INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Participants
Sportsman's Market, Inc. Tax Deferred Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Sportsman's Market, Inc. Tax Deferred Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sportsman's Market, Inc. Tax Deferred Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sportsman's Market, Inc. Tax Deferred Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sportsman's Market, Inc. Tax Deferred Savings Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sportsman's Market, Inc. Tax Deferred Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sportsman's Market, Inc. Tax Deferred Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sportsman's Market, Inc. Tax Deferred Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SPORTSMAN'S MARKET, INC. TAX DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and December 31, 2020

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Sportsman's Market, Inc. Tax Deferred Savings Plan (the "Plan") is provided for general information purposes only. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants should refer to the Plan document for more complete information.

General

The Plan, established April 1, 1990, restated January 1, 2016, is a PNC Bank prototype plan. Employees of Sportsman's Market, Inc. (the "Company"), who have reached age 21 and have at least one year of service, are eligible to participate in the Plan. Normal retirement age is 65 years.

Contributions

A participant may authorize contributions up to the annual maximum amount permitted by the Internal Revenue Service ("IRS") through payroll deductions. The Company has historically matched 25% of participants' contributions up to 6% of their base compensation; however, the Company is not obligated to make matching contributions. Participants may allocate contributions made to their account in any of the ten investment options offered by the Plan. Participants are auto enrolled in the Plan at 3% when they first become eligible if they do not opt out of the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's matching contribution, and investment income and loss. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are 20% vested in Company contributions after two years of service and are fully vested after six years.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive a distribution equal to the value of the participant's vested interest in their account in a lump-sum or equal annual installments. If the participant's vested balance is less the \$1,000, then the account balance will be distributed in a lump-sum as soon as practicable without consent from the participant.

Participants Loans

Participants may not borrow against their accounts, however, hardship withdrawals are permitted.

Administrative Expenses

The expenses of administering the Plan and the related Plan assets may be paid by either the Company or from the assets of the Plan. The Company provides the Plan with certain accounting and administrative services for which no fee is charged.

Forfeitures

Forfeited nonvested accounts totaled \$890 at December 31, 2021 and \$3,353 at December 31, 2020. These accounts will be used to reduce administrative expenses first and then future employer contributions. Forfeitures of \$3,375 were used in 2021 to reduce employer contributions.

SPORTSMAN'S MARKET, INC. TAX DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021 and December 31, 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)**Plan Operations**

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019 was signed into law. The SECURE Act had provisions that were effective for years beginning after December 31, 2019 and for years beginning after December 31, 2020. The Plan implemented the SECURE Act provision that changed the age of initiation for required minimum distributions ("RMDs") from 70.5 to age 72 for all retirement accounts subject to RMDs. This change for taking a participant's first RMD from age 70.5 to age 72 affects participants who had not attained age 70 ½ by December 31, 2019. The Plan intends to implement the SECURE Act provisions that are effective for years beginning after December 31, 2020 in 2021. Plan management intends to formally amend the Plan for these provisions before the end of the remedial amendment period to reflect such provisions.

In March 2020, the World Health Organization declared the novel coronavirus ("COVID-19") outbreak a global pandemic. In response to COVID-19 pandemic, on March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law. The CARES Act provides temporary relief for retirement plan sponsors and their participants. The provisions of the CARES Act were available to be implemented immediately, prior to formally amending the Plan document.

In 2020, the Plan did not elect to adopt the CARES Act provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Accounting**

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP") and conform to the accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. The investments are not covered by federal insurance.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participants' contributions. Amounts payable to participants for contributions in excess of amounts allowed by the IRS were \$20,880 at December 31, 2021 and \$8,148 at December 31, 2020. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2022 and March 15, 2021.

SPORTSMAN'S MARKET, INC. TAX DEFERRED SAVINGS PLAN**NOTES TO FINANCIAL STATEMENTS (Continued)**December 31, 2021 and December 31, 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - PLAN AMENDMENTS

As of April 1, 2014, the Plan was amended to allow participants the option to make Roth contributions into the Plan. As of February 1, 2019 the Plan was amended to eliminate the 6-month suspension on employee contributions after a hardship withdrawal.

NOTE 5 - FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual fund accounts are based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

SPORTSMAN'S MARKET, INC. TAX DEFERRED SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021 and December 31, 2020

NOTE 5 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and December 31, 2020:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
<u>December 31, 2021</u>		
Mutual funds	\$ 32,110,467	\$ 32,110,467
Total assets at fair value	\$ 32,110,467	\$ 32,110,467

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
<u>December 31, 2020</u>		
Mutual funds	\$ 27,035,940	\$ 27,035,940
Total assets at fair value	\$ 27,035,940	\$ 27,035,940

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation/depreciation in fair value of investments.

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$2,359,735 for 2021.

NOTE 6 - INCOME TAX STATUS

The Company has adopted a standardized prototype plan which has received an opinion letter dated March 31, 2014 from the IRS stating that the prototype document, in form only, meets the requirements under the applicable sections of the Internal Revenue Code ("IRC") and is therefore qualified. The Plan has not obtained a determination letter from the IRS, nor is it required to do so. Although the Plan has been amended, the Company and the plan administrator believe that the Plan is designed and currently being operated in compliance with the applicable requirement of the IRC as of December 31, 2021 and December 31, 2020. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018. There are currently no audits for any tax periods in progress.
