## INDEPENDENT AUDITORS' REPORT

To the Participants and  
Plan Administrator of  
AMAX Profit Sharing 401(k) Plan  
Fremont, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of AMAX Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - 2021 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held for Investment at Year End is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**AMAX PROFIT SHARING 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES**

The following description of the AMAX Engineering Corporation (the Plan Sponsor) (the Company) Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan that was established in 1985 by the Company to provide benefits to eligible employees of the Company. The Plan covers all employees who have a minimum of 6 months of service and are age 18 or older.

The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration - The Plan Sponsor is the plan administrator. The Plan's assets were managed by Transamerica Life Insurance Company (Transamerica), the custodian of the Plan. The custodian, appointed by the Plan Sponsor, executes investment transactions and holds Plan investment assets. The plan administrator reviews the performance of the various available investments and makes decisions on the addition or deletion of an investment fund.

Valuation of Investments - Investments in mutual funds are stated at fair value. The investment in a fully-benefit-responsive investment contract is valued at contract value. Participant loans are valued at cost, which approximates fair value. Purchases and sales of investments are recorded on a trade-date basis. Net change in fair value of investments consists of the change in unrealized appreciation or depreciation during the year and the realized gain or loss of sold investments during the year. Acquisition costs are included in the cost of investments and sales are recorded net of selling expenses.

Forfeited Accounts - Under the terms of the Plan, forfeited nonvested accounts will be used for restoration of participant accounts, offset Plan expenses and reduce employer's contributions to the Plan, in the order listed. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$841 and \$35,484, respectively. For the year ended December 31, 2021, \$39,758 of forfeitures were used to pay employer contributions and \$3,433 of forfeitures were used to pay plan expenses.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for various investment options. These securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Further, due to the level of risk associated with these securities and the level of uncertainty related to changes in the value of securities, it is possible that changes in the various risk factors in the near term would materially affect the participants' account balances and the amounts reported in the accompanying financial statements.

**AMAX PROFIT SHARING 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Administrative Expenses - The Plan permits the payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. However, substantially all administrative expenses of the Plan are paid by the Plan Sponsor. Expenses relating to specific participant transactions such as loan setup, distribution request are paid by the requesting participant.

Subsequent Events - Subsequent events were evaluated through September 26, 2022, the date the financial statements were available to be issued.

**NOTE 2 - PARTICIPATION AND BENEFITS**

Participant Accounts - Each participant account is credited with the participant's contribution, plan earnings or losses and an allocation of the Company's contribution. Allocation of the Company's contribution is based on participant contributions and compensation, as defined in the Plan.

Participant Contributions - Participants may elect to contribute a percentage of their eligible compensation up to the amount allowable under current income tax regulations to both pre-tax 401(k) and Roth 401(k) accounts. Contributions withheld are invested in accordance with the participant's direction.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer Contributions - The Company is allowed to make matching contributions as defined in the Plan and as approved by the Board of Directors. The Company makes a matching contribution to eligible participants in an amount equal to 25% of their elective deferrals, up to a maximum of 10% of participant gross compensation. The Company's actual contribution may be reduced by certain available forfeitures, if any, during the Plan year. The Plan also allows for discretionary profit sharing contributions. For the year ended December 31, 2021, the Company made matching contributions of \$98,325, net of forfeitures.

Vesting - Participants are immediately vested in their salary deferral, rollover contributions and related earnings. Participants vest ratably and are fully vested in the employer's profit sharing and matching contributions allocated to their account after five years of credited service.

Payment of Benefits - In the case of normal retirement (age 65), termination, disability, or death, a participant or their beneficiary in the event of death, may elect to receive a lump-sum amount, equal installments, or partial withdrawals to the value of the participant's vested interest in their account. Additionally, participants may take in-service distributions upon reaching age 59 ½ or due to hardship from fully vested accounts.

**AMAX PROFIT SHARING 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 2 - PARTICIPATION AND BENEFITS (Continued)**

Notes Receivable from Participants - The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the participant's vested balance. Such notes bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless the note is used for the purchase of a residence in which case the maximum repayment period is established by the Plan administrator. The specific terms and conditions of such loans are established by the Plan administrator.

**NOTE 3 - CERTIFIED INFORMATION AND PLAN INVESTMENTS**

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information certified by Transamerica regarding the current value of assets held as of December 31, 2021 and 2020 and transactions entered into during 2021 were used in the preparation of the accompanying financial statements and supplemental schedule. The following table summarizes the assets certified by Transamerica.

|                                                                | <u>2021</u>          | <u>2020</u>          |

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 3 - CERTIFIED INFORMATION AND PLAN INVESTMENTS (Continued)**

In addition, Transamerica certified the following amounts for the year ended December 31, 2021:

|                                                          |                            |
|----------------------------------------------------------|----------------------------|
| Interest and dividends                                   | \$ 277,789                 |
| Interest from notes receivable from participants         | 1,664                      |
| Income from fully benefit-responsive investment contract | 86,237                     |
| Net change in fair value of investments                  | <u>1,591,273</u>           |
|                                                          | <u><u>\$ 1,956,963</u></u> |

**NOTE 4 - TAX STATUS**

The Plan adopted a volume submitter defined contribution plan with a cash or deferral arrangement which has received a favorable opinion letter from the Internal Revenue Service (IRS), which states that the Plan is designed in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The Plan's tax filings are subject to audit by various taxing authorities.

**NOTE 5 - PLAN TERMINATION AND MODIFICATION**

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provision of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

**NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Transamerica, the custodian of the Plan. Any purchases and sales of these funds are performed in the open market at fair value or contract value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

**AMAX PROFIT SHARING 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021 AND 2020**

**NOTE 7 - FAIR VALUE MEASUREMENTS**

Generally accepted accounting principles establish a hierarchy to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). Observable inputs are those that market participants would use in pricing the assets based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 – Values are unadjusted quoted prices for identical assets or liabilities in active markets accessible at the measurement date.

Level 2 – Inputs included in quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3 – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Plan's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

*Mutual funds:* Valued at the net asset value (NAV) of shares held by the plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**AMAX PROFIT SHARING 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 7 - FAIR VALUE MEASUREMENTS (Continued)**

In accordance with generally accepted accounting principles, the following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2021.

**NOTE 8 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan's investment in the Transamerica Stable Value Focus Option is fully benefit-responsive. The fully benefit-responsive investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the Transamerica Stable Value Focus Option is fully benefit-responsive, contract value is the relevant measurement and presented on the face of the statement of net assets available for benefits. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

**NOTE 9 - UNCERTAINTIES**

The COVID-19 outbreak is disrupting a range of industries and has resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments relating to the effects of the pandemic have been recorded in the accompanying financial statements.
