INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Softtek Integration Systems, Inc. 401(k) Plan
Addison, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Softtek Integration Systems, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Softtek Integration Systems, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note P to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Softtek Integration Systems, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Softtek Integration Systems, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Softtek Integration Systems, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Softtek Integration Systems, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Softtek Integration Systems, Inc. 401(k) Plan
Addison, Texas

We were engaged to audit the accompanying statement of net assets available for benefits for Softtek Integration Systems, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note P, which was certified by Minnesota Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SOFTTEK INTEGRATION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Softtek Integration Systems, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Softtek Integration Systems, Inc. (the Company) who are age 21 or older and have received a United States Social Security number. Eligible employees become participants on the first day of the next calendar quarter coinciding with or next following the date on which entry requirements were fulfilled. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Assets of the Plan are allocated to participant accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income is credited to each account based on appreciation of specific assets held in each participant account and any earnings thereon.

Contributions

Contributions to the Plan are made as follows:

Salary Reduction - Pre-Tax 401(K) Contributions - The Plan allows participants to contribute up to the dollar limit that is set by law of their pre-tax compensation to the Plan, subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Salary Reduction - Roth 401(K) Contributions - The Plan allows participants to contribute up to the dollar limit that is set by law of their taxable compensation to the Plan, subject to IRS limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Roth 401(K) deferrals and earnings are generally not subject to federal income taxes when distributed in accordance with IRS guidelines.

Participant Investment Rollovers - The Plan permits participants to transfer or rollover funds into the Plan from other qualified plans.

Employer Matching - The Company may elect to contribute discretionary matching contributions. In 2021 and 2020, the Company's matching contributions were equal to 25% of each participant's contributions not in excess of 3% of eligible compensation. Total employer matching contributions were \$387,989 and \$306,076 for the year ended December 31, 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SOFTTEK INTEGRATION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN – CONTINUED

Payment of Benefits

On termination of service due to death, disability, retirement or severance of employment, a participant with a balance exceeding \$5,000, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period not more than their assumed life expectancy. For participants with balances less than \$5,000, the vested account balance may only be distributed as a single lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as lump sum distribution. Hardship withdrawals are not permitted in the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become vested in the employer contributions and investment earnings according to the number of years of service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Notes Receivable From Participants

The Plan permits all participants to borrow against their account balance. The minimum loan amount is \$1,000. Participants may borrow an amount up to 50% of their vested account balance, up to a maximum of \$50,000. The notes are secured by the balance in the participant's account.

Loan terms may not exceed five years, however, may be for a longer, reasonable period of time if used for the purchase of a primary residence. The interest rate on loans is 4.25% to 6.5%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan with Minnesota Life Insurance Company (the Trustee).

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Softtek Integration Systems, Inc. 401(k) Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (GAAP).

SOFTTEK INTEGRATION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Basis of Accounting - continued

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Administration of the Plan

Although there is no requirement to do so, the Company has paid certain administrative costs of the Plan. In addition, certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

All Plan assets are held and managed by Minnesota Life Insurance Company, who invests cash received, interest and dividend income, and makes distributions to participants.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in funds of pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, these fees are reflected as a reduction of net appreciation (depreciation) in fair value of investments.

The change in net unrealized appreciation (depreciation) of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net investment income (loss) reported in the accompanying statements of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

SOFTTEK INTEGRATION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Excess contributions payable consists of both excess employee and employer contributions. Amounts payable to employees in excess of amounts allowed by IRS and the Plan document are recorded as a liability with a corresponding reduction to employee contributions. Likewise, contributions refundable to the employer are recorded as a liability with a corresponding reduction to employer contributions. There were no excess contributions payable at December 31, 2021. The total excess contribution at December 31, 2020 was \$89,202, which includes \$81,632 due to employees and \$7,570 refundable to the employer.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE C - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020:

Level 2 Fair Value Measurements

Pooled separate accounts are valued at the net asset value (NAV) of the shares held by the plan at year end and are classified in Level 2 of the fair value hierarchy.

December 31, 2021 and 2020

NOTE C - FAIR VALUE MEASUREMENTS - CONTINUED

These funds are considered open-end mutual funds, meaning that the fund is ready to redeem its shares at any time and offers its shares for sale to the public, either through retail outlets or through institutional investors continuously. For institutional funds, NAVs are received daily from fund managers, and the managers stand ready to transact at these quoted amounts. The insurance company custodian transacts in these funds on a daily basis as part of the separate account trading activity.

