Independent Auditor's Report

To the Plan Administrator of the
MDSA, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements

We have performed an audit of financial statements of MDSA, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of MDSA, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

MDSA, LLC 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

Note 1: Description of Plan

The following description of MDSA, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan, effective March 1, 1996, covering substantially all employees of MDSA, LLC (the Plan Sponsor or the Company). The Plan was restated with a new effective date of September 21, 2021. In order to participate in the Plan, employees must have completed one month of service. Employees were permitted to enter the Plan on January 1, April 1, July 1 or October 1 of each plan year coinciding with or next following the date the eligibility requirements were met. Effective June 1, 2017, the Plan was amended to revise entry requirements to allow employees to immediately enter the Plan following the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan includes a provision under Internal Revenue Code (IRC) Section 401(k) whereby participants may make pretax contributions to the Plan from 2% up to 100% of their annual compensation, subject to limitations under the IRC. Participants age fifty and older are also allowed to make catch-up contributions.

Effective June 1, 2017, the Plan Document was amended to automatically enroll newly eligible employees with a 3% contribution following satisfaction of the eligibility requirements. The Plan was also amended to allow both pretax and post-tax, or Roth contributions.

The Company may match, subject to limitations under the IRC, a portion of the participants' contributions. The Plan Sponsor has elected to match 50% of each participant's elective deferrals up to 6% of the participant's compensation. The Plan Sponsor's matching contribution was \$179,307 for 2021.

In addition to any matching contributions, the Plan Sponsor may make discretionary qualified nonelective contributions to participants. Such additional discretionary contributions are subject to limitations under the IRC and allocated to employees based on a non-integrated (pro rata) allocation formula. During 2021 and 2020, the Plan Sponsor elected not to make any discretionary contributions.

At the discretion of the Plan Sponsor, employees may deposit rollover contributions from another qualified plan. Such contributions are placed in a separate account and are subject to the rules for investments established by the Plan Sponsor.

Administration

Empower Retirement (Empower) is the trustee of the Plan, and receive all contributions made under the Plan, holds Plan assets and pays benefits to participants as directed by the Plan Administrator. The Trustee is approved by the Board of Directors of the Plan Sponsor and is responsible for the administration of investments for the benefit of the participants and their beneficiaries.

The Company serves as the Plan Administrator and has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits.

Expenses

Administrative expenses of the Plan are primarily paid by the Plan Sponsor. These expenses include, but are not limited to, legal, accounting and recordkeeping fees; however, investment expenses are paid by the Plan. A proportionate share of fees and expenses paid by the Plan is charged to each participant's account. Fees paid by the Plan participants for administrative expenses totaled \$14,581 in 2021.

Participant Accounts

Each participant's account is credited with pretax and post-tax contributions made by the participant and the participant's portion of the Plan Sponsor's matching and additional discretionary contributions and plan earnings. Earnings, expenses and gains and losses on investments are allocated to the participants' accounts daily based on participant account balances, as defined in the Plan Document.

Vesting

Participant vesting in the Plan Sponsor's discretionary matching and income earned thereon is based on years of continuous service during which an employee completes at least 1,000 hours of service with the Plan Sponsor. All participants become 100% vested after three years of service. The vesting percentages are as follows:

Years of Service	Percentage
1	33%
2	67%
3	100%

Participants also become 100% vested upon termination of the Plan or upon reaching normal retirement age of sixty-five or upon disability or death while still an employee of the Plan Sponsor.

Any portion of a participant's account balance attributable to pretax, post-tax, rollover and discretionary qualified nonelective contributions is 100% vested at the time of contribution and is not subject to forfeiture.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the Trustees or its affiliates serve as investment advisors (Note 6), selected by the Plan administrator.

Withdrawals

In general, participants may withdraw the vested portion of their account and income earned thereon in the event of a participant's heavy and immediate financial hardship, as defined in the Plan Document. Hardship distributions may not exceed the amount of the participant's financial hardship and may not be repaid by the participant.

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant after reaching age fifty-nine and one-half. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn by a participant at any time.

