor and plan administrator, as those terms are defined in ERISA. The Plan's assets are administered by the Company and the trustee, Vanguard Fiduciary Trust Company (Vanguard). Benefits to Plan participants are administered by Mercer Retirement Administration.

##### **(b) Plan Freeze**

The Plan was closed to new entrants effective January 1, 2006. The Plan was frozen for all participants effective December 31, 2011, and all participants ceased accruing credited service on that date. Service subsequent to the plan freeze continues to count toward eligibility for early retirement, vesting, the lump sum option and survivor benefits.

##### **(c) Benefits**

Plan participants are entitled to annual pension benefits commencing at normal retirement age (age 65) equal to 1.75% of the participant's average highest consecutive five years of compensation, as defined, multiplied by years (up to 35) of credited service, as defined, at normal retirement date. If early retirement (age 55) is elected, participants with ten or more years of service are entitled to benefits based on service to date of early retirement, reduced 2% per year from age 60 to 62 and 4% per year from age 55 to 60. Participants can retire early with an unreduced benefit when they reach age 62 with ten or more years of service. In the event of the death of a participant with a minimum of five years of service, as defined, and prior to retirement, the surviving spouse is entitled to the benefits as if the participant had selected a 50% joint and survivor option prior to death.

The Plan provides for a variety of actuarial equivalent annuity options at benefit commencement that include Single Life, 100% Joint and Survivor, 75% Joint and Survivor and 50% Joint and Survivor annuities. A Lump Sum payment option is available to certain participants for a portion of their accrued benefit if (a) a participant retires directly from the Company and the benefits are paid as soon as practicable after termination of employment with the Company, (b) if employment began before January 15, 1997 and (c) for benefits accrued through December 31, 2001. A lump sum payment is not available if termination of employment is prior to qualification for normal or early retirement, or if the participant does not elect a distribution within ninety (90) days of the participant's date of termination of employment.

Notes to Financial Statements

For the Years Ended December 31, 2021 and 2020

**(d) Contributions**

Contributions from the Company are actuarially computed using the unit credit cost method and meet the funding requirements as specified by ERISA. Under the Internal Revenue Service (IRS) funding regulation there is no required minimum contribution to the Plan for 2021. Additional contributions may be made to meet IRS funding targets.

**(e) Vesting**

At December 31, 2021, all participants in the Plan were fully vested.

**(f) Administrative Expenses**

Certain administrative expenses incurred in operating the Plan are paid by the Company. Investment management expenses are paid from mutual fund investments and are reflected in net appreciation (depreciation) in fair value investments.

**(2) Subsequent Events**

There were no subsequent events requiring adjustment to the financial statements or disclosure through September 27, 2022, the date that the Plan's financial statements were available to be issued.

**(3) Summary of Significant Accounting Policies**

**(a) Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis in conformity with U.S. generally accepted accounting principles (U.S. GAAP).

**(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, disclosure of contingent assets and liabilities and the actuarial present value of accumulated plan benefits, and changes therein at the date of the financial statements. Actual results could differ from those estimates and assumptions.

**(c) Investments Valuation and Income Recognition**

The Plan's investments are stated at fair value. All shares of registered investment companies (mutual funds) are valued at quoted market prices.

Investment transactions are recorded on a trade-date basis. Dividends are recognized as income on the ex-dividend date. Interest income is recognized on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**(d) Benefits**

Benefits are recognized when paid.

**(4) Fair Value Measurements**

The fair value hierarchy, established by U.S. GAAP, prioritizes valuation technique inputs to measure fair value into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. The Plan categorizes investments recorded at fair value as follows:

*Level 1 – Unadjusted quoted prices accessible in active markets for identical assets or liabilities at the measurement date.* A market is considered active if: (i) pricing information is obtained from exchange traded securities, (ii) the securities are actively traded, and (iii) current pricing is available. The Plan's investments in publicly traded mutual funds are measured using Level 1 valuations.

*Level 2 - Unadjusted quoted prices for similar assets or liabilities in active markets or inputs, other than quoted prices, that are observable or that are derived principally from, or corroborated by, observable market data through correlation or other means.* The Plan holds no investments measured using Level 2 valuations.

*Level 3 – Prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.* The Plan holds no investments measured using Level 3 valuations.

See note 3(c) for further information regarding the Plan's investment valuations. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020, and there were no transfers between levels during the periods then ended.

**(5) Actuarial Present Value of Accumulated Plan Benefits**

Accumulated plan benefits represent those future periodic payments, including lump sum distributions, that are attributable under the Plan's provisions to the service employees have rendered. Accumulated plan benefits include those benefits expected to be paid to: (a) retired or terminated employees or their beneficiaries; (b) spouses of employees who have died; and (c) current employees or their beneficiaries. The accumulated plan benefits for active employees are based on their average highest compensation over five years prior to the freeze date, dependent on the participant's credited service and Plan entry. Amounts payable under circumstances of retirement, termination, and death are included in accumulated plan benefits to the extent they are deemed attributable to employee service rendered and compensation received to the date as of which benefit information is presented.

