INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Newpark Resources, Inc. Savings & Investment Plan
The Woodlands, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Newpark Resources, Inc. Savings & Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively, the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and (2) Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of or for the year December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENT

NOTE 1 – PLAN DESCRIPTION

The following description of Newpark Resources, Inc. Savings & Investment Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. The Plan Document is controlling at all times.

General

The Plan Sponsor is Newpark Resources, Inc. and other adopting employers are Newpark Mats & Integrated Services, Excalibar Minerals LLC, Newpark Industrial Blending Solutions LLC, Newpark Drilling Fluids LLC, and Newpark Drilling Fluids Personnel Services LLC, all of which are collectively hereafter referred to as the “Company” or “Employer.”

The Plan was established on May 1, 1988 and recently amended on January 1, 2021 to adopt a new Prototype Plan sponsored by Transamerica Retirement Solutions LLC (“Transamerica”). The Plan is a defined contribution plan covering substantially all employees of the Company. The purpose of the Plan is to provide employees with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As defined in the Plan Document, all employees eighteen or older who have completed 30 days of service are eligible to participate in the Plan. Once an employee becomes eligible to participate in the Plan, the employee may enroll into the Plan on the first day of the month coinciding or following the day the employee becomes eligible unless the Company is notified otherwise by the employee.

Contributions

Participants may contribute from 1% to 50% of their pre-tax annual compensation, as defined in the Plan, through salary deductions; however, annual contributions may not exceed the maximum allowed under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan includes a Roth 401(k) feature which allows Participants to contribute funds on a post-tax elective deferral basis, in addition to, or instead of pre-tax elective deferrals. The Roth 401(k) feature allows for tax-free growth and distributions provided that the post-tax contributions have been vested for at least five years and the Participant has reached the age of 59 ½.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contribution is invested in a designated fund until changed by the participant. Additionally, the Plan includes an auto-increase deferral provision whereby all participants will have an annual 1% increase to their contribution up to a maximum of 10% unless the auto-increase deferral is suspended by the participant.

The Company may make discretionary matching contributions equal to a percentage of the participant’s elective deferrals. Additionally, the Company may also make non-elective discretionary matching contributions to the Plan.

For the period from April 1, 2020 to April 1, 2021, the discretionary employer match was suspended.

NEWPARK RESOURCES, INC. SAVINGS & INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENT

NOTE 1 – PLAN DESCRIPTION – CONTINUED

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants hired and eligible prior to December 31, 2020 are 100% vested in all employer contributions plus actual earnings thereon. For participants hired subsequent thereto, vesting in employer contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after one year of credited service, increasing 20% each year until becoming fully vested after five years of credit service. However, if a participant dies, becomes disabled prior to attaining normal retirement age, or attains early or normal retirement age as defined by the Plan, the participant's account becomes 100% vested if still employed by the Company as of such date.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, rollover contributions, an allocation of the Company's contributions, an allocation of investment earnings and losses, and charged with withdrawals and administrative fees. Allocations of plan earnings are based on participant accounts balances, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their individual accounts among the alternate investment funds provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer between investment funds and the loan fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Only two loans may be outstanding at any time for each participant. Loan repayments are made by check or payroll deduction.

Effective April 20, 2020, the Plan adopted the following provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act:

- Loan provision which allows the Plan's participants to take a loan during the 180-day period beginning on March 27, 2020 up to the lesser of \$100,000 or 100% of the nonforfeitable value of the participant's account under the Plan.
- Temporary loan repayment deferral provision which allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

NOTE 1 – PLAN DESCRIPTION – CONTINUED

Payment of Benefits and Withdrawals

Upon termination of service due to death, disability or normal retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's full account balance, regardless of years of credited service. For termination due to other reason, participants may receive the sum of their contributions and any earnings thereon, plus the vested portion of Company contributions. Payments of benefits are made, at the election of the participant, in the form of an annuity, a lump sum distribution, or installment payments.

