Independent Auditor's Report

To the Plan Administrator
Kelley Trucking Inc. 401(k) Savings Plan
Golden, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Kelley Trucking Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kelley Trucking Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kelley Trucking Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kelley Trucking Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kelley Trucking Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kelley Trucking Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Kelley Trucking Inc. 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Kelley Trucking Inc. 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Kelley Trucking Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan became effective January 1, 1993, with approval of the Board of Directors of Kelley Trucking Inc. (the "Company") and restated effective January 1, 2017. The Plan is a defined contribution plan covering eligible employees of the Company that have completed at least one year of service during eligibility computation period and are age twenty-one or older. Plan entry date is the first day of the first month and seventh month of the plan year following eligibility. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the plan administrator and is responsible for oversight of the Plan and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal Trust Company) serves as the asset custodian and recordkeeper. Futureplan by Ascensus (formerly Goldleaf Partners) is the third party administrator (TPA) for the Plan. Plan management determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 92% of pretax annual compensation, as defined in the Plan, on a pre-tax basis or through Roth contributions. Deferral contributions and Roth contributions shall not exceed certain limits set forth by the Internal Revenue Service (IRS) (\$19,500 in 2021). In addition to the set contributions, participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions (up to \$6,500). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company makes prevailing wage contributions based on the the hourly contribution rate required under the applicable prevailing wage law. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants must complete one year of service during which 1,000 hours are completed to be eligible for the Plan and Company matching contributions. The Company utilizes a safe-harbor match to contribute 100% of the first 3% of eligible compensation, plus 50% of the amount of deferral contributions that exceed 3% of eligible compensation not to exceed 5% of compensation. Additional profit sharing amounts may also be contributed at the discretion of the Company. During the year ended December 31, 2021, the Company made matching contributions of \$345,546 and no profit sharing contribution to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company matching contributions, and allocations of (a) the Company's profit sharing contribution, (b) plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Kelley Trucking Inc. 401(k) Savings Plan

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participant contributions, rollovers, qualified non-elective contributions, safe harbor matching contributions, and net earnings on these contributions are fully vested when made or earned. Discretionary Company contributions, if any, as well as all earnings on these contributions vest as follows:

<i>Years of Service</i>	<i>Vesting Percentage</i>
Less than 1	0 %
1 - 2	20 %
2 - 3	40 %
3 - 4	60 %
4 - 5	80 %
5 or more	100 %

Participants are fully vested upon retirement, death, disability, or plan termination.

Notes Receivable From Participants

Participants are allowed two notes receivable at any time and may borrow from their fund accounts a minimum of \$1,000, up to 50% of the value of their account balance or \$50,000, whichever is less. Note receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which have a maximum term of ten years. The notes receivable are secured by no more than 50% of the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, currently Prime Rate plus 1%, at the time the note receivable originated. Interest rates on notes receivable from participants as of December 31, 2021, ranged from 5.25% to 7.50% per annum. Principal and interest are paid in equal installments through payroll deductions, personal checks from employees on leave, or cashier's checks for the full payoff of the notes receivable.

Payment of Benefits

On termination of service due to reasons other than death, vested interest will be received by the participant as a lump distribution or equal installment payments commencing as soon as administratively feasible after employment is terminated. Distributions upon death can be elected, by the beneficiary, as a lump sum or equal installment payments. The Plan also allows for in-service distributions upon attaining age 59 1/2.

A participant may receive a distribution on account of hardship except from a Qualified Non-Elective Contributions account (QNEC) or the matching contribution account to the extent such an account has been used to satisfy the safe harbor requirements. Hardship distributions may be used for medical, tuition, and funeral expenses.

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of common investment trusts, pooled separate accounts, mutual funds, and a guaranteed investment contract fund offered by the Plan. Participants may change their investment options at any time.

Withholding Taxes

The Plan is required to withhold 20% of distributions not directly transferred to another qualified plan or IRA account. These funds are then remitted to the Internal Revenue Service.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$99 and \$-0-, respectively. These accounts will be used to reduce future Company contributions or to pay administrative expenses of the Plan in accordance with the plan document. Also, during the year ended December 31, 2021, there were no reduced Company contributions due to forfeitures.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts (FBRICs)). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, the custodian, and the insurance company. See Note 3 for discussion of fair value measurements. FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment income.

