INDEPENDENT AUDITORS' REPORT

Board of Trustees
Kimbel Mechanical Systems, Inc. 401(k) Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Kimbel Mechanical Systems, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kimbel Mechanical Systems, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 and supplemental schedules of delinquent participant contributions and reportable transactions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Kimbel Mechanical Systems, Inc. 401(k) Plan
St. Louis, Missouri

Report on the Financial Statements

We were engaged to audit the accompanying statement of net assets available for plan benefits of Kimbel Mechanical Systems, Inc. 401(k) Plan (the "Plan"), as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with U.S. generally accepted auditing standards. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by John Hancock Life Insurance Company, custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from its custodian as of December 31, 2020, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with U.S. generally accepted auditing standards and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

KIMBEL MECHANICAL SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following brief description of the Kimbel Mechanical Systems, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

On July 1, 2021, the Plan Adoption Agreement was amended. The restatement removed the hardship withdrawal provision, increased the eligibility requirement from 60 days to six months and changed the basis of reporting for all participant statements from accrual to cash. Other changes involved clarification and formatting adjustments but did not materially change the form and substance of Plan operations.

General

The Plan is a defined contribution plan covering substantially all full-time, nonunion employees of Kimbel Mechanical Systems, Inc. (the "Company") who meet eligibility requirements. Participants are eligible to participate in the Plan if they are at least 18 years of age and met the service requirements as measured by the elapsed time method. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants in the Plan may elect for any calendar year to contribute pre-tax or Roth contributions, up to the lesser of the maximum amount permitted under Section 402(g) of the Internal Revenue Code of 1986 (\$19,500 for 2021 and 2020) as adjusted by a cost-of-living factor each year or 100% of eligible compensation. In addition, certain participants are allowed to contribute an additional \$6,500 for 2021 and 2020 to the Plan as allowed by the catch-up rules. Contributions are subject to certain limitations.

The Plan includes a provision for a matching contribution determined by the Company at its discretion. For the Plan year ended December 31, 2021 and 2020, the employer provided matching contributions of 50 percent of the amount contributed by each participant up to their first 6 percent of deferred contributions to the Plan.

Participant accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Company's contributions, and (c) Plan earnings and appreciation. Each participant's account is charged with (a) any withdrawals or distributions, (b) Plan losses and depreciation, and (c) an allocation of administrative and mutual fund expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

See independent auditors' report.

KIMBEL MECHANICAL SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN - CONTINUED

Investment options

Participants were able to allocate their contributions among a variety of managed funds by John Hancock Life Insurance Company through December 28, 2021 and Voya Retirement Insurance and Annuity Company beginning on December 29, 2021.

Vesting

Participants are always 100 percent vested in their deferred contribution.

Participants' vested interest in employer contributions is determined under the following schedule and is based on vesting years of service:

Years of service	Percentage
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited accounts

If a participant forfeits any unvested balances in their account, the forfeited amount is used to reduce future employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$38,184 and \$27,496, respectively. Forfeited, non-vested accounts used to reduce employer contributions were immaterial for the 2021 and 2020 Plan years.

Participant loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 3.25 to 6.50 percent, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of benefits

On termination of service due to death, disability, or retirement at age 65, a participant will receive a lump-sum amount equal to the value of the participant's account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are not permitted by the Plan.

See independent auditors' report.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN - CONTINUED

Payment of administrative expenses

It is the policy of the Plan that certain administrative expenses pertaining to the Plan be paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments valuation and recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net appreciation or depreciation in the fair value of investments includes both realized and unrealized appreciation, including those investments bought and sold during the year.

Payment of benefits

Benefits are recorded when paid.

See independent auditors' report.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	2021			
	Fair Value	Fair Value Measurement Using:		
		Level 1	Level 2	Level 3
Cash	\$ 70,744	\$ 70,744	\$ -	\$ -

FASB ASC 820-10, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

Level 1 inputs are quoted prices in active markets on the actual asset being valued. An active market has sufficient transaction activity to provide pricing information on an ongoing basis.

See independent auditors' report.

KIMBEL MECHANICAL SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. FAIR VALUE MEASUREMENTS - CONTINUED

Level 2 Fair Value Measurements

Level 2 inputs are those other than quoted prices in Level 1 that are observable and include the following: quoted prices on similar assets in active markets; quoted prices for identical or similar assets in markets that are not active; observable inputs other than quoted prices such as yield curves, volatilities, prepayment speeds, or inputs derived principally or corroborated by observable market data by correlation or other means.

Level 3 Fair Value Measurements

Level 3 inputs are unobservable inputs for the asset reflecting internal assumptions used to arrive at an estimate or exit price. Those inputs are based on the best information available in the circumstances.

4. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) Section 401. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and tax counsel believe the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

The Plan continually evaluates expiring statutes of limitations, audits, changes in tax laws and new authoritative rulings. The Plan files an annual return in the U.S. federal jurisdiction. U.S. federal returns prior to 2018 are closed.

5. CERTIFICATION OF INVESTMENT DATA (UNAUDITED)

The assets of the Kimbel Mechanical Systems, Inc. 401(k) Plan were held by John Hancock Life Insurance Company through December 28, 2021 and by Voya Retirement Insurance and Annuity Company beginning on December 29, 2021. Upon changing custodians, \$14,977,835 of Plan assets were transferred from John Hancock to Voya.

6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are shares in mutual funds managed by John Hancock Life Insurance Company and Voya Retirement Insurance and Annuity Company, custodians of the Plan investments, and, therefore, these transactions qualify as party-in-interest transactions.

Attestation services were provided to the Plan by Conner Ash, P.C, considered a party-in-interest.

7. RISKS AND UNCERTAINTIES

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

8. PLAN TERMINATION

While it is the Company's intention to continue the Plan indefinitely, it has the right to terminate or amend the Plan at any time. No amendment, however, may permit any part of the assets of the Plan, other than those required to pay taxes and administrative expenses, to be used for any purpose other than for the exclusive benefit of the participants.

9. SUBSEQUENT EVENTS

On January 1, 2022, the Plan Adoption Agreement was amended. The restatement decreased the eligibility requirement back to 60 days and changed the entry date frequency from the first day of the following quarter to the first day of each month. The Summary Plan Description was also rewritten to summarize the changes made to the Plan in the last year. The changes did not materially affect Plan operations. Management has evaluated subsequent events through September 20, 2022, the date on which the financial statements were available to be issued.

See independent auditors' report.