The calculation of the NAV for funds composed of other funds is essentially the same as the calculation of the NAV for any other fund: The total market value of assets across all underlying funds less any liabilities is divided by the outstanding shares. Again, this resulting NAV is published and/or the fund managers are ready to transact at the quoted prices.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

		Fair Value Measurements at Reporting Date Using:		
		Quoted Price in Active Markets Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
	Fair Value			
2021				
Pooled separate accounts	\$ 12,390,811	\$ -	\$ 12,390,811	\$ -
Total investments at fair value	\$ 12,390,811	\$ -	\$ 12,390,811	\$ -
2020				
Pooled separate accounts	\$ 9,110,034	\$ -	\$ 9,110,034	\$ -
Total investments at fair value	\$ 9,110,034	\$ -	\$ 9,110,034	\$ -

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE D - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a traditional fully benefit-responsive investment contract with Minnesota Life Insurance Company. Minnesota Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

SOFTTEK INTEGRATION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE D - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Minnesota Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$164,163 and \$140,810, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Minnesota Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of material obligation under the contract, or (d) a material misrepresentation. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE E - DEPOSITS WITH INVESTMENT COMPANY

Except for the guaranteed investment contract as described in Note D, all of the Plan's investments are held in collective investments by Minnesota Life Insurance Company. These collective investments are maintained in pooled separate accounts, which consist of numerous mutual fund options, with a range of investment objectives. Returns are based upon the underlying mutual funds and stable value funds in which the assets are invested.

For each participant, the account is credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses charged by the Trustee. The investments are included in the financial statements at fair value, as reported to the Plan by the Trustee.

The method for allocating expenses among participant accounts will be either proportional, based on the value of the account balances, or as an equal dollar amount per account. The particular method of allocation selected depends on the nature of the expense itself.

The plan administrator has received information from the Trustee certifying the fair values and earnings of the investments.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE F - NON-PARTICIPANT DIRECTED INVESTMENTS

There were no non-participant directed investments for the period ended December 31, 2021 and 2020.

NOTE G - FORFEITURES

The Plan provides that forfeited nonvested accounts may be used to reduce the participating employer's current year contributions and pay plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$50,226 and \$28,019, respectively. Administrative expenses paid from forfeitures totaled \$3,795 and \$3,500 for the years ended December 31, 2021 and 2020, respectively. Employer contributions were reduced by nonvested accounts by \$0 and \$38,531 for the years ended December 31, 2021 and 2020, respectively.

NOTE H – BENEFITS PAYABLE TO WITHDRAWING PARTICIPANT

There are no persons who had withdrawn from participation in the earnings and operations of the Plan at December 31, 2021 and 2020, that had not yet been paid.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue any discretionary contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participants' accounts are 100% vested and nonforfeitable.

NOTE J - TAX STATUS

The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan administrator to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE K - CONCENTRATION OF CREDIT RISK

At December 31, 2021 and 2020, all of the investments are with Minnesota Life Insurance Company. The investments are diversified into several investment funds held in pooled separate accounts, plus a guaranteed investment contract. Although neither the market value nor the fund shares are insured in any manner, the investment risk of underlying funds of the pooled separate accounts is felt to be comparable to investments of similar type.

SOFTTEK INTEGRATION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE L - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE M - RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Minnesota Life Insurance Company. Minnesota Life Insurance Company is the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services were \$25,551 and \$14,679 for the years ended December 31, 2021 and 2020, respectively.

NOTE N - RECONCILIATION OF AUDITED FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of audited financial statements to the Form 5500 as of December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per audited financial statements	\$ 12,609,157	\$ 9,167,873
Advance contributions	95,781	91,414
Excess contributions payable	-	89,202
Net assets available for benefits per Form 5500	<u>\$ 12,704,938</u>	<u>\$ 9,348,489</u>
Net increase (decrease) in net assets per audited financial statements	\$ 3,441,284	\$ 2,609,913
Other employer contributions receivable, beginning of year	-	9,097
Other employer contributions receivable, end of year	-	-
Advance contributions, beginning of year	(91,414)	(80,956)
Advance contributions, end of year	95,781	91,414
Excess contributions payable, beginning of year	(89,202)	(88,260)
Excess contributions payable, end of year	-	89,202
Net income per Form 5500	<u>\$ 3,356,449</u>	<u>\$ 2,630,410</u>

At December 31, 2021 and 2020, the Plan sponsor advanced \$95,781 and \$91,414, respectively, to the Plan for contributions related to the subsequent year end. The trustee certified these as investments at December 31, 2021 and 2020, respectively. For financial statement purposes, these have been reported as advance contributions and reduce net assets available for benefits at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE O - PLAN AMENDMENTS

There were regulatory changes affecting the plan in 2020. The Plan has adopted the provisions of these regulatory changes but was not formally amended until July 1, 2021.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 that contained the largest package of retirement reform in over a decade. There are various provisions that require changes to plan administration and recordkeeping.

Due to the Covid-19 pandemic, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act on March 27, 2020. This act included numerous employee benefit plan provisions to assist plan sponsors and participants, including allowing participants to withdraw up to \$100,000 from their retirement account without penalty. In addition, the CARES Act increased the available participant loans to 100% of the participant's balance up to \$100,000, with loan payments delayed up to one year.

NOTE P – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Minnesota Life Insurance Company (the trustee of the Plan).

NOTE Q – SUBSEQUENT EVENTS

The Plan management has evaluated transactions and events occurring through July 27, 2022, the date the financial statements were available to be issued. There were no significant transactions or events subsequent to December 31, 2021 that would require recognition or disclosure in the statements.