Subsequent Events

The Plan has evaluated subsequent events through September 19, 2022, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Kelley Trucking Inc. 401(k) Savings Plan

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Common Investment Trusts: These funds invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trust ("CIT") and the separate accounts are not publicly quoted pricing inputs. The fair value of the mutual funds are publicly quoted pricing inputs. The fair value of these investments are used in determining the net asset value ("NAV") of the CIT, which is not publicly quoted but is available to current investors. The NAV is the basis for current transactions and the CIT can be redeemed at NAV as of the measurement date. Therefore, the investments are deemed to have a "Readily Determinable Fair Value." The NAV is calculated in a manner consistent with GAAP for investment companies and valued similarly to mutual funds.

Pooled Separate Accounts: These accounts invest primarily in domestic stocks where a majority of the securities have observable level 1 quoted pricing inputs. The NAV of the pooled separate accounts ("PSA") are not publicly quoted but is available to current investors. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, the investments are deemed to have a "Readily Determinable Fair Value." The NAV is calculated in a manner consistent with GAAP for investment companies and valued similarly to mutual funds. PSAs can typically be redeemed on a daily basis.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Common Investment Trusts	\$ 826,018	\$ -	\$ -	\$ 826,018
Pooled Separate Accounts	800,485	-	-	800,485
Mutual Funds	10,128,739	-	-	10,128,739
Investment at Fair Value	\$ 11,755,242	\$ -	\$ -	\$ 11,755,242

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Common Investment Trusts	\$ 135,517	\$ -	\$ -	\$ 135,517
Pooled Separate Accounts	1,902,209	-	-	1,902,209
Mutual Funds	7,702,983	-	-	7,702,983
Investments at Fair Value	\$ 9,740,709	\$ -	\$ -	\$ 9,740,709

Note 4: Guaranteed Investment Contract with Insurance Company

The Plan invests in a fully benefit-responsive investment contract ("FBRIC") with Principal Life Insurance Company ("Principal") in the form of a guaranteed investment contract (GIC) that invests in traditional investment contracts. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The GIC is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1.60%. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal including plan termination and other events as specified in the GIC. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring. The GIC does not permit Principal to terminate the agreement prior to the scheduled maturity date.

Note 5: Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company, the custodian of the Plan. This information has not been audited by the Plan's independent auditor.

Note 6: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Principal Trust Company. Principal Trust Company is the asset custodian and record keeper of the Plan and therefore transactions with Principal Trust Company qualify as party-in-interest transactions. The Plan utilizes Futureplan by Ascensus (formerly Goldleaf Partners) as investment advisors and Wipfli LLP as the auditor. For the year ended December 31, 2021, the Plan made direct payments totaling \$76,751 which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Note 8: Tax Status

The Plan has adopted a volume submitter profit sharing plan type effective January 1, 1993. The volume submitter profit sharing plan was amended effective January 1, 2017, and received a favorable advisory letter dated June 30, 2020, from the IRS stating that the form of the volume submitter plan is acceptable under Section 401 of the Internal Revenue Code (IRC) and is therefore exempt from Federal income taxes. The Plan Administrator and Company management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, management believes, that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in-progress.

Note 9: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

<i>As of December 31,</i>	2021	2020
Net Assets Available for Benefits Per the Financial Statements	\$ 14,381,836	\$ 12,187,694
Company Contributions Receivable from Correction	-	(1,418)
Accrued Earnings Receivable from Correction	-	(267)
Net Assets Available for Benefits Per the Form 5500	\$ 14,381,836	\$ 12,186,009

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500:

<i>Year Ended December 31,</i>	2021
Change in Net Assets Available for Benefits per the Financial Statements	\$ 2,194,142
Prior Year Company Contribution Receivable	1,418
Accrued Earnings Receivable	267
Change in Net Assets Available for Benefits per Form 5500	\$ 2,195,827

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to year-end, but not yet paid as of that date.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
