Certified
Public
Accountants

We have audited the financial statements of the Khoros 401(k) Plan (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) as of and for the year ended December 31, 2021, and have issued our report thereon dated September 30, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company (Fidelity), the Plan's trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 18, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices (continued)

Accounting estimates are an integral part of the financial statements prepared by management based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates may be particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We noted no sensitive estimates used by management in the preparation of the Plan's financial statements.

Certain financial statement disclosures may also be particularly sensitive because of their significance to financial statement users. We noted no sensitive disclosures affecting the Plan's financial statements.

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing this process.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management or third-party providers in performing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no misstatements noted during the audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. There were no reportable findings identified during our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a disagreement on a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant to the Plan's financial statements or the auditors' report. We are pleased to report no such disagreements arose during the course of our audit.

Management Representations

We requested certain representations from management that were included in the management representation letter dated September 30, 2022.

Independence of Outside Auditors

Professional standards require outside auditors to be independent, in fact and in appearance, from the entities they audit. To the best of our knowledge, there are no circumstances or relationships between the Plan or Plan sponsor and Frank, Rimerman + Co. LLP that would impair our independence in reporting on the Plan's financial statements.

Management's Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Issues Discussed Prior to Retention of Independent Auditors

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and we believe our responses were not a condition to our retention.

Other Matter

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the, Plan administrator, Committee, sponsor and management, is not intended to be, and should not be used by anyone other than these specified parties.

We would like to take this opportunity to thank Plan personnel for their assistance during our audit.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audit of the financial statements of the Khoros 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

60 South Market Street, Suite 500 San Jose, California 95113 t 408.279.5566 www.frankrimerman.com

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Financial Statement

We were engaged to audit the accompanying financial statement of the Khoros 401(k) Plan (the Plan), which comprises the statement of net assets available for benefits as of December 31, 2020 and the related notes to a financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company (Fidelity), the Plan's trustee, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that Fidelity holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Fidelity as of December 31, 2020 that the information provided to the Plan administrator Fidelity is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations.

The form and content of the information included in the financial statement, other than that derived from the information certified by Fidelity, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Khoros 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The Khoros 401(k) Plan (the Plan) was established by Spredfast, Inc. (Spredfast), effective January 1, 2011, to provide participants with a method to fund their retirement on a tax-deferred basis. In October 2018, Spredfast merged with Lithium Technologies, LLC and became Khoros, LLC (the Company). The Spredfast Savings 401(k) Plan was renamed the Khoros 401(k) Plan in June 2019. Effective January 1, 2019, all eligible former Spredfast employees of the Company became participants in the Plan. The Plan has since been amended and restated, most recently as of May 10, 2022.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan with a salary deferral arrangement under appropriate provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan is administered by a Retirement Plan Committee, comprised of Company employees. Fidelity Management Trust Company (Fidelity) serves as the Plan's trustee and record keeper. Fidelity holds, invests and reinvests trust assets in the interest and at the direction of participants and their beneficiaries.

Eligible Participants:

Employees, as defined by the Plan agreement, are eligible to participate in the Plan on the first day of the month following completion of one month of service.

Contributions:

Participants may make contributions to the Plan through pre-tax salary deferrals and after-tax contributions up to 90% of annual compensation, as defined by the Plan agreement. Participants who have reached the age of 50 may elect to withhold additional catch-up contributions under the Code. Participants may also contribute amounts representing distributions from other tax-qualified plans (rollovers), subject to Code regulations.

Khoros 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Contributions: (continued)

The Plan provides for automatic enrollment on the date a participant becomes eligible for the Plan. The automatic pre-tax salary deferral contribution for eligible participants is 3% of their compensation, unless the participant requests a different amount to be contributed or formally declines participation. On January 1st of each year, provided the participant has been enrolled in the Plan for greater than six months, the contribution percentage increases 1%, until it reaches 10% of compensation, unless the participant makes an affirmative election to change the deferral percentage or formally declines participation. Participants may adjust their deferral rate or discontinue their contributions at any time.

The Company may make discretionary matching and non-elective contributions at the discretion of the Company's Board of Directors.

In 2021, the Company made discretionary matching contributions equal to 50% of each eligible participant's contribution, not to exceed 6% of the participant's eligible compensation. The Company made discretionary matching contributions totaling \$2,253,620 in 2021, of which \$295,813 is recorded as employer contributions receivable at December 31, 2021 (\$181,223 at December 31, 2020).

Contributions are subject to certain limitations under the Code.

In-Plan Roth Conversions:

The Plan allows participants who are active employees of the Company to convert any portion of their pre-tax contributions to after-tax Roth individual retirement accounts. In 2021, there were no pre-tax deferral contributions converted to Roth accounts.

Participant Accounts:

Each participant's account is credited with participant contributions, Company contributions, rollovers and an allocation of the Plan's earnings or losses. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Khoros 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Vesting and Forfeitures:

Participants are fully (100%) vested in their account balances.

