INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Silver Cloud Inns Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Silver Cloud Inns Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statement, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Silver Cloud Inns Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Silver Cloud Inns Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Silver Cloud Inns Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Silver Cloud Inns Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year on page 13 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of

Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Silver Cloud Inns Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SILVER CLOUD INNS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE A - DESCRIPTION OF PLAN:

The following description of the Silver Cloud Inns Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General -

The Plan is a defined contribution 401(k) plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), covering all employees of the Company, except construction workers, who have reached age 21 and completed one year of service. Effective July 1, 2021, the service requirement was reduced to 60 days. The majority of the Plan administrative expenses are paid directly by the Company as Plan sponsor.

Contributions -

Participants may elect to defer their annual wages, up to the maximum amount allowable under the Internal Revenue Code, and contribute these amounts to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company contributes a discretionary match equal to a percentage of salary deferrals for each participating employee. The percentage is determined by the Company's management. In 2021, the matching contribution was 50% of the first 6% of compensation that a participant contributed to the Plan after July 1st. Prior to July 1st, no matching contribution was made. In addition, the Company may contribute a discretionary profit-sharing contribution in an amount as determined by the management of the Company at the end of the year (none in 2021).

Participant Accounts -

Each participant's account is credited with the participant's elective salary deferral and the Company's matching contribution and charged for forfeitures upon their termination and administrative expenses. Each participant account is also credited with an allocation of the Company's discretionary contribution, if any, for participants credited with a year of service during the plan year and an allocation of Plan earnings or losses. Allocations are based on participant compensation or account balances, as indicated in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting -

Participants are immediately vested in their elective deferrals plus actual earnings thereon. Vesting in employer contributions is based upon years of continuous service. A participant is 100% vested after six years of credited service.

Forfeited Accounts -

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$84,095 and \$96,806, respectively. These accounts are used to reduce future employer contributions and pay administrative expenses. In 2021, employer contributions were reduced by \$35,861 from forfeited non-vested accounts.

NOTE A - CONTINUED:**Payment of Benefits -**

On termination of service, a participant may elect to receive a lump-sum amount equal to the vested portion of his or her account. The trustees may elect to make the distribution in a lump-sum payment without consent or transfer the money to an IRA if the present value of a participant's benefit at termination is less than \$1,000. If the present value of a participant's benefit at termination is at least \$1,000 but less than \$5,000, the trustees can only transfer the money to an IRA without consent. The Plan also allows for hardship withdrawals.

Legislative and Regulatory Developments -

The CARES Act was signed into law on March 27, 2020, under Public Law 116-136, the Coronavirus Aid, Relief, and Economic Security Act. The CARES Act contains several provisions that affect employee benefit plans. Key provisions include allowing participants to take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan up to December 31, 2020 without a 10% early withdrawal penalty and allowing suspension of 2020 required minimum distributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**Basis of Accounting -**

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits -

Benefits are recorded when paid.

Date of Management's Review -

Management has evaluated subsequent events through September 24, 2022, the date which the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS:

Fair value measurements of the Plan's investments are as follows:

<u>Fair Value Measurements at Reporting Date Using</u>			
	Fair Value	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2021</u>			
Investment contract with insurance company	\$ 13,420,131	\$ 11,693,064	\$ 1,727,067
<u>December 31, 2020</u>			
Investment contract with insurance company	\$ 11,996,277	\$ 9,207,125	\$ 2,789,152

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 2 Fair Value Measurements

Pooled separate accounts within the investment contract with the insurance company are stated at fair value as determined by observable Level 1 quoted pricing inputs or by quoted prices for similar assets in active or non-active markets. While pooled separate accounts may have publicly quoted pricing inputs (Level 1), the account values of separate accounts are not publicly quoted and are therefore classified as Level 2 investments.

Level 3 Fair Value Measurements

The general account portion of the investment contract with the insurance company is not actively traded and significant other observable inputs are not available. Thus, the fair value of the general account portion is based upon the approximate amount that would have been paid by the issuer if the investment contract had been terminated as of the last day of the reporting period. The following table provides further detail of the Level 3 fair value measurements.

NOTE C - CONTINUED:**Year ended December 31, 2021**

Beginning balance	\$ 2,789,152
Total gains or losses included in changes in net assets available for benefits	21,039
Purchases, issues, sales, and settlements:

Year ended December 31, 2020

Beginning balance	\$ 1,913,581
Total gains or losses included in changes in net assets available for benefits	29,638
Purchases, issues, sales, and settlements:	
Purchases	1,008,793
Issues	
Sales	(162,860)
Settlements	
Ending Balance	<u>\$ 2,789,152</u>

General account realized gains and losses, if any, are reported in the statement of changes in net assets available for benefits and are reported in net appreciation in fair value of investments.

NOTE D - INVESTMENTS:

The Plan's investments are maintained under an investment contract with Voya Retirement Insurance and Annuity Company. It is funded through general account obligations and pooled separate accounts. The Plan owns units of participation in the fair value of the underlying pooled assets. The fair value represents the approximate contract value, and does not take into account surrender charges or certain market value adjustments that would apply if the contract was terminated. Each participant may direct the allocation of his or her own account balance among the various underlying investment options. The Plan sponsor has determined that the contract is not fully benefit-responsive as described in the plan accounting – defined contribution pension plans accounting literature.

NOTE E - RELATED PARTY TRANSACTIONS:

Voya Retirement Insurance and Annuity Company (Voya) is the issuer of the group funding contract as defined by the Plan and therefore is a party-in-interest. Certain Plan investments are sponsored by Voya. Voya received no eligible direct compensation for the year ended December 31, 2021.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE F - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE G - INCOME TAX STATUS:

The Plan is intended to be a qualified plan under Section 401(a) of the Internal Revenue Code, and the Plan is interpreted, applied and administered consistent with the intent to qualify. The Plan was established through a regional prototype plan of Pension Design & Administration, Inc., who has received a letter from the Internal Revenue Service indicating the Plan is acceptable. The Plan has been amended and restated since the Pension Design & Administration, Inc. prototype plan received its letter from the Internal Revenue Service stating it was acceptable.

The Company has not obtained a specific determination letter from the Internal Revenue Service for the Plan as adopted, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's annual return/report is subject to examination by the Department of Labor and the Internal Revenue Service. Because many types of transactions are susceptible to varying interpretations under Department of Labor and Federal tax laws and regulations, the amounts reported in the accompanying financial statements may be subject to change at a later date upon final determination by the Department of Labor.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared, and certified to as complete and accurate by Voya as of December 31, 2021 and 2020.

At fair value:	<u>2021</u>	<u>2020</u>
Investment contract with Voya Retirement Insurance and Annuity Co.	\$ 13,420,131	\$ 11,996,277
Investment income - pooled separate accounts	\$ 1,720,643	\$ 1,605,227
Interest income - general account	\$ 21,038	\$ 29,638

NOTE I - PARTICIPANT WITHDRAWALS:

At December 31, 2021 there were no participants who had elected to withdraw from the Plan and had not yet been paid.

NOTE J - RISKS AND UNCERTAINTIES:

The Plan, through its investment contract with an insurance company, invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic has created significant public health concerns as well as economic disruptions, uncertainty, and volatility. While businesses as well as Federal, state, and local governments have implemented significant actions to attempt to mitigate this public health crisis, the rapid development and fluidity of this situation precludes any prediction by management as to the ultimate duration, scope or impact of the COVID-19 pandemic. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan and its financial results.
