## **Independent Auditors' Report**

**The Board of Trustees of  
The Solomon R. Guggenheim Foundation  
403(b) Retirement Plan**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of The Solomon R. Guggenheim Foundation 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to

those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, is presented, in all material respects,

in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by State Street Bank and Trust Company and Transamerica Financial Life Insurance Company Inc., the custodians of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certifications from the custodians as of December 31, 2020, that the information provided to the plan administrator by the custodians is complete and accurate.

### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

**The Solomon R. Guggenheim Foundation  
403(b) Retirement Plan**

Notes to Financial Statements  
December 31, 2021

**1. Description of Plan**

The following description of The Solomon R. Guggenheim Foundation 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description and any amendments for a more complete description of the Plan's provisions.

***General***

Effective January 1, 1990, The Solomon R. Guggenheim Foundation (the "Foundation"), adopted the Plan. The Plan is a defined contribution plan covering all employees, except for excluded employees as noted below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Eligibility***

The Foundation offers the Plan to eligible employees. Eligible employees may make deferred voluntary contributions as soon as they join the Foundation. Eligible employees must complete two years of service (1,000 hours) to qualify for employer contributions.

An employee may not join the Plan (excluded) if they are eligible to participate in another 403(b) annuity contract or custodial account of the employer, eligible to participate in a 401(k) plan of the employer, a non-resident alien or an employee who is a student performing services described in Internal Revenue Code ("IRC") section 3121(b)(10).

Employees who normally work fewer than twenty hours per week are not eligible for employer contributions. In addition, employees in the Plan who are collectively bargained are not eligible for employer contributions unless otherwise noted in the union contract to which the employer is a party.

***Contributions***

Each year, eligible participants may contribute a portion of their annual compensation on a pre-tax or after-tax (Roth) basis subject to a maximum amount that is determined by the Internal Revenue Service ("IRS"). The Plan was amended effective January 1, 2020 to make employer contributions (non-elective employer contributions and matching employer contributions) for eligible employees discretionary for the employer. For 2020, the non-elective employer contribution was 1.5% of eligible compensation and the employer matching contribution was 25% of the first 5% of compensation a participant defers. Both are subject to compensation limits set by the Internal Revenue Service. Before 2020, the Plan provided for a non-elective employer contribution of 3% of eligible compensation and a matching contribution of 50% of the first 5% of eligible compensation contributed to the Plan for eligible employees. The annual employer discretionary contributions, if any, are paid after year end only to participants who are employees on the last day of the Plan Year.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and allocations of (a) the Foundation's contributions and (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. All investments are participant directed, and if no investment election is provided it is directed to a target date fund.

**The Solomon R. Guggenheim Foundation**  
**403(b) Retirement Plan**

Notes to Financial Statements  
December 31, 2021

**1. Description of Plan (*continued*)**

***Vesting***

A participant is 100% vested in his or her accounts including allocated earnings thereon at all times.

***Plan Termination***

Although it has not expressed any intention to do so, the Foundation has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

***Withdrawals***

Upon reaching the age of 59 ½, participants may withdraw all or a portion of their account balance attributable to salary deferral contributions, employer non-elective contributions, and matching contributions. A participant may withdraw all or a portion of rollover contributions at any time. Hardship withdrawals are permitted under certain circumstances.

***Notes Receivable from Participants***

The Plan offers a loan feature whereby a participant ("borrower") enrolled in the Plan may borrow a minimum amount of \$1,000 up to a maximum of 50% of the vested account balance or \$50,000 (whichever is less). Participants may take a loan once in any 12 consecutive-month period, subject to the IRC limits on the total amount that can be borrowed. Participants may only have three outstanding loans at a time. The interest rate is based on the prime rate plus 1%. Loans must be repaid within five years, unless the loan is used to purchase a participant's principal residence or the participant is on authorized leave for military service for a period which extends the maturity date of the loan beyond five years.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared, on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income is recognized when received and disbursements are recognized when made, except for investments which are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP.

**The Solomon R. Guggenheim Foundation**  
**403(b) Retirement Plan**

Notes to Financial Statements  
December 31, 2021

**2. Summary of Significant Accounting Policies (continued)**

***Use of Estimates***

The preparation of financial statements requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2021 and 2020, all of the Plan's investments, that were valued at fair value, were valued using level 1 inputs.

