INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Water Lilies Food, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Water Lilies Food, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Water Lilies Food, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Water Lilies Food, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Water Lilies Food, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Water Lilies Food, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules as listed in the accompanying table of contents, as of or for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Water Lilies Food, LLC 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WATER LILIES FOOD, LLC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Water Lilies Food, LLC 401(k) Profit Sharing Plan (the "Plan"), previously Water Lilies, LLC 401(k) Profit Sharing Plan and Trust, provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a contributory defined contribution plan covering all employees except for employees covered by a collective bargaining agreement, nonresident aliens, and employees resulting from an acquisition or merger as defined in the Plan document of Water Lilies Food, LLC (the "Company"). Effective May 1, 2020, all employees of the Company are covered by the Plan. Employees are eligible to participate in the Plan and defer their voluntary contributions effective on their employment commencement date and must be 21 years old. They will be eligible to receive discretionary profit sharing contributions immediately following attainment of age 21. Effective May 1, 2020 there is not a service requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was a Paychex Inc Prototype Non-Standardized Profit Sharing Plan with Cash or Deferred Arrangement ("CODA").

Effective May 1, 2020, the Plan transferred all of its assets to Reliance Trust Company (the "Trustee"). A blackout period occurred from May 4, 2020 to June 12, 2020, and investments currently held with Mid Atlantic Trust Company (the "Custodian") was mapped to similar style investments with the Automatic Data Processing investment portfolio. As a result of this transfer, the Plan adopted the ADP, LLC Prototype Non-Standardized Profit Sharing Plan with CODA.

As discussed in Note 10, the Plan was amended and restated in its entirety to incorporate certain amendments, revise certain administrative procedures, and make the amendments necessary to maintain the Plan's qualified status under the Internal Revenue Code of 1986, as amended, and regulations thereunder.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") which change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, distributions, and delay the commencement date for required minimum distributions. The optional features with this act are currently being assessed but have not been formally adopted to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (the "SECURE") Act was signed into legislation. The SECURE Act expands retirement access to both employers and employees by changing the rules with respect to required minimum distributions, among others. The SECURE Act includes both required and optional provisions, some of which became effective immediately, and others with various effective dates beginning after December 31, 2019. The required provisions of the SECURE Act that were effective immediately or beginning no later than January 1, 2020 or for plan years beginning after December 31, 2019 were operationalized accordingly. Any optional features within the SECURE Act are currently being assessed but have not been implemented to date.

The Plan has implemented certain requirements to comply with the Bipartisan Budget Act of 2018 which include eliminating the six-month suspension to making elective deferrals and

other employee contributions after taking a hardship distribution and represent in writing the insufficiency of cash or other liquid assets to satisfy the hardship expense. These mandatory provisions were in effect January 1, 2020 and the Plan will be amended to reflect these changes prior to the December 31, 2021 deadline. These mandatory provisions were in effect January 1, 2020 and the Plan was amended in October 2021.

Contributions - Participants may contribute up to the lesser of the annual limitation of $19,500 for 2021 and 2020, or 100% specified by the Internal Revenue Code (IRC), 90% effective May 1, 2020, of their eligible compensation as defined in the Plan document. Elective deferrals that are not designated as Roth contributions will be pre-tax elective deferral contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a discretionary profit sharing contribution allocated to each participant in proportion to each participants compensation, as defined in the Plan document. There were no discretionary profit sharing contributions made during 2021 and 2020.

All participants who have attained age 50 before the close of the Plan year are eligible to make additional elective deferrals in accordance with, and subject to the limitations of IRC Code Section 414(v). The maximum additional elective deferral for 2021 and 2020 is limited to $6,500.

