Hickory Foods, Inc. 401(k) Plan & Trust

Independent Auditor's Report

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Hickory Foods, Inc. 401(k) Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (continued)

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (continued)

**Other Matter**

*2021 Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule of Assets (Held at End of Year) for the period ending December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (continued)

*Auditor's Report of the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and the content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTES TO FINANCIAL STATEMENTS

### **Note 1. Description of Plan**

The following description of the Hickory Foods, Inc. ("Company") 401(k) Plan & Trust ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### **General:**

The Plan is a defined contribution plan covering all active employees of the Company who have six months of service and are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions:**

Participants may elect to make salary deferral contributions to the Plan in an amount up to 100% of their salary with a total amount not to exceed \$19,500 for the year ended December 31, 2021. Eligible participants age 50 may also elect to defer additional catch-up contributions. The maximum catch-up contribution for 2021 was \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a guaranteed investment contract as investment options for participants. Each year, the Company contributes an elective contribution as defined in the Plan document. For 2021, the Company matched 100% of the participant's elective deferral up to \$1,560.

#### **Participants Accounts:**

Each participant's account is credited with the participant's contribution and Company's elective contribution and allocations of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting:**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

| <u>Years of Service</u> | <u>Non-forfeitable Percentage</u> |
|-------------------------|-----------------------------------|
| 1 year or less          | 0%                                |
| 2 years                 | 20%                               |
| 3 years                 | 40%                               |

## NOTES TO FINANCIAL STATEMENTS

### **Note 1. (Continued)**

#### **Payment of Benefits:**

On termination of service, a participant (or beneficiary) may elect to receive a lump-sum amount equal to the value of the participant's account, periodic payments over a period not to exceed the life expectancy of the participant or his beneficiary, or in partial withdrawals. In-service distributions, as provided by the Plan, may be made after the participant has reached the age of 59.5 years, up to the amount of the vested balance, with a minimum requirement of \$500.

#### **Forfeitures:**

Forfeitures of non-vested company contributions may be used by the Plan as payment of Plan expenses. Any remaining forfeitures will be added to any employer discretionary matching contributions. At December 31, 2021 forfeited non-vested amounts totaled \$12,284. The Employer's contributions were reduced by \$12,507 for the year ending December 31, 2021.

#### **Notes Receivable from Participants:**

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested interest in the Plan, whichever is less. The loans are secured by the balance in the participant's account and bear reasonable interest rates. The interest rate is set at inception based on the prime lending rate as published in the Wall Street Journal on the 14th day of each month plus one percent. The rate of interest on the loan will be fixed and will not change for the duration of the loan repayment period, except as otherwise required by law. The terms for repayment may not be greater than five years.

### **Note 2. Summary of Significant Accounting Policies**

#### **Basis of Accounting:**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Estimates:**

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### **Investment Valuation and Income Recognition:**

The Plan's investments are reported at fair value (except for fully benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company.

## NOTES TO FINANCIAL STATEMENTS

### **Note 2. (Continued)**

#### **Notes Receivable From Participants:**

Notes receivable from participants are measured at their unpaid principal balance plus and accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

#### **Payment of Benefits:**

Benefits are recorded when paid.

#### **Operating Expenses:**

Plan expenses are partially paid by the Company and allocated ratably to the participant's accounts.

#### **Subsequent Events:**

In preparing these financial statements, the Plan has evaluated events and transactions for possible recognition or disclosure through August 30, 2022, the date the financial statements were available to be issued.

### **Note 3. Fair Value Measurements**

The Plan applies generally accepted accounting principles for fair value measurements of financial assets and liabilities. These accounting principles define fair value and establish a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques. The three levels of inputs used to measure fair value are as follows:

- Level 1 - Values measured using quoted prices in active markets for identical investments.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

## NOTES TO FINANCIAL STATEMENTS

### **Note 3. (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

### **Note 4. Investments**

During 2021, the Plan's investments, including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by \$466,346.

### **Note 5. Investment Contract With Insurance Company**

The Plan has a benefit-responsive investment contract with Reliance Trust for the years ended December 31, 2021 and 2020, respectively. The Plan maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Reliance Trust for the years ended December 31, 2021 and 2020, respectively, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

## NOTES TO FINANCIAL STATEMENTS

### **Note 5. (Continued)**

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2021 and 2020 was \$458,578 and \$503,236, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, and does not have a minimum limit. Such interest rates are reviewed on a quarterly basis for resetting.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

### **Note 6. Related Party Transactions**

Certain Plan investments are shares of funds managed by ADP for the year ended December 31, 2021, therefore certain transactions qualified as party-in-interest transactions. Fees paid by the Plan for the investment management services provided by ADP amounted to \$9,458 for the year ended December 31, 2021.

### **Note 7. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **Note 8. Tax Status**

The Internal Revenue Service has determined and informed the Plan by a letter dated July 16, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### **Note 9. Information Prepared and Certified by the Custodian**

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust, the Plan's Custodian for the years ended December 31, 2021 and 2020, respectively.
