Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Alonti 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions and maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

September 1, 2022
Alonti 401(k) Plan

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALONTI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1 - Plan Description

The following description of the Alonti 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the plan document for more detailed information.

General

The Plan is a defined contribution plan which was established on April 1, 2017 for eligible employees of Pepi Corporation (the Company) and related employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Company serves as the plan administrator.

Massachusetts Mutual Life Insurance Company (MassMutual) is the asset custodian. On December 31, 2020 MassMutual was purchased by Empower Retirement (Empower) and began a transition period which ended on June 17, 2022.

Eligibility

The Plan is provided for all eligible employees of the Company. Except for nonresident aliens and employees covered by a collective bargaining agreement, all other employees become eligible to participate in the Plan on the first day of the quarter on which the employee completes one year of service.

Contributions

Employee pre-tax and Roth contributions are made to the Plan by electing to contribute a portion of the employee's eligible compensation, as defined, subject to the maximum limits allowed by law. Eligible employees who have attained age 50 before the close of the plan year are eligible to make catch-up contributions subject to the limitations of the Internal Revenue Code (IRC).

The Company makes safe harbor matching contributions equal to 100% of each participant's contributions up to 3% of eligible compensation, as defined, plus 50% of each participant's contribution that exceeds 3% but does not exceed 5% of the participant's eligible compensation.

Vesting and Forfeitures

Participants are always fully vested in their contributions and the Company's safe harbor matching contributions, and actual earnings thereon.

Forfeitures can be used to offset Company contributions. For the year ended December 31, 2021 and 2020, there was \$142 and \$140 of available forfeitures, respectively. For the year ended December 31, 2021 and 2020, no forfeitures were utilized to offset the Company's safe harbor contributions.

See independent auditor's report.

ALONTI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Participant Accounts

Separate accounts are maintained for each participant. Upon enrollment in the Plan, participants may direct the investment of their accounts into various investment options offered by the Plan. Participants may change their investment options daily. Under the Plan, earnings and losses are allocated to the participants' accounts daily based on their respective balances in the investments.

Benefit Payments

Distributions may be made to participants or their beneficiaries upon termination of employment, disability or death. The distribution may be made as a lump-sum payment, partial withdrawal, or transferred directly to an Individual Retirement Account (IRA) or another qualified employer-sponsored plan. Under certain circumstances, plan participants may withdraw the value of their account while still employed for reasons of financial hardship or upon the attainment of age 59½. Upon termination, participants with an account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan. For participants who terminate with an account balance of more than \$1,000 but less than \$5,000, the plan administrator shall make a direct rollover into an individual retirement account. Upon withdrawal from the Plan or termination of employment, participants may be subject to federal income taxes on contributions and income earned.

Notes Receivable from Participants

Loans to participants are not permitted by the Plan.

Note 2 – Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

ALONTI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in fully benefit-responsive investment contracts. See Note 5.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes realized gains or losses on investments sold during the year as well as the unrealized gains or losses on the investments held at the end of the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses incurred in connection with the operation of the Plan are paid by the Plan, unless paid by the Company, at its discretion.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investment in various investment securities. Investment securities, in general, are exposed to certain risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the financial statements.

Subsequent Events

Management of the Plan evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through September 1, 2022, which is the date the financial statements were available to be issued.

ALONTI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Note 3 - Information Certified by the Asset Custodian

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Great-West Life & Annuity Insurance Company, an affiliate of Empower on behalf of MassMutual, as of December 31, 2021 and from MassMutual as of December 31, 2020, that all the information provided is complete and accurate. Information included in the financial statements and accompanying notes to the financial statements as to investments, net appreciation in the fair value of investments, interest income, and all the related information in the supplemental schedule of assets (held at end of year), is presented in reliance solely upon this certification. The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements, the accompanying notes and the supplemental schedule.

Note 4 - Fair Value Measurements

GAAP provides a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

See independent auditor's report.

ALONTI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodology used at December 31, 2021 and 2020.

Pooled Separate Accounts: These investments are valued at their net asset value (NAV) as reported by the issuer based on quoted market prices of the underlying investments, when available, net of certain expenses. The NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The pooled separate accounts are measured using NAV as the practical expedient and have been excluded from the fair value hierarchy in accordance with GAAP. The following provides additional information for the pooled separate accounts as of December 31, 2021 and 2020. The 90 day redemption notice period described in the table below applies only to transactions at the Plan level, and not to participant directed transactions.

Investment Class	Fair Value December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
Asset allocation (a)	\$ 1,656,162	\$ 1,472,440	None	Daily	Up to 90 days
Large-cap (b)	653,811	503,123	None	Daily	Up to 90 days
Mid-cap (c)	59,443	39,461	None	Daily	Up to 90 days
Small-cap (d)	42,360	27,892	None	Daily	Up to 90 days
International (e)	21,879	30,418	None	Daily	Up to 90 days
Bond (f)	12,717	9,090	None	Daily	Up to 90 days
Specialty (g)	1,640	-	None	Daily	Up to 90 days
	<u>\$ 2,448,012</u>	<u>\$ 2,082,424</u>			

- (a) The strategy of the asset allocation funds is to achieve as high of a total return on an annual basis as is considered consistent with prudent investment risk and the preservation of capital by investing in a combination of mutual funds, stocks, and bonds using an asset allocation strategy designed for investors expecting to retire around a specific target date.
- (b) The strategy of the large-cap funds is to seek long-term growth of capital by investing primarily in equity securities and is generally less risk than the mid-cap or small-cap funds.
- (c) The strategy of the mid-cap funds is to seek long-term capital appreciation with potential for greater long-term growth and risk than the large-cap funds.
- (d) The strategy of the small-cap funds is to seek long-term capital appreciation while providing greater long-term growth and risk than the large-cap or mid-cap funds.
- (e) The strategy of the international funds is to provide investors with potential long-term growth of capital while diversifying their portfolios with a spread of security types.
- (f) The strategy of the bond funds is to provide returns and current income, while still considering the growth of capital.
- (g) The strategy of the specialty funds is to seek long-term capital appreciation and current income while investing at least 80% of its net assets in equity securities of real estate investment trusts (REITs), real estate companies, and other types of securities.

See independent auditor's report.

ALONTI 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Note 5 - Investment Contracts with Insurance Company

The MassMutual Fixed Account and MassMutual Lifetime Fund are fully benefit-responsive investment contracts between MassMutual and the Plan.

As described in Note 2, these investments are fully benefit-responsive investment contracts that are reported at contract value. These values represent deposits made under the contracts, plus earnings at guaranteed crediting rates, less participant withdrawals and fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer and may not be less than 1.00%. Such interest rates are reviewed on an annual basis for resetting.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 60 days or, in rare circumstances, contract value paid over time.

Note 6 - Federal Income Tax

The Plan adopted a pre-approved defined contribution plan, which received an opinion letter from the Internal Revenue Service (IRS) dated November 30, 2020, stating that the pre-approved plan was in compliance with the applicable requirements of the IRC. The pre-approved plan has since been amended; however, the plan administrator, through its adoption of the pre-approved plan, believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 8 - Party-in-Interest Transactions

The Plan engages in investment transactions with funds issued by MassMutual, the asset custodian. These transactions qualify as party-in-interest transactions and are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC.