***Investment Valuation and Income Recognition***

All of the Plan's investments are stated at fair value except for the guaranteed investment contracts, which are valued at contract value since they are fully benefit-responsive. The guaranteed investment contracts are valued by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price and are deemed to be actively traded. Personal choice retirement accounts are considered to be self-directed accounts and are valued based on the account's underlying investments held as of the end of the plan year. The personal choice retirement accounts consist of: mutual funds and money market funds.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Payment of Benefits***

Benefits are recorded when paid.

**The Solomon R. Guggenheim Foundation**  
**403(b) Retirement Plan**

Notes to Financial Statements

**2. Summary of Significant Accounting Policies (*continued*)**

***Expenses***

The costs of administering the Plan may be shared between employees and the Foundation. In addition, some costs of administering the Plan may be paid from Plan assets. Any Plan administrative fees that are actually deducted from participant's accounts will be disclosed on quarterly Plan statements. Any Plan administrative fees are in addition to any expenses of the underlying investment options available under the Plan. In addition, a Plan service credit may be added to a participant's account. If applicable, the Plan service credit will lower the effective annual expense ratios of the investment fund(s) for which a Plan service credit applies. Any Plan service credit will be disclosed on a participant's quarterly Plan benefit statement.

Investment related expenses are included in net appreciation in fair value of investments.

***ERISA Spending Account***

The Plan and Transamerica Retirement Solutions, LLC ("TRS") have entered into an arrangement whereby a portion of the revenue earned by TRS from certain funds is passed through to the Plan for payment of permitted plan expenses or allocation to participants. In order for the Plan to receive credits as a result of this revenue sharing arrangement, and to use this credit to pay plan expenses, the Foundation created the ERISA Spending Account. The ERISA Spending Account is an account within the Plan, similar in design to forfeiture accounts, and is used to record keep the redistribution of plan-generated fund revenue that exceeds the costs associated with plan administration. The ERISA Spending Account balance was \$95,285 and \$68,944 at December 31, 2021 and 2020. During 2021, \$66,258 of Plan expenses were reduced by the ERISA Spending Account.

***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 30, 2022.

**3. Information Certified (Unaudited)**

**5. Investments at Contract Value**

***Guaranteed Investment Contracts***

The Plan invests in the Transamerica Guaranteed Investment Option ("GIO"), which is provided under a group annuity contract issued by TFLIC. The GIO is part of the general assets of TFLIC. Participant-elected withdrawals are generally paid at contract value. The GIO is fully benefit-responsive and, therefore, is stated at contract value on the statements of net assets available for benefits. A participant may elect to withdraw all or a portion of their balance in the GIO at contract value without a market value adjustment or surrender charge for any of the following reasons: disability, death, retirement or severance from employment, hardship, compliance with a qualified domestic relations order, attainment of at least age 59 ½, in-service withdrawals from the Plan, loans, transfer to a non-competing fund subject to a 90 day equity wash, and the purchase of an annuity from TFLIC.

The guaranteed investment option contract ("GIC") between TFLIC and the Foundation is provided under a group annuity contract issued by TFLIC. The GIC is part of the general assets of TFLIC. Participant elected withdrawals are generally paid at contract value.

The GIO and GIC are fully benefit-responsive and, therefore, are stated at contract value on the statements of net assets available for benefits.

The credit risk of the issuer was evaluated by nationally recognized statistical rating agencies as follows: Moody's Investor Service (A1 as of April 2022), Standard and Poor's (A+ as of March 2021), and A.M. Best Company (A as of October 2021).

Notes to Financial Statements  
December 31, 2021

**6. Tax Status**

On March 31, 2017, the Internal Revenue Service ("IRS") issued an opinion letter to the prototype document preparer indicating that the Plan, as then designed, qualifies under Section 403(b) of the IRC. The Plan has been amended since receiving the opinion letter. However the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

**7. Party-In-Interest Transactions**

Certain investments are managed by TFLIC. TFLIC is a custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statement of net assets available for benefits.

**8. Risks and Uncertainties**

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
