INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
The Springs Living 401(k) Retirement Plan
McMinnville, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Springs Living 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Springs Living 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Springs Living 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Springs Living 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Springs Living 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the 2021 financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Springs Living 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE SPRINGS LIVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of The Springs Living 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering non-union employees of The Springs Living (the Company) who are age 18 or older and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's most recent restatement was effective August 1, 2017. The Board of Trustees oversees the governance of the Plan.

Contributions

Participants may elect annually to contribute on a pre-tax or after tax (Roth) basis up to 100 percent of their annual compensation, limited to the amounts provided by the Internal Revenue Code (IRC). Individuals who attain age 50 by the end of the Plan year may make additional "catch-up" contributions. Participants may also contribute amounts representing rollover distributions from other qualified sources. The Company may make a discretionary, match contribution equal to a percentage of the amounts contributed by participants. The percentage is determined annually by the Company. For the years ended December 31, 2021 and 2020, the Company elected to make a discretionary, matching contribution of 50 percent of participant contributions, limited to 3 percent of eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution (if any), and Plan earnings. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts between several investment alternatives available within the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100 percent vested in employer contributions and earnings thereon after completing five years of vesting service (defined as one calendar year in which a participant has at least 1,000 hours of service) according to the following schedule:

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

THE SPRINGS LIVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawals of at least \$1,000. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may withdraw rollover contributions at any time. Participants aged 65 or older may receive in-service distributions from their vested account. The Plan also allows hardship withdrawals in the event of an immediate and heavy financial need from the participant's vested account, as described in the plan document.

Under the Coronavirus Aid, Relief and Economic Security Act (the CARES Act), signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

Forfeited Accounts

The non-vested account of a participant shall be forfeited if a participant is terminated. These accounts are used to reduce the Plan's future employer contributions or pay Plan expenses. During the years ended December 31, 2021 and 2020, \$40,364 and \$25,286, respectively, was forfeited from participant accounts. \$8,495 and \$8,331 of forfeitures were used to offset employer contributions and pay Plan expenses for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, unused, forfeited accounts were \$66,996 and \$35,127, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurement. The Plan's guaranteed interest account is carried at contract value which represents deposits, plus interest, less withdrawals (See Note 4).

Investment transactions are accounted for on the trade date (date the investment securities are purchased or sold). Both the average cost and specific identification methods are used in determining the cost of investment securities sold. Interest income is recorded on the accrual basis.

THE SPRINGS LIVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Accounting Policies, continued

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

Certain administrative expenses are paid directly by the Company and are therefore excluded from these financial statements. Certain participant transaction fees and quarterly participant fees are paid from participant accounts. Investment related expenses are included in the net change in fair value of investments.

3. Information Prepared and Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Standard Insurance Company, the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

The following information was obtained from data that has been prepared and certified as complete and accurate by the custodian:

	<u>2021</u>	<u>2020</u>
Pooled separate accounts, at fair value	\$ 7,424,022	\$ 5,892,652
Guaranteed interest accounts, at contract value	225,703	154,271
Net change in fair value of investments	850,566	768,500
Interest income	2,389	2,930

4. Investment Contract with Insurance Company

The Plan has a fully benefit-responsive, investment contract with Standard Insurance Company (The Standard), included in the statements of net assets available for benefits as a guaranteed interest account. The Standard maintains the contributions in a pooled account (Stable Value Asset), which is credited with earnings on underlying investments and charged for participant withdrawals and administrative expenses. All assets in the guaranteed interest account are credited with interest using a declared quarterly rate determined by The Standard and stated in advance of the coming quarter. There is no specific portfolio of assets in which the stable value fund invests. The credited interest rate is backed by the income received from assets held in The Standard's general account. The rate will never be below 1 percent and has no maximum interest rate for the Stable Value Asset. Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with The Standard. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the Plan participants is not probable. Based on these factors, The Standard has certified that the fair value of the insurance contracts is equal to the current contract value.

THE SPRINGS LIVING 401(k) RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants will become 100 percent vested in their accounts.

6. Tax Status

The Plan has adopted the Volume Submitter Profit Sharing Plan with CODA. Standard Retirement Services, Inc, the sponsor of the prototype plan, has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, that the adoption agreement and basic Plan document satisfy IRC Section 401. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Related Party Transactions

Certain Plan investments are managed by the custodian of the Plan and therefore these transactions qualify as party in interest transactions. For the years ended December 31, 2021 and 2020, fees paid to the custodian totaled \$80,954 and \$67,660, respectively, a portion of which was investment related expenses and included in net change in fair value of investments. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

8. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

THE SPRINGS LIVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

9. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodology used at December 31, 2021 and 2020.

Pooled separate accounts: Recorded at fair value based on the stated net asset value (NAV) of the separate pooled account, which is used as a practical expedient to estimate fair value. Participant transactions may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the pooled separate accounts measured at NAV have not been classified in the fair value hierarchy. All pooled separate account investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan Administrator believes the Plan's valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE SPRINGS LIVING 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

10. Nonexempt Transactions

During the year ended December 31, 2021, participant contributions totaling \$6,743 were not remitted to the Plan within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. The Company is taking the appropriate steps to correct the situation by calculating lost earnings and interest and has further implemented procedures to ensure that all future remittances are made within the prescribed time period.

11. Subsequent Events

Management evaluates events and transactions that occur after the statements of net assets available for benefit date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
