Independent Auditor's Report

To the Trustee and Plan Administrator
Capstone Management, LLC 401(k) Plan
Sarasota, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Capstone Management, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Capstone Management, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capstone Management, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capstone Management, LLC 401(k) Plan's ability to continue as a going concern for one year after the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Capstone Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capstone Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Capstone Management, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Capstone Management, LLC 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Capstone Management, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

Capstone Management, LLC 401(k) Plan (the Plan) is a defined contribution plan that has adopted the provisions of the Ascensus, Inc. Prototype Non-Standardized Profit-Sharing Plan with CODA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Substantially all employees of Capstone Management, LLC, OnPoint Technology, LLC, Envision Technology, LLC, and Rochester Precision Optics, LLC (collectively, the "Employer") are participants in the Plan, and all participants have a shared interest in the net assets of the Plan. Three employees of the employer serve as limited trustees of the Plan.

The Plan covers all eligible employees, as defined, who have completed the applicable age and service requirements. The eligibility requirements for elective deferrals and safe harbor matching contributions are completion of 2 months of service and attainment of age 21. The eligibility requirements to receive discretionary employer matching and employer profit-sharing contributions are completion of one year of service and attainment of age 21.

Contributions

Participating employees are allowed to make salary savings contributions as a percentage of their eligible compensation, as defined by the Plan, up to the maximum deferral amount allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The employer will make safe harbor matching contributions of 100% of elective deferrals up to 4% of each eligible participant's compensation. In addition, the employer may make discretionary matching and profit-sharing contributions in such amounts as determined by the employer to be appropriate. Any discretionary contributions are allocated to participants in accordance with the Plan document. During the years ended December 31, 2021 and 2020, the Employer made safe harbor matching contributions of \$703,503 and \$722,622, respectively. The Employer did not make any discretionary matching or profit sharing contributions during the years ended December 31, 2021 and 2020.

Participant Accounts

Separate accounts are maintained for each participant and each participant's account is credited with the participant's contribution and allocations of the employer's contribution and Plan earnings, and charged with withdrawals and an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Capstone Management, LLC 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting and Benefits

The Plan provides that, upon termination of employment with the Employer, the Plan shall pay to the participant their vested account balance. Profit-sharing and discretionary matching contributions vest at 20% after two years of service with vesting increasing 20% per year until participants have a 100% vested interest in their share of the net assets. In addition, the participant shall be fully vested upon death, disability, or normal retirement age, as defined. Any amount of a participant's account which is not fully vested is forfeited upon termination and is used to reduce Employer contributions or to pay the Plan's administrative expenses. The Plan had no unapplied forfeitures at December 31, 2021 and 2020. Employer safe harbor matching contributions and the portion of the participant's account attributable to their voluntary contributions are immediately vested.

Benefits may be distributed upon termination of employment, retirement, death or permanent disability. Distributions may be made in one lump-sum payment or in a series of partial payments as defined in the Plan document. A participant may also request a withdrawal, subject to limitations, upon attainment of age 65, or upon demonstration to the Plan Administrator that the participant is suffering from a hardship, as defined in applicable Internal Revenue Service regulations or standards established by the Secretary of the Treasury or his delegate and meet the criteria specified in the Plan.

Investment Options

Plan participants may select their investments from various investment options made available under the Plan which consist of a common/collective trust and various mutual funds with varied investment objectives. The investment decisions for a participant's account are the sole responsibility of the Plan participant and they may change their investment options at any time throughout the year. Plan contributions are invested based upon these selected options.

Notes Receivable from Participants

Plan participants and beneficiaries are allowed to borrow up to the lesser of \$50,000 or one-half of the vested value of the participant's account with a minimum loan amount of \$1,000. Loans must be repaid within five years, unless the loan is used to acquire a dwelling to be used as the principal residence of the participant, in which case the loans may be paid over thirty years. Loans are repaid in level payments, primarily on a weekly basis, in amounts sufficient to fully amortize the loan within the repayment period. Loans issued bear interest based upon the Wall Street Journal prime rate plus 1% at the time of borrowing. Interest rates ranged from 4.25% to 6.5% on loans outstanding as of December 31, 2021. Participants are allowed to refinance their notes payable to the Plan one time over the life of the loan.