The annual addition (which includes employee, employer contributions, and forfeitures) that may be contributed or allocated to a participant's account under the Plan for any limitation year shall not exceed the lesser of $58,000 and $57,000 for 2021 and 2020, respectively, as adjusted for increases in the cost of living under Code Section 415(d), or 100% of the participant's compensation within the meaning of Code Section 415(c)(3), for the limitation year.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's discretionary profit sharing contributions, (b) Plan income and losses, and (c) administrative expenses. Earnings, losses and expenses are allocated to the participant's accounts at the end of each day, based on the participant's account balance at the beginning of the day.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions, plus actual earnings thereon into any of the investment options maintained by the Trustee at December 31, 2021 and 2020, as disclosed in Note 3 to the financial statements. The participants may change their investment elections for new contributions and existing balances daily.

Vesting - Participants are immediately vested in their voluntary contributions, rollover contributions plus actual earnings thereon. The Company's discretionary profit sharing contribution portion of each participant's account is subject to the following vesting requirements:

Period of Service	Percent Vested
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%

5 years	80%
6 years	100%

A completed year of service equates to 1,000 hours of service completed by the participant in the vesting computation period. When a participant withdraws from the Plan prior to becoming fully vested, the non-vested portion of the participant's account is forfeited and is used to reduce future employer contributions or plan administrative expenses. Upon death or total and permanent disability, a participant will become 100% vested in the employer discretionary profit sharing contributions.

Payment of Benefits - A participant who has attained age 59½ or has become disabled may receive a distribution, of $500 at a minimum, from the Plan. Effective May 1, 2020, a participant who has incurred a hardship (as defined in the Plan document) may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service or death. Upon termination of service, retirement, disability or death, if the participant's account balance is $5,000 or less, and the participant does not elect to receive a lump-sum payment, less applicable withholding taxes, or direct rollover to a qualified plan, then participant's account shall be distributed in a direct rollover to an Individual Retirement Account (IRA) designated by the Plan. If the participant's account balance exceeds $5,000, the participant may elect to receive their distribution in installments, a lump-sum payment or direct rollover to a qualified plan. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age of 72. For all other participants, the plan is required to make a distribution of the participant's account balance on the required beginning date, which is the later of (1) April 1 following the year in which the participant attains the age of 72 or (2) the date the participant terminates employment with the Company.

Notes Receivable from Participants - The Plan document allows participants to borrow, subject to certain restrictions, against their vested account balance at the request of the participant. The minimum note that a participant may take is $500. The total of such notes from the Plan to a participant will not exceed the lesser of the following amounts:

(a) $50,000, reduced by the highest outstanding loan balance in the previous 12 months or

(b) An amount equal to 50% of any participant's current vested interest in his/her account.

Notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principal residence the period may be extended not to exceed thirty years. Participants are allowed only one note at a time. The notes bear interest at a fixed rate, which is determined by the prime rate published in the Wall Street Journal plus one percentage point. Notes are secured by the vested balance in the participant's account and are repaid through payroll deductions.

Plan Administrative Expenses - Expenses incurred by the Plan administrator and Custodian or Trustee for their services and costs in administrating the Plan may be paid by the Plan or the Company. Transaction charges (for note and benefit payment transactions) are paid by the participant by reducing the balances of those participants initiating the transactions.

Forfeited Accounts - Forfeited non-vested accounts are used to reduce future employer contributions, pay administrative expenses, or are allocated to the remaining participants, in accordance with the Plan's provisions. There were no outstanding forfeited amounts as of December 31, 2021 and 2020.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net Appreciation (Depreciation) in Fair Value of Investments - The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consist of the realized gains and losses from sales of investments and unrealized appreciation (depreciation) on those investments. The net change in unrealized appreciation (depreciation) in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year, or from date of purchase to the end of the year.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Defaulted loans are recorded as a deemed distribution based upon the terms of the Plan document.

New Accounting Pronouncements - During 2021 and 2020, various new Accounting Standard Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The plan administrator of the Plan has determined, based on their review, that no new accounting pronouncements that were issued are applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable, and if they are applicable, their effect will be included in the notes to the financial statements.

3. INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS (UNAUDITED)

At December 31, 2021 and 2020, the Plan's investments, notes receivable from participants and executed transactions therein were held by the Custodian and Trustee. The following is a summary of the Plan's investments that is included in the financial statements and supplemental schedules based on information certified by the Custodian and Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Total Investments	$ 457,589	$ 262,600
Notes Receivable from Participants	$ 760	$ -

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by $(2,709) and $11,472 during the years ended December 31, 2021 and 2020, respectively.

The Plan's independent auditors did not perform auditing procedures with respect to the investments and notes receivable from participants which were certified by the Trustee at December 31, 2021 and 2020, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The Plan's mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The collective trust funds are valued at the NAV obtained directly from the fund house or other insurance provider. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
December 31, 2021				
Investments Measured at Net Asset Value (a)				
Common Collective Trust Funds	$ -	$ -	$ -	$ 3,907
Mutual Funds	453,682	-	-	453,682
Totals	$ 453,682	$ -	$ -	$ 457,589

	Level 1	Total
December 31, 2020		
Investments Measured at Net Asset Value (a)		
Common Collective Trust Funds	$ -	$ -
Mutual Funds	262,600	262,600
Totals	$ 262,600	$ 262,600

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021.

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common Collective Trust Funds	$ 3,907	N/A	Daily	Daily

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. TAX STATUS

Although the Plan has not requested determination from the Internal Revenue Service ("IRS") as to the Plan's tax exempt status, effective May 1, 2020, the prototype plan from which the Plan was drafted has received a favorable determination letter from the IRS dated July 8, 2014. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan is designed to operate in accordance with all applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Effective January 1, 2022, the prototype plan from which the Plan was drafted was restated and received a favorable determination letter from the IRS dated October 5, 2020, as further outlined in Note 10.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee and Custodian as defined by the Plan document. Transactions with the Trustee and Custodian qualify as party-in-interest transactions. Any fees for investment management services are included in net appreciation (depreciation) in the fair value of the investments. Direct fees paid by the Plan for trustee, custodian and recordkeeping services were $2,405 and $1,078 for the years ended December 31, 2021 and 2020, respectively.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balances after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020 to Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	$ 444,424	$ 256,495
Participant contributions receivable at December 31, 2021 and 2020	(338)	(4,282)
Corrective distributions payable at December 31, 2021 and 2020	14,263	10,387
Net assets available for benefits per the Form 5500	$ 458,349	$ 262,600

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the years ended December 31, 2021 and 2020 to the Form 5500:

	2021	2020
Net increase in net assets available for benefits per the financial statements	$ 187,929	$ 73,039
Participant contributions receivable at December 31, 2021 and 2020	(338)	(4,282)
Participant contributions receivable at December 31, 2020 and 2019	4,282	-
Corrective distributions for the years ended December 31, 2021 and 2020	14,263	10,387
Corrective distributions for the years ended December 31, 2020 and 2019	(10,387)	(9,391)
Net increase in net assets available for benefits per the Form 5500	$ 195,749	$ 69,753

10. SUBSEQUENT EVENTS

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through September 27, 2022, which is the date the financial statements were available to be issued. During its evaluation, the following subsequent event items were identified:

Effective January 1, 2022, the Plan was amended to allow safe harbor 401(k) matching contributions from the employer. Participants are 100% vested in safe harbor matching contributions upon entering the Plan. The matching contribution will equal 100% of the first 3% of the participant's compensation which is deferred and 50% on the next 2% of participant compensation which is deferred.

Effective January 1, 2022, the Plan adopted the non-standardized pre-approved profit sharing/money Purchase/CODA. This plan received a favorable determination letter from the IRS dated October 6, 2020 as outlined in Note 6. Exclusions to eligible employees was also amended to not include nonresident aliens and residents of Puerto Rico. A new definition of compensation was included in the Plan document.

As noted in Note1, the Plan will be required to adopt certain requirements by the CARES and SECURE acts at a later date in accordance with applicable laws and IRS guidance.