Upon normal retirement, termination of employment, disability or death, a participant or beneficiary may elect to receive the value of the vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution. The Plan may, upon termination of service of a participant for any reason, automatically pay the benefits owed if no alternative election has been made and the account balance is \$1,000 or less, as defined in the Plan Document. Effective June 1, 2017, if no alternative election has been made and the benefits owed are more than \$1,000, but less than \$5,000, the Plan could automatically transfer the funds into an individual retirement account established on the participant's behalf.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Nonvested account balances of terminated employees are forfeited upon the complete distribution of the vested portion of their account or after five consecutive years of no service, subject to the possibility of reinstatement before the end of five consecutive years of no service. Forfeitures of terminated employees' nonvested accounts are used to reduce Plan Sponsor contributions or administrative expenses payable to Empower or its affiliates, as directed by the Company. During the year ended December 31, 2021, forfeitures totaled \$6,301. There were \$18,574 and \$11,639 of forfeitures available for future use at December 31, 2021 and 2020, respectively.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payments of Benefits

Benefit payments are recorded when paid by the Plan.

Risks and Uncertainties

The Plan's invested assets ultimately consist of stocks, bonds, fixed income securities and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

CARES Act

Effective March 27, 2020, the Plan adopted provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The CARES Act permitted retirement plans to provide qualified individuals (as defined in the CARES Act) who were impacted by the novel coronavirus (COVID-19) expanded distribution options and certain loan relief. Participants should refer to plan documents for specific changes made to the Plan. Written amendments to the Plan to reflect those operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

Note 3: Fair Value Measurements

In accordance with Accounting Standard Codification 820-10, *Fair Value Measurements and Disclosures*, the inputs to valuation techniques used to determine fair value are categorized into a fair value hierarchy. Observable inputs (highest level) reflect market data obtained from independent sources, while unobservable inputs (lowest level) reflect internally developed market assumptions. The inputs are summarized in a three-level valuation hierarchy as follows:

Level 1: Quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in markets that are not active; and
- model-derived valuations in which all significant inputs are observable or can be corroborated by observable market data for substantially the full term of the investment.

Level 3: Model-derived valuations in which one or more significant inputs are unobservable.

If the inputs used to value the investment fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the investment.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The common collective trust is privately managed by the Trustees and is not publicly quoted. The fund is solely comprised of a stable value fund that is valued by the Trustees at NAV which is based on the underlying investment assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Plan has concluded that the NAV is used as a practical expedient to approximate the fair value of the investment. This practical expedient would not be used if it is determined to be probable that the investment will sell for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on this investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,891,799	\$ -	\$ -	\$ 9,891,799
Total assets in fair value hierarchy	9,891,799	-	-	9,891,799
Common collective trust measured at net asset value ^(a)	-	-	-	2,144,708
Total investments at fair value	<u>\$ 9,891,799</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,036,507</u>

Investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,962,893	\$ -	\$ -	\$ 6,962,893
Total assets in fair value hierarchy	6,962,893	-	-	6,962,893
Common collective trust measured at net asset value ^(a)	-	-	-	2,674,317
Total investments at fair value	<u>\$ 6,962,893</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,637,210</u>

^(a) These investments are measured using NAV as a practical expedient and are not classified in the fair value hierarchy. The fair value amounts presented in this table are shown for the purpose of reconciling to the statements of net assets available for benefits.

Note 4: Information Certified by Trustees (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the Trustees, except for comparing such information certified by the Trustees to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year):

	2021	2020
Statements of net assets available for benefits:		
Investments, at fair value	\$ 12,036,507	\$ 9,637,510
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	\$ 821,097	
Interest and dividends	601,575	

Note 5: Income Tax Status

The Plan Sponsor has entered into a nonstandardized adoption agreement (the prototype plan). The prototype plan received a favorable opinion letter from the IRS dated March 31, 2014 which stated that the prototype plan and related trust were designed in accordance with the applicable sections of the IRC.

The Plan has been amended since the receipt of the favorable opinion letter and has not received an updated determination letter. However, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 6: Party-in-Interest Transactions

The Trustees and its affiliates perform services for and sell products to manage and maintain certain investments of the Plan for which fees are charged to the Plan. While the Plan Sponsor pays most of the fees, an insignificant portion is paid by the Plan.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 7: Excess Contributions Payable

During 2021, the Plan was not in compliance with IRC Section 401(k). As a result, excess contributions totaling \$29,819 were payable to certain participants at December 31, 2021. Such amounts were deducted from participant contributions in the accompanying statement of changes in net assets available for benefits and are reported as excess contributions payable in the accompanying statements of net assets available for benefits. During 2020, the Plan was in compliance with IRC Section 401(k). As such, there were no such payables to certain participants as of December 31, 2020.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, the value of each participant's account as of the date of termination shall immediately become fully vested.

Note 9: Subsequent Events

The Company has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2021 and the report date, the date the financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
