Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation	
PAYCHEX SECURITIES CORPORATION	225 KENNETH DRIVE ROCHESTER, NY 14623

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: BDO USA, LLP

(2) EIN: 13-5381590

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a	X		3982

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n		X

Independent Auditor's Report

The Plan Administrator
Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust
Madison Heights, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at Year End) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

1. Description of the Plan

The following description of the Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all regular employees of Family Heating Co, Inc. (the Company or Plan Sponsor), who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan was established January 1, 1999 and was amended and restated effective April 16, 2020. The trustee of the Plan from the restatement date is Mid Atlantic Trust Company (the Trustee) and the recordkeeper of the Plan is Paychex Retirement Services. Prior to the amendment and restatement date, the trustee was Reliance Trust Company (the Former Trustee) and the recordkeeper was ADP Retirement Services. The Plan has given the Trustee the authority to hold the assets of the Plan and to invest, control, and disburse all asset of the Plan in accordance with the Plan agreement.

Eligibility

All employees of the Company, except those listed below, are eligible to participate in the Plan upon completion of one year of service and attainment of 21 years of age, unless they decline to participate. The following employee groups are ineligible to participate in the Plan: those covered by the terms of a collective-bargaining agreement unless the agreement specifies that the employees must be covered by the Plan and nonresident aliens who receive no earned income from the Company within the United States. Employees are eligible for matching contributions only when they make deferral contributions.

Contributions

Each year, participants may contribute up to 92% of their compensation, as defined by the Plan agreement, on a pre-tax or after-tax basis in increments of 1% and should not exceed certain limits established under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may direct the investment of their account balances into various investment options offered by the Plan.

The Company contributes 50% of the first 6% of the participant's eligible compensation that a participant contributes to the Plan. The Company's matching contributions are allocated in the same manner as the participant's elective contributions. Additional discretionary and profit-sharing contributions may be made at the discretion of the Company. The Company did not make any profit-sharing or discretionary nonelective contributions during the year ended December 31, 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and the participant's allocation of Plan earnings. Participant accounts are charged with an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on the participant's proportionate share of each of the investment accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portion of their accounts is based on years of service in accordance with the following schedule:

Years of Service	Percentage (%)
1	-
2	20
3	40
4	60
5	80
6	100

Forfeited Accounts

If a participant is not fully vested on their termination date, the nonvested amount of the account is forfeited. Forfeitures are used to pay administrative expenses or to reduce employer contributions. There were no forfeitures remaining in the Plan as of December 31, 2021 and 2020. No forfeitures were used to pay administrative expenses or offset employer contributions during 2021.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 95% of one half of their vested account balance or 95% of the total vested account balance excluding the after-tax balance. The loans are secured by the balance in the participant's account. The loan interest rate is equal to the prime rate as published on the first business day of the month in the Wall Street Journal, plus 1%. Loan terms range from one to five years. The maximum number of loans allowable per the Plan agreement is two loans. Loan terms extend to ten years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Principal and interest are paid ratably through weekly payroll deductions. If a participant terminates employment with the Company, the entire outstanding principal and accrued interest are immediately due.

Payment of Benefits

Upon termination of employment, death, retirement, or total disability, distributions are generally made in the form of a single lump-sum payment or a portion of the vested balance of a participant's account or in installments if the participant is subject to required minimum distributions. In addition, the Plan includes a provision for participants to make withdrawals from their account while still working after attaining age 59½, as defined by the Plan agreement. Participant account

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

balances that are \$5,000 or less, but exceed \$1,000, will be distributed to an Individual Retirement Account. Participant account balances that are \$1,000 or less will be distributed as a lump-sum payment upon termination to the participant.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. The fair value is determined and certified by the Trustee as of the end of each period. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Subsequent Events

The Plan has evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued. There were no events identified that required disclosure in these financial statements. As disclosed in Note 5, the Company has adopted a prototype plan document provided by Paychex, Inc. Paychex, Inc. obtained an opinion letter dated August 31, 2020 from the IRS pursuant to a requirement to restate pre-approved plan documents every six years in order to maintain the Plan's tax-qualified status. As a result, on May 20, 2022, the Company restated the Plan to reflect remedial amendments associated with Paychex, Inc.'s restatement of its pre-approved defined contribution plan.