The actuarial present value of accumulated plan benefits was determined by an actuary from PricewaterhouseCoopers and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

The more significant assumptions underlying the actuarial computation are as follows:

|                 |                                                                                                                                                                                   |
|-----------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Mortality basis | Pri-2012 White Collar Mortality Table with Mortality Improvement Scale MP-2021 (The Pri-2012 White Collar Mortality Table with Mortality Improvement Scale MP-2020 in prior year) |
| Retirement age  | A moderate incidence of early retirement is assumed for ages 61 through 64, with remaining participants assumed to retire at normal retirement age of 65.                         |
| Discount rate   | A discount rate of 2.00%, compounded annually (3.00% in prior year)                                                                                                               |

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The latest actuarial valuation was performed as of December 31, 2020.

**(6) Information Certified by the Trustee**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including cash and investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard (the trustee of the Plan).

## **MUNICH REINSURANCE AMERICA, INC.**

### **PENSION PLAN**

#### Notes to Financial Statements

For the Years Ended December 31, 2021 and 2020

#### **(7) Risks and Uncertainties**

The Plan invests in a variety of investment securities, consisting primarily of mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect that changes in the values of investment securities will occur in the near term and that such changes could materially affect the statements of net assets available for plan benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the Plan's three broad based mutual funds. As of December 31, 2021, the Vanguard Long-Term Bond Index Fund, the Vanguard Long-Term Investment Grade Fund, the Vanguard Intermediate-Term Bond Fund, the Vanguard Intermediate-Term Corporate Bond Fund, and the Vanguard Institutional Total Stock Market Index Fund are comprised of more than 3,000 positions.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

#### **(8) Plan Termination**

While the Company has not expressed any intent to discontinue its contributions, it is free to do so at any time, subject to the provisions set forth in ERISA. In the event such discontinuance results in the termination of the Plan, the Plan provides that the net assets of the Plan shall be allocated among the participants and beneficiaries of the Plan in the order provided by ERISA and its related regulations, as described below:

- (i) Annuity benefits that former employees or their beneficiaries have been receiving for at least three years, or that employees eligible to retire in that three-year period would have been receiving if they had retired with benefits in the normal form of annuity under the Plan. The priority amount is limited to the lowest benefit that was payable (or would have been payable) during those three years. The amount is further limited to the lowest benefit that would be payable under plan provisions in effect at any time during the five years preceding plan termination.
- (ii) Other vested benefits, if any, insured by and within the limit guaranteed by Pension Benefit Guaranty Corporation (PBGC), a U.S. Government agency.
- (iii) All other vested benefits (that is, vested benefits not insured by the PBGC).
- (iv) All nonvested benefits.

Certain benefits under the Plan are insured by the PBGC if the Plan terminates. Generally, the PBGC guarantees most vested normal age retirement benefits, early retirement benefits, and certain disability and

survivor pensions. However, the PBGC does not guarantee all types of benefits under the Plan, and the amount of benefit protection is subject to certain limitations. Vested benefits under the Plan are guaranteed at the level in effect on the date of the Plan's termination. However, there is a statutory ceiling on the amount of an individual's monthly benefit that the PBGC guarantees, which is adjusted periodically. For plan terminations occurring during 2022, the ceiling is \$6,205 per month. That ceiling applies to those pensioners who elect to receive their benefits in the form of a single-life annuity and are at least 65 years old at the time of retirement or plan termination (whichever comes later). For younger annuitants or for those who elect to receive their benefits in some form more valuable than a single-life annuity, the corresponding ceilings are actuarially adjusted downward.

Whether all participants receive their benefits will depend on the sufficiency, at that time, of the Plan's net assets to provide those benefits and may also depend on the level of benefits guaranteed by the PBGC.

#### **(9) Tax Status**

The Plan has received a determination letter from the IRS dated December 12, 2016, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Subsequent to receiving the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualified status. The Company believes the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes the Plan, as amended, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(10) Related Party Transactions (Parties-in-Interest)**

All Plan investments including cash and shares of mutual funds were managed by the trustee during 2021 and 2020. Transactions of these investments qualify as party-in-interest transactions as defined by ERISA.

Terminated vested participants with at least 10 years of service are assumed to commence at age 62. Terminated vested participants with less than 10 years of service are assumed to commence at age 65.

**Spousal Information** 80% of the active participants are assumed to be married, with the female spouse 3 years younger than the male spouse.

**Economic Assumptions**

**Funding Interest Rate** Valuation interest rates are based on the 25-Year average of the three segment rates, with a 5% minimum and 95%-105% corridor for 2021 as specified under HATFA / BBA / ARPA, applicable for January, 2021 (4.75%, 5.36%, 6.11%). This results in an effective interest rate of 5.56%.

**Lump Sums** Lump sums on benefits accrued through December 31, 2001 for participants hired before January 15, 1997 are valued at the valuation interest rate. It is assumed that 50% of the eligible population will elect the lump sum option and 50% will elect the annuity option on these benefits.

**Salary Projection Scale** Not applicable

STATEMENT OF ACTUARIAL ASSUMPTIONS AND METHODS

**Actuarial Cost Method**

The actuarial cost method is the Unit Credit Actuarial Cost Method. Under this cost method, the target liability is defined as the present value of the accrued benefits on the valuation date. The funding shortfall is the excess, if any, of the amount by which the target liability exceeds the actuarial value of plan assets. The normal cost, determined on the valuation date, is the amount required to fund the benefit expected to be earned in the current year.

**Asset Valuation Method**

The actuarial value of assets is equal to the market value of assets, including discounted contributions receivable.

**Statement by Enrolled Actuary**

To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.
