ComAv, LLC 401(k) Profit Sharing Plan
Notes to Financial Statements

1. DESCRIPTION OF PLAN

The following brief description of ComAv, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established January 1, 2008, and most recently amended January 1, 2020, under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of three related companies: ComAv, LLC, ComAv Asset Management, LLC, and ComAv Technical Services, LLC (collectively, the Company). All employees of the Company who have reached the age twenty-one and have completed 1,000 hours in a 12-month period are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute a certain amount of their annual compensation as defined in the Plan through salary deferral payroll deductions. Participants who have attained age 50 before the Plan year-end are also eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or an individual retirement account as rollover contributions. The Company makes safe harbor matching contributions equal to 100% of the first 3% of compensation plus 50% of the next 2% of compensation. For the year ended December 31, 2020, the employer safe harbor matching contributions to the Plan was \$164,674. In addition, the Company at its option, may make discretionary profit sharing contributions. For the year ended December 31, 2020, no profit-sharing contributions were contributed to the Plan.

Participant Accounts

Each participant account is credited with the participant's contribution and Company's safe harbor matching contributions, as well as allocation of the Company's profit sharing contribution and Plan earnings. Participants accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant-Directed Investments

Upon enrollment in the Plan, a participant directs the investment of his or her account balance to the investment funds offered under the John Hancock Life Insurance Company (U.S.A.) (John Hancock) group annuity contract, which has various investment objectives and risks. The contract offers pooled separate accounts which are segregated from other assets of John Hancock as required by law and represent sub-accounts that invest in mutual funds managed by unaffiliated mutual fund companies, mutual funds managed by John Hancock Investment Management Services, LLC and sub-advised by MFC Global Investment Management or unaffiliated third parties, collective investment trusts managed by John Hancock, or exchange traded funds.

1. DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are secured by the balance in the participant's account and bear interest at prime rate of interest plus 2%. At December 31, 2020, the interest rates on the loans range between 5.25% and 7.50%. Principal and interest are paid ratably through bi-weekly and semi-monthly payroll deductions.

Vesting

Participants are immediately vested (100%) in their voluntary contributions and Company safe harbor matching and profit sharing contributions plus actual earnings thereon.

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a participant or the participant's beneficiary will receive a value of the vested account balance in the form of a lump-sum amount. There is an automatic cash-out provision for participants with balances not exceeding \$1,000. The Plan also allows in-service withdrawals under certain conditions.

Plan Termination

The Company has terminated the Plan as of April 6, 2022. The Company has the right to terminate the Plan subject to the provisions of ERISA. The Plan participants became 100% vested in their accounts as of April 6, 2022.

Plan Amendment

Effective January 1, 2020, the Plan was amended to have the Safe Harbor contributions not be trued-up at year end.

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in conformity with generally accepted accounting principles in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ComAv, LLC 401(k) Profit Sharing Plan
Notes to Financial Statements

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Management fees and operating expenses charged to the Plan for investments in the pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

3. FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2020 and 2019, and net appreciation in fair value of investments, interest, dividends and administrative expenses for the year ended December 31, 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, the custodian of the Plan, in accordance with Section 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy with the related inputs to the valuation methodology are described as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access.

Level 2 - Significant other observable (directly or indirectly) inputs, including quoted prices for similar assets in active markets or in inactive markets and other market observable inputs such as interest rate, credit risks, etc.

Level 3 - Significant unobservable inputs, including the Plan's own assumptions in determining the fair value of investments.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2020 and 2019.

Pooled Separate Accounts

The Plan's investment in pooled separate accounts measured at fair value are based on the valuation methodology that pooled separate accounts are valued at the unit net asset value as reported by the insurance company, based on the market value of the underlying investments of the accounts. The net asset value (NAV) is used as a practical expedient to estimate fair value. The pooled separate accounts have no unfunded commitments, have daily redemption frequency and the redemption notice period is daily.

Self-Directed Brokerage Account

Accounts consist of cash and cash equivalents and common stock that are valued on the basis of readily determinable market prices (e.g. daily closing price).

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020 and 2019:

<u>As of December 31, 2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in the fair value hierarchy - Self-directed brokerage account	\$ <u>10,086</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>10,086</u>
Investments measured at NAV (a)- Pooled separate accounts				<u>4,921,704</u>
Total investments, at fair value				<u>\$ 4,931,790</u>

4. FAIR VALUE MEASUREMENTS (Continued)

<u>As of December 31, 2019</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments in the fair value hierarchy - Self-direct brokerage account	\$ <u>12,321</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>12,321</u>
Investments measured at NAV (a)- Pooled separate accounts				<u>4,356,022</u>
Total investments, at fair value				<u>\$ 4,368,343</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The Plan's investments under the John Hancock group annuity contract (summarized with the December 31, 2020 dollar value) reflect the following investment strategies:

Asset Allocation-Target Date (\$1,547,743) - invests in asset mix of stocks, bonds and cash equivalents in its portfolio according to a selected time frame that is appropriate for a particular investor based on a future date such as retirement.

Aggressive Growth (\$476,798) - attempts to achieve the highest capital gains. Investments held in these funds are companies that demonstrate high growth potential, usually accompanied by share price volatility.

Growth (\$1,153,935) - has capital appreciation as its primary goal by investing in companies that are positioned for strong earnings growth potential, and normally invest in more well-established companies.

Growth and Income (\$877,060) - dual strategy of capital appreciation (growth) and current income generation through dividends or interest payments. A growth and income fund may invest only in equities or in a combination of stocks, bonds, and other securities.

Income (\$635,109) - emphasizes current income as opposed to capital appreciation. Such funds usually hold a variety of government, municipal and corporate debt obligations and money market instruments.

Conservative (\$231,059) - seeks to preserve an investment portfolio's value by investing in lower risk securities such as fixed-income and money market securities.

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments include units of pooled separate accounts managed by affiliates of John Hancock and also a self-directed brokerage account. John Hancock is the investment contract issuer and holds the Plan's investments in a group annuity contract. Under this contract there are fees paid to John Hancock related to investment services, including other investment management companies, and also recordkeeping services and third party advisor services which are included in the net appreciation in fair value of the Plan investments. In addition, the Plan sponsor has negotiated a credit from John Hancock to offset certain fees which has been reflected as an offset to administrative expenses and totaled \$2,142 in 2020.

Certain expenses related to participant loans and withdrawals are paid by the participant to John Hancock (\$2,379) and are included in Plan expenses. The Plan paid \$15,843 in administrative expenses to John Hancock related to asset management charges, participant loans, and withdrawals during the year ended December 31, 2020. Additionally, Plan expenses related to fees paid to a third party administrator service provider totaled \$3,050 in 2020.

6. TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements

8. PRIOR PERIOD RESTATEMENT

The accompanying statement of net assets available for benefits as of December 31, 2019, has been restated to correct an error made regarding misclassification of investments held in pooled separate accounts presented as mutual funds which was discovered subsequent to issuance. The effect of the restatement caused a reclass of \$4,356,022 from mutual funds to pooled separate accounts on the statement of net assets available for benefits and in Note 4 Fair Value Measurements. This reclassification had no effect on previously reported changes in net asset available for benefits.

9. SUBSEQUENT EVENTS

On April 6, 2022, the Plan merged with the Principal EASE 401(k) Plan. As a result, net assets of \$5,765,875 were transferred to the control of Principal EASE 401(k) Plan on April 6, 2022. The merger does not impact participant benefits as the benefit provisions were incorporated in Principal EASE 401(k) Plan.

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 21, 2022, which is the date the financial statements were available to be issued.