3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, the framework for measuring fair value, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs or other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Money Market Fund - The money market fund invests in high-quality short-term securities. In accordance with Rule 2a-7 of the Investment Company Act of 1940, the money market fund is valued at amortized cost, which approximates fair value. This method of valuation is designed to enable the money market fund to price its shares at \$1.00 per share, although a money market fund's share price may deviate from \$1.00 per share. The objective of this money market fund is to preserve capital, liquidity, and achieve the highest possible current income.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021

	Investment Assets as Fair Value			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,009,453	\$ -	\$ -	\$ 8,009,453
Money market fund	109,596	-	-	109,596
Total Investments, at fair value	\$ 8,119,049	\$ -	\$ -	\$ 8,119,049

December 31, 2020

	Investment Assets as Fair Value			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 7,141,469	\$ -	\$ -	\$ 7,141,469
Money market fund	316,673	-	-	316,673
Total Investments, at fair value	\$ 7,458,142	\$ -	\$ -	\$ 7,458,142

4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

5. Income Tax Status

The Plan uses a prototype plan document from Paychex, Inc., which received an opinion letter from the IRS on April 10, 2014, which states that the prototype plan, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. See Subsequent Events in Note 2 for subsequent restatement of the Plan document and updated opinion letter from the IRS.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related Party and Party-in-Interest Transactions

Certain Plan investments and notes receivable from participants are managed by Mid Atlantic Trust Company, the Trustee of the Plan. The Company pays certain expenses of the Plan. The Plan issues loans to participants which are secured by the vested balance of the participants' accounts. These transactions qualify as party-in-interest transactions.

9. Prohibited Transactions

During 2021, the Company determined that certain employee deferrals and loan repayments had not been remitted to the Plan in a timely manner, as defined by ERISA, for the year ended December 31, 2020. These contributions are considered nonexempt party-in-interest transactions. The Company calculated the lost earnings on the delinquent contributions and remitted these earnings into the Plan in 2022. In total, in April 2022, the Plan remitted \$3,994, including \$12 of lost earnings, and filed a Voluntary Fiduciary Correction Program (VFCP) Application. In August 2022, the Plan received a No Action letter from the Department of Labor with respect to the VFCP filing. These non-exempt transactions do not affect the tax status opinion of the Plan and the Company intends to pay all potential fines imposed.

Independent Auditor's Report

The Plan Administrator
Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust
Madison Heights, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at Year End) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

1. Description of the Plan

The following description of the Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all regular employees of Family Heating Co, Inc. (the Company or Plan Sponsor), who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan was established January 1, 1999 and was amended and restated effective April 16, 2020. The trustee of the Plan from the restatement date is Mid Atlantic Trust Company (the Trustee) and the recordkeeper of the Plan is Paychex Retirement Services. Prior to the amendment and restatement date, the trustee was Reliance Trust Company (the Former Trustee) and the recordkeeper was ADP Retirement Services. The Plan has given the Trustee the authority to hold the assets of the Plan and to invest, control, and disburse all asset of the Plan in accordance with the Plan agreement.

Eligibility

All employees of the Company, except those listed below, are eligible to participate in the Plan upon completion of one year of service and attainment of 21 years of age, unless they decline to participate. The following employee groups are ineligible to participate in the Plan: those covered by the terms of a collective-bargaining agreement unless the agreement specifies that the employees must be covered by the Plan and nonresident aliens who receive no earned income from the Company within the United States. Employees are eligible for matching contributions only when they make deferral contributions.

Contributions

Each year, participants may contribute up to 92% of their compensation, as defined by the Plan agreement, on a pre-tax or after-tax basis in increments of 1% and should not exceed certain limits established under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may direct the investment of their account balances into various investment options offered by the Plan.

The Company contributes 50% of the first 6% of the participant's eligible compensation that a participant contributes to the Plan. The Company's matching contributions are allocated in the same manner as the participant's elective contributions. Additional discretionary and profit-sharing contributions may be made at the discretion of the Company. The Company did not make any profit-sharing or discretionary nonelective contributions during the year ended December 31, 2021. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Participant Accounts

Each participant's account is credited with the participant's contributions, Company contributions, and the participant's allocation of Plan earnings. Participant accounts are charged with an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on the participant's proportionate share of each of the investment accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portion of their accounts is based on years of service in accordance with the following schedule:

Years of Service	Percentage (%)
1	-
2	20
3	40
4	60
5	80
6	100

Forfeited Accounts

If a participant is not fully vested on their termination date, the nonvested amount of the account is forfeited. Forfeitures are used to pay administrative expenses or to reduce employer contributions. There were no forfeitures remaining in the Plan as of December 31, 2021 and 2020. No forfeitures were used to pay administrative expenses or offset employer contributions during 2021.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 95% of one half of their vested account balance or 95% of the total vested account balance excluding the after-tax balance. The loans are secured by the balance in the participant's account. The loan interest rate is equal to the prime rate as published on the first business day of the month in the Wall Street Journal, plus 1%. Loan terms range from one to five years. The maximum number of loans allowable per the Plan agreement is two loans. Loan terms extend to ten years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Principal and interest are paid ratably through weekly payroll deductions. If a participant terminates employment with the Company, the entire outstanding principal and accrued interest are immediately due.