Participants may make early withdrawals of all or a portion of their elective deferral contributions in their account under the hardship provision of the Plan. Participants may make unrestricted withdrawals of their vested accounts on or after age 59 ½.

Effective April 20, 2020, the Plan adopted the following provisions of CARES Act:

- Distribution provision which allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
- Required minimum distribution provision which suspends required minimum distributions for all participants and beneficiaries for the calendar year ended December 31, 2020

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$258,995 and \$701,616, respectively. These accounts will be used in the following order: restore participant accounts, offset administrative expenses, and reduce employer match and non-elective contributions. During the year ended December 31, 2021, the Plan restored \$745,957 to participant accounts due to the improper forfeitures of account balances disclosed further in Note 8. For the year ended December 31, 2021, employer matching contributions were reduced by \$20,784 from forfeited non-vested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments at year end are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfers a liability in an orderly transaction between market participants at the measurement date. The net change in fair value of investments is reported in the statement of changes in net assets available for benefits in the period of the change. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

Pooled Separate Accounts: Investments in pooled separate accounts are represented by a “unit of account” and per unit values whose value is the result of the accumulated values of the underlying investments. These underlying investments are public investment vehicles valued using the NAV provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the Pooled Separate Accounts are valued using NAV as a practical expedient, disclosure of fair value level is not required.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2021 and 2020:

	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
<u>December 31, 2021</u>

NOTE 4 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held by State Street Bank and Trust Company (the "Custodian"). Administrative functions for the plan year ended December 31, 2021 were performed by Transamerica. Certain administrative expenses, including loan administration fees, are paid by the participants. Other administrative expenses, such as accounting and legal fees, are paid by the Company.

NOTE 5 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the Custodian.

	<u>2021</u>	<u>2020</u>

Dividends and Interest	1,656,827	1,303,213
Interest Income on Notes Receivable from Participants	84,949	113,076

NOTE 6 – PARTIES-IN-INTEREST

The Plan has notes receivable from participants at December 31, 2021 and 2020. As a result, these notes and all transactions related to these notes qualify as parties-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

Additionally, the Plan invests in various mutual funds offered by the Custodian, as approved by the Plan's Trustee. These investments are considered party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

Fees paid by the Plan for general administrative, recordkeeping and investment advisory services performed by the Custodian and Transamerica totaled \$116,174 for the year ended December 31, 2021.

NOTE 7 – FEDERAL INCOME TAX STATUS

The Plan uses a Prototype Plan sponsored by Transamerica. Transamerica received a determination letter from the Internal Revenue Service ("IRS"), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code. The Prototype Plan has been amended since receiving its determination letter. The Plan itself had not received a determination letter from the IRS. However, the Plan's management and tax counsel believe that the Plan is currently designed and operated in complete compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NEWPARK RESOURCES, INC. SAVINGS & INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENT

NOTE 7 – FEDERAL INCOME TAX STATUS – CONTINUED

Accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s management believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions.

During the year ended December 31, 2020, the Company laid off a significant portion of its workforce due to the economic uncertainty surrounding COVID-19. This lay-off resulted in a partial plan termination, whereby all employees enrolled in the Plan during the year ended December 31, 2020 automatically became 100% vested in the Plan.

As a result of the partial plan termination, the Company and Transamerica went back and identified several participants that had taken distributions from which amounts were improperly forfeited. In April 2021, the Company restored \$745,957 of forfeited account balances to the affected participants.

NOTE 9 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities for its participants. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 – DELINQUENT CONTRIBUTIONS

The Department of Labor (DOL Reg. 2580.412-11) requires an employer to segregate participant contributions from its general assets as soon as practicable, but in no event later than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages. For the year ended December 31, 2021, the Company did not remit participant contributions and loan repayments totaling \$9,950 in a timely manner. The Company intends to remit these amounts plus lost earnings thereon to the Plan on or before December 31, 2022.