Plan Termination

While the Employer has not expressed any intent to terminate the Plan, it may do so at any time. In the event of termination of the Plan, all participants shall become 100% vested in employer contributions.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Coronavirus Aid, Relief, and Economic Security Act

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was enacted and signed into law. The CARES Act includes various provisions that temporarily eased rules around distributions and loans in 2020 for eligible plan participants in reaction to the economic conditions during the COVID-19 pandemic. Certain design changes were made to the Plan during 2020 as permitted pursuant to the CARES Act. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Accounting Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and reductions in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are reported at fair value. The Plan's investment in a common/collective trust is measured at net asset value (NAV), which is used as a practical expedient to measure fair value. This practical expedient would not be used if it is determined to be probable that the funds would sell the investments for an amount different from the reported net asset value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value.

Purchases and sales of investments are reported on the trade-date basis. The cost of investments sold is determined based on the average cost method for financial reporting purposes. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments include the Plan's gains and losses on investments bought and sold as well as held during the year.

Capstone Management, LLC 401(k) Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefits are reflected as a reduction in net assets available for benefits when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the employer and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net realized and unrealized gain and loss.

Funding Policy

The employer's policy is to fund the Plan in accordance with the contribution formula, as defined. For the years ended December 31, 2021 and 2020, the funding requirements, as defined, were met.

Note 3: Information Prepared and Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus, as agent for Ascensus Trust Company (the trustee).

Note 4: Fair Value Measurements

Various inputs may be used to determine the fair value of investments. These inputs are summarized into three broad levels for financial statement purposes. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs that are derived principally from or corroborated by observable market data by correlation or other means, or observable inputs other than quoted prices; and Level 3 inputs consist of inputs to the valuation methodology that are unobservable and significant to the fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Capstone Management, LLC 401(k) Plan

Notes to Financial Statements

Note 4: Fair Value Measurements (Continued)

An asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at unadjusted quoted prices in active markets.

Common/collective trust: Valued at the net asset value (NAV) of the shares of the common/collective trust held by the Plan at year end. The NAV is based on the fair value of the underlying investments held by the Trust less its liabilities. The objective of the common/collective trust is to maintain the safety of principal while generating a level of current income generally exceeding that of a money market fund.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets as of December 31, 2021 and 2020:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 21,137,692	\$ -	\$ -	\$ 21,137,692
Total investments in the fair value hierarchy	\$ 21,137,692	\$ -	\$ -	21,137,692
Common/collective trust*				134,765
Total investment assets at fair value				\$ 21,272,457

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,976,078	\$ -	\$ -	\$ 17,976,078
Total investments in the fair value hierarchy	\$ 17,976,078	\$ -	\$ -	17,976,078
Common/collective trust*				220,752
Total investment assets at fair value				\$ 18,196,830

* In accordance with current accounting standards, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Capstone Management, LLC 401(k) Plan

Notes to Financial Statements

Note 4: Fair Value Measurements (Continued)

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions on these investments; the redemption notice period is applicable only to the Plan.

	2021			
	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common/collective trust	\$ 134,765	N/A	Daily	12 Months
	2020			
	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common/collective trust	\$ 220,752	N/A	Daily	12 Months

The inputs or methodology used for valuing securities are not necessarily indicative of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Note 5: Party-In-Interest Transactions

Certain Plan investments are managed by Vanguard. Vanguard is the recordkeeper, and therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management services are netted against net appreciation in fair value of investments. These transactions are deemed to be party-in-interest transactions.

The Plan also has arrangements with various other service providers which qualify as party-in-interest transactions under ERISA.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Capstone Management, LLC 401(k) Plan

Notes to Financial Statements

Note 6: Tax Status

Effective July 1, 2015, the employer adopted Ascensus, Inc.'s Prototype Non-Standardized Profit-Sharing Plan with CODA. The Internal Revenue Service issued an opinion letter on the prototype plan dated June 30, 2020 indicating it is in compliance with the applicable sections of the Internal Revenue Code; however, the Plan has been amended and restated since receiving this opinion letter. The letter stated, in part, that an employer who adopts this Plan may rely on the letter with respect to the qualification of its plan under Code Section 401(a), provided the terms of the prototype plan are followed.

Specific approval of the Plan, as adopted by the employer, as a qualified plan has not been requested or received; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes the Plan is qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Note 7: Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8: Subsequent Events

Management has evaluated subsequent events through September 27, 2022, the date when the financial statements were available to be issued.