Forfeited non-vested accounts of terminated participants prior to 2019 may be used to reduce Plan expenses or to reduce Company contributions. The Plan used \$277 of forfeitures to reduce Plan expenses in 2021. At December 31, 2021, forfeited non-vested accounts were \$1,718 (\$19 at December 31, 2020).

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Participant notes receivable transactions are not allowed under the Plan subsequent to a Plan amendment, effective June 24, 2019. However, all previously issued and outstanding notes were grandfathered into the Plan. Under the previous Plan provisions, participants could borrow up to one-half of their account balance, not to exceed \$50,000, less the highest outstanding note balance during the previous twelve-month period, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms up to ten years may be granted. Participant notes are evidenced by a written note, secured by the balance in the participant's account and bear interest at a rate that is commensurate with local prevailing rates, as determined by the Plan administrator under the note policy. The interest rates on all grandfathered notes outstanding at December 31, 2021 range from 4.25% to 5.00%. Repayment of principal and interest is generally made through payroll deductions.

Payment of Benefits:

Upon termination of service, participants may elect to receive their total benefits in a lump sum amount equal to the value of the participant's account balance. Benefits are recorded when paid.

Administrative Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. Participant accounts are assessed certain third-party administration fees and a separate fee for the administration of notes receivable. All other expenses to administer the Plan are paid by the Company and are not reflected in the Plan's financial statements.

Khoros 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Risks and Uncertainties:

The Plan offers a variety of investment options to participants. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible changes in risks in the near term could materially affect participant account balances and the amounts reported in the financial statements.

The outbreak of the novel coronavirus continues to materially and adversely impact global commercial activity and contribute to volatility in financial markets. The outbreak is having, and will likely continue to have, a material adverse impact on economic and market conditions for the foreseeable future. This presents uncertainty and risk with respect to the Plan, its future performance, and its future financial results.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions and to terminate the Plan at any time, subject to provisions of ERISA. In the event of a Plan termination, participants would remain fully vested in their accounts and distributions will be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan prepares its financial statements using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Khoros 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Investments:

Investments are comprised of mutual funds, a money market fund, and common/collective trusts and accounted for as follows:

Mutual Funds and Money Market Fund: These funds are valued at the net asset value (NAV) of shares held by the Plan at year end, as quoted in active markets. It is not probable the funds will be sold at amounts that differ materially from the NAV of shares held.

Fidelity Comingled Pool Funds: The Plan invests in common/collective trusts (CCTs) through Fidelity Commingled Pool Funds, which are reported at fair value, as determined based on the fair value of the fixed income securities in the trust portfolios.

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

An investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Khoros 401(k) Plan
Notes to Financial Statements

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

Investments at fair value at December 31, 2021 under the three-level hierarchy are as follows:

<u>Investments</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds and money market fund	\$ 13,150,502	\$ -	\$ -	\$ 13,150,502

	<u>\$ 13,150,502</u>	<u>\$ 40,849,925</u>	<u>\$ -</u>	<u>\$ 54,000,427</u>

Investments at fair value at December 31, 2020 under the three-level hierarchy are as follows:

<u>Investments</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds and money market fund	\$ 8,363,954	\$ -	\$ -	\$ 8,363,954

	<u>\$ 8,363,954</u>	<u>\$ 33,513,013</u>	<u>\$ -</u>	<u>\$ 41,876,967</u>

Income Recognition:

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on the Plan's investments bought, sold or held during the year.

Khoros 401(k) Plan

Notes to Financial Statements

3. Information Prepared and Certified by Fidelity

Fidelity, as the Plan's trustee, has certified the fair value of the following assets held at December 31, 2021 and 2020, and the net investment income for the year ended December 31, 2021, that were used in the preparation of the financial statements and supplemental schedule.

	December 31,	
	2021	2020
Investments, at fair value	\$ 54,000,427	\$ 41,876,967
Notes receivable from participants	<u>25,936</u>	<u>31,228</u>
Total certified assets	<u>\$ 54,026,363</u>	<u>\$ 41,908,195</u>
Net income for the year ended December 31, 2021	<u>\$ 7,026,678</u>	

4. Income Tax Status

The Plan is a volume submitter plan offered by Fidelity, which has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 stating the form of the plan submitted for review was qualified under applicable provisions of the Code. The Plan has been amended since receipt of the letter. However, the Plan and Plan sponsor believe the Plan is being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified, and the trust, which forms a part of the Plan, is exempt from federal and state income taxes.

GAAP require Plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the income tax positions taken by the Plan, and has concluded, at December 31, 2021, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Khoros 401(k) Plan

Notes to Financial Statements

5. Party-In-Interest Transactions

Certain of the Plan's investments are offered by Fidelity, the Plan's trustee. Purchases and sales of these investments qualify as party-in-interest transactions. Notes receivable transactions with participants also qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules under ERISA.
