## Independent Auditor's Report

To the Participants and Plan Administrator of  
Northview Hotels & Resorts 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of the Northview Hotels & Resorts 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with

the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the Table of Contents as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of Northview Hotels & Resorts 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Northview Hotels & Resorts 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

---

**Note 1: Description of the Plan**

The following description of the Northview Hotels & Resorts 401(k) Plan (the Plan) provides only general information. Participants should refer to the *Summary Plan Description* for a more complete description of the Plan's provisions, which is available from the Plan administrator.

***General***

The Plan is a defined contribution plan sponsored by Northview Hotels & Resorts, LLC (the Company or the Plan Sponsor) that covers substantially all employees of the Company and those affiliated employers who are members of the controlled group and have elected to participate in the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

***Eligibility***

US resident employees who are: (1) at least 18 years old and (2) have completed three consecutive months of service.

***Contributions***

Participants may contribute up to 100% of their pre-tax compensation (elective deferral) to the Plan. The Plan also allows participants to make Roth, after-tax contributions which, combined with pre-tax contributions, are subject to Internal Revenue Code (IRC) limits of \$19,500 with a \$6,500 per year catch-up for participants age 50 and older in 2021. Effective September 1, 2019, the automatic enrollment provision of the Plan was removed.

The Company may make a discretionary contribution in an amount determined by the Participating Employers. For 2021, the Company decided to contribute 25% of participant's deferral up to a maximum of 3% of the participant's eligible compensation.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a collective trust as investment options for participants.

***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and the Plan's earnings, and is charged with withdrawals, an allocation of Plan losses, and certain administrative expenses, such as participant loan fees, express mailing charges on requested distributions, and frequent trading fees. The allocation of expenses is based on the participant's earnings or account balance, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

***Vesting***

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution plus earnings thereon vest based on years of service pursuant to the following vesting schedule.

| <u><b>Years of Service</b></u> | <u><b>Vesting Percentage</b></u> |
|--------------------------------|----------------------------------|
| Less than 1                    | 0 %                              |
| 1                              | 20%                              |
| 2                              | 40%                              |
| 3                              | 60%                              |
| 4                              | 80%                              |
| 5                              | 100%                             |

***Payment of Benefits***

Upon separation of service due to death, disability, retirement or termination of employment, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments.

***Notes Receivable from Participant***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 reduced by the highest outstanding loan balance in the previous 12 months, or 50% of their vested account balances, whichever is less. The loans are secured by the balances in the participants' accounts and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Interest rates on outstanding participant notes receivable ranged from 4.25% to 6.50% at December 31, 2021.

***Forfeited Accounts***

The non-vested balance in a participant's account is forfeited upon termination of service. Forfeitures not used to pay plan administrative expenses shall be applied to reduce employer contribution. Forfeitures used to pay expenses were \$303 for the year ended December 31, 2021. At December 31, 2021 and 2020, there was no forfeiture balance.

***Partial Termination***

As a result of a reduction of the Company's workforce in 2021, the Plan experienced a partial plan termination as defined by ERISA. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Company. If a partial plan termination occurs, full vesting in the employer's contribution is required for the affected participants, but the remaining participants' vesting continues to be determined per the plan provisions.

All affected employees who were participants in the Plan were fully vested in their account balances at the date of their partial plan termination.

**Notes to Financial Statements**  
**December 31, 2021 and 2020**

---

***Plan Termination***

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

***CARES Act***

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. Among other things, the CARES Act provides immediate and temporary relief for retirement plan participants with respect to distributions and participant loans. As permitted by the CARES Act, the Plan opted in to implement the following provisions for qualified individuals, as defined by the CARES Act:

- Through December 30, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan without an early distribution penalty. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Required minimum distributions for calendar year 2020 are waived for retired and retirement-aged individual.
- Through December 31, 2020, qualified individuals can suspend all plan loan repayments. The suspension is available for both new loans and loans taken before the Act became law. Repayments must resume in January 2021, and the plan may extend the loan term by up to one year.
- Through September 22, 2020, qualified individuals who are eligible for a new loan from the Plan are permitted to request a loan of up to \$100,000 or 100 percent of the participant's vested account balance.

**Note 2: Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

***Use of Estimates***

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

**Notes to Financial Statements**  
**December 31, 2021 and 2020**

---

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

***Valuation of Investments and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation (depreciation) of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

***Payment of Benefits***

Benefit payments are recorded upon distribution.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

***Plan Management's Review of Subsequent Events***

Plan management has evaluated all subsequent events, through September 30, 2022, which is the date the financial statements were available to be issued and has concluded that there were no other significant events to be reported.

**Note 3: Investments (Certified by Trustee)**

Information related to investments as of December 31, 2021 and 2020 and the related income and losses for the year ended December 31, 2021 have been certified by Ascensus Trust Company, the trustee of the Plan, as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA.

**Note 4: Fair Value Measurement**

The Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, *Fair Value Measurement* (ASC 820) defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

*Level 1* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the *Level 2* input must be observable for substantially the full term of the asset or liability.

*Level 3* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining the fair value, the Plan generally uses the market approach. The market approach uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The values of the funds, including the target retirement date funds, are determined using the daily closing prices as reported by the funds. The mutual funds held by the Plan are deemed to be actively traded (Market approach).

*Cash reserve account:* Valued at its carrying amount, which approximates fair value.

*Common/Collective trust fund:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical

**Northview Hotels & Resorts 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth the Plan's investments at fair value by level, within the fair value hierarchy, as well as the Plan's investments measured at NAV practical expedient, as of December 31, 2021 and 2020:

|                                                                   | <u>2021</u>         | <u>2020</u>         |

The Plan incurs expenses related to general administration. The Plan's expenses and accounting fees are paid equally by the Plan's Participating Employers.

The Plan holds notes receivable representing participant loans. Therefore, these transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

**Note 7: Plan Tax Status**

The Plan is maintained in the form of a non-standardized prototype plan sponsored by Ascensus Inc. The prototype plan received an opinion letter from the Internal Revenue Service (IRS) dated January 1, 2018 in which the IRS stated that the structure, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code of 1986, as amended.

US GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has not recognized any interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