Payment of Benefits

Upon termination of employment, death, retirement, or total disability, distributions are generally made in the form of a single lump-sum payment or a portion of the vested balance of a participant's account or in installments if the participant is subject to required minimum distributions. In addition, the Plan includes a provision for participants to make withdrawals from their account while still working after attaining age 59½, as defined by the Plan agreement. Participant account

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

balances that are \$5,000 or less, but exceed \$1,000, will be distributed to an Individual Retirement Account. Participant account balances that are \$1,000 or less will be distributed as a lump-sum payment upon termination to the participant.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. The fair value is determined and certified by the Trustee as of the end of each period. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Subsequent Events

The Plan has evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued. There were no events identified that required disclosure in these financial statements. As disclosed in Note 5, the Company has adopted a prototype plan document provided by Paychex, Inc. Paychex, Inc. obtained an opinion letter dated August 31, 2020 from the IRS pursuant to a requirement to restate pre-approved plan documents every six years in order to maintain the Plan's tax-qualified status. As a result, on May 20, 2022, the Company restated the Plan to reflect remedial amendments associated with Paychex, Inc.'s restatement of its pre-approved defined contribution plan.

3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, the framework for measuring fair value, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs or other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Money Market Fund - The money market fund invests in high-quality short-term securities. In accordance with Rule 2a-7 of the Investment Company Act of 1940, the money market fund is valued at amortized cost, which approximates fair value. This method of valuation is designed to enable the money market fund to price its shares at \$1.00 per share, although a money market fund's share price may deviate from \$1.00 per share. The objective of this money market fund is to preserve capital, liquidity, and achieve the highest possible current income.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021

	Investment Assets as Fair Value			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 8,009,453	\$ -	\$ -	\$ 8,009,453
Money market fund	109,596	-	-	109,596
Total Investments, at fair value	\$ 8,119,049	\$ -	\$ -	\$ 8,119,049

December 31, 2020

	Investment Assets as Fair Value			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 7,141,469	\$ -	\$ -	\$ 7,141,469
Money market fund	316,673	-	-	316,673
Total Investments, at fair value	\$ 7,458,142	\$ -	\$ -	\$ 7,458,142

4. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the Schedule of Assets (Held at End of Year) as of December 31, 2021, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Family Heating Co, Inc. 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

5. Income Tax Status

The Plan uses a prototype plan document from Paychex, Inc., which received an opinion letter from the IRS on April 10, 2014, which states that the prototype plan, as then designed, satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the opinion letter, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. See Subsequent Events in Note 2 for subsequent restatement of the Plan document and updated opinion letter from the IRS.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related Party and Party-in-Interest Transactions

Certain Plan investments and notes receivable from participants are managed by Mid Atlantic Trust Company, the Trustee of the Plan. The Company pays certain expenses of the Plan. The Plan issues loans to participants which are secured by the vested balance of the participants' accounts. These transactions qualify as party-in-interest transactions.

9. Prohibited Transactions

During 2021, the Company determined that certain employee deferrals and loan repayments had not been remitted to the Plan in a timely manner, as defined by ERISA, for the year ended December 31, 2020. These contributions are considered nonexempt party-in-interest transactions. The Company calculated the lost earnings on the delinquent contributions and remitted these earnings into the Plan in 2022. In total, in April 2022, the Plan remitted \$3,994, including \$12 of lost earnings, and filed a Voluntary Fiduciary Correction Program (VFCP) Application. In August 2022, the Plan received a No Action letter from the Department of Labor with respect to the VFCP filing. These non-exempt transactions do not affect the tax status opinion of the Plan and the Company intends to pay all potential fines imposed.

Notes to Financial Statements

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500:

<i>December 31,</i>	2021	2020
Net Assets Available for Benefits , per financial statements	\$ 8,236,025	\$ 7,600,003
Employer contributions receivable at December 31, 2021	(1,329)	-
Employer contributions receivable at December 31, 2020	-	(1,430)
Employee contributions receivable at December 31, 2021	(3,579)	-
Employee contributions receivable at December 31, 2020	-	(4,082)
Net Assets Available for Benefits , per Form 5500	\$ 8,231,117	\$ 7,594,491

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the net income per the Form 5500:

<i>Year ended December 31, 2021</i>		
Net Increase, per financial statements	\$	636,022
Employer contributions receivable at December 31, 2021		(1,329)
Employer contributions receivable at December 31, 2020		1,430
Employee contributions receivable at December 31, 2021		(3,579)
Employee contributions receivable at December 31, 2020		4,082
Net Income, per Form 5500	\$	636,626
