Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Piramal Pharma Solutions, Inc. 401(k) Profit Sharing Plan and Trust

Scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Piramal Pharma Solutions, Inc. 401(k) Profit Sharing Plan and Trust ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor's responsibilities for the audit of the 2021 financial statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor's responsibilities for

the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of the 2021 financial statement for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental schedules Required by ERISA for the year ended December 31, 2021

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, is presented for purposes of additional analysis and not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements for the year ended December 31, 2020, and (b) the form and content of the information included in the financial statements for the year ended December 31, 2020 other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of Piramal Pharma Solutions, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a profit-sharing plan covering substantially all employees of Piramal Pharma Solutions, Inc. (the Company/ Plan Sponsor), other than employees covered by a collective bargaining agreement, nonresident aliens with no income from United States of America and leased employees, who have attained the age of 21 and have completed three months of service measured from the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Change in custodian

Effective October 16, 2020, the Plan was amended and restated to change the custodian from John Hancock Life Insurance Company (John Hancock) to Standard Insurance Company (Standard). These changes were completed by October 26, 2020.

Contributions

The Plan includes a provision under Internal Revenue Code ("IRC") Section 401(k) whereby participants may make pre-tax contributions to the Plan up to 90% of their annual compensation. Annual participant contribution amounts are limited to \$19,500 of salary deferrals for the year ended December 31, 2021, and December 31, 2020, (\$26,000 for participants aged 50 years and over for the year ended December 31, 2021, and December 31, 2020, respectively). Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document. Participant contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$561,547 and \$477,156 respectively.

The Company will make a safe harbor matching contribution to the plan equal to 100% of salary deferrals that do not exceed 5% of compensation received during the year. In order to share in the allocation of matching contributions, participants are required to complete 1,000 hours of service in the applicable Plan year and/or be employed by the Company on the last day of the Plan year. The matching Company contribution is invested in the same manner as the employee contributions. The matching contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$413,478 and \$322,985 respectively.

Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are allocated to employee accounts based on the annual compensation of participants and is invested in the same manner as employee contributions. Contributions are subject to certain limitations.

At the Plan administrator's discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant's account and are subject to the rules for investment established by the Plan administrator. The rollover contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$22,152 and \$32,818, respectively.

Financial Statements

December 31, 2021, and December 31, 2020

Administration

Piramal Pharma Solutions, Inc., serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Company has engaged Creative Retirement Services, Inc., a third-party plan administrator to assist in the administration of the Plan.

Employees of the Plan sponsor serve as the Plan trustees. All amounts contributed to the Plan are held by the Plan trustees in a qualified trust. The trustee is responsible for the safekeeping of the trust funds and must fulfill all trustee duties in a prudent manner and in the best interest of the beneficiaries. The trust established on behalf of the Plan will be the funding medium used for the accumulation of assets from which Plan benefits will be distributed.

Standard served as the custodian of the Plan, pursuant to Plan agreement for the year ended December 31, 2021, and from October 16, 2020, till December 31, 2020. John Hancock served as the custodian of the Plan pursuant to the Plan agreement from January 01, 2020, till October 26, 2020. The custodians received all contributions made under the Plan, held plan assets, and paid benefits to participants as directed by the Plan Sponsor.

Plan expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	7,010	24,502
Total	7,010	24,502

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Also, participant vesting with respect to contribution made by the Plan Sponsor to their 401(k)-account balance are 100% vested.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term generally cannot exceed five years. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. Participants may have only one loan outstanding at any one time.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability

or death, the participant or beneficiary may receive the value of the account through a lump sum distribution or under a systematic withdrawal plan over a period not to exceed the joint life expectancy of the participant or the participant's beneficiary.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Forfeitures may be used to pay Plan administrative expenses; to restore forfeitures or reduce future employer contributions. As of December 31, 2021, and December 31, 2020, non-vested forfeited accounts totaled \$Nil and \$Nil, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$Nil during the year 2021 and \$ Nil during the year 2020. No forfeitures were applied during the years ended December 31, 2021, and December 31, 2020.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value, except for fully benefit-responsive investment contracts.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in Pooled separate funds and fixed investment funds. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2021, and for year ended December 31, 2020, net appreciation in the values of investments totaled \$546,877 and \$429,070, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the

Piramal Pharma Solutions, Inc. 401(k) Profit Sharing Plan and Trust

Financial Statements

December 31, 2021, and December 31, 2020

Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition

Investments in pooled separate funds are valued at quoted market prices or contract values as provided by the custodians. Net appreciation in the value of investments represents the change in fair value or contract value during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Investments in fixed income guaranteed option are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to stable value fund investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 3: INFORMATION CERTIFIED BY CUSTODIANS (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the custodians, except for comparing such information certified by the custodians to information included in the Plan's financial statements and supplemental information.

	2021	2020
Gains on pooled separate funds	545,054	428,829
Gain on fixed income guaranteed option	1,823	241

NOTE 5: FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021, and December 31, 2020.

Pooled separate accounts: Pooled separate accounts invest in a variety of individual stocks, mutual funds, and short-term securities such as commercial paper. The fair values of the pooled separate accounts are based on the fair

Piramal Pharma Solutions, Inc. 401(k) Profit Sharing Plan and Trust

Financial Statements

December 31, 2021, and December 31, 2020

value of the underlying investment, which are based on publicly quoted pricing inputs or observable pricing inputs including quoted prices for similar assets in active or non-active markets.

Fixed income guaranteed option: The guaranteed investment contract consists of the Standard Stable Asset Fund and is reported at contract value which approximates fair value. Contract value represents the aggregation of contributions, plus interest, less withdrawals, if any.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2021, and December 31, 2020. As required by Accounting Standard Codification (ASC) Topic 820, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENTS

The Plan has a fully benefit-responsive guaranteed investment contract (“GIC”) with Standard. Standard Stable Asset Fund (SSAF) is a group annuity product issued by Standard. Amounts contributed and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of Standard. SSAF is neither a mutual fund nor a bank product and is not insured by the Federal Deposit Insurance Corporation (FDIC) or any other federal governmental agency. Standard Insurance Company periodically resets the interest rate credited on contract balances, subject to a minimum rate specified in the group annuity contract. Past interest rates are not indicative of future rates.

NOTE 8: INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified, and the related trust is tax exempt.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by custodians, and therefore, these transactions qualify as party-in-interest transactions. Creative Retirement Services, Inc provides services to the Plan as a third-party administrator for which administration fees are charged to the Plan.

Administrative fees paid by the Plan were \$7,010 for the year ended December 31, 2021 (December 31, 2020: \$24,502). Party-in-interest transactions also include loans made to participants.

NOTE 10: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 11: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 12: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 13: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
