Independent Auditor's Report

Retirement Committee
Chicago Mercantile Exchange Inc.
401(k) Savings Plan
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Chicago Mercantile Exchange Inc. 401(k) Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material

respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Chicago Mercantile Exchange Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chicago Mercantile Exchange Inc. 401(k) Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chicago Mercantile Exchange Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chicago Mercantile Exchange Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to

or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Chicago Mercantile Exchange Inc. 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

401(k) Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1: Description of Plan

The following description of the Chicago Mercantile Exchange Inc. 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the plan document, provided to all participants upon request, for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering employees of Chicago Mercantile Exchange, Inc. and its subsidiaries (Company) who are not: (1) covered by a collective bargaining agreement, (2) leased employees or (3) employees located outside the United States. All eligible individuals, other than those classified as student interns as well as on limited assignment, are eligible to become members in the Plan on the date they become an employee. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended by subsequent legislation.

The general administration of the Plan and the responsibility of carrying out the provisions of the Plan are held by the Retirement Committee of not less than three persons appointed by the Compensation Committee of the Company.

Plan Merger

On January 1, 2020, the NEX 401(k) Savings Plan was merged with the Plan. On January 2, 2020, all of the assets of the NEX 401(k) Savings Plan in the amount of \$139,185,925, including \$915,311 of notes receivable from participants, were transferred into the Plan.

Contributions

Participants may contribute up to 55% of eligible annual compensation, as defined by the Plan, subject to maximum amounts established by the Internal Revenue Code (Code), pursuant to Section 401(k) of the Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Effective January 1, 2006, employees hired and meeting eligibility requirements of the Plan who fail to take any affirmation actions to the contrary are deemed to have made an automatic salary reduction election equal to 3%. Contributions are deposited into the designated default investment option.

The Company makes matching contributions on behalf of each participant equal to 100% of the participant's first 3% of eligible annual compensation contributed to the Plan.

Additional amounts may be contributed at the discretion of the Company. Employees do not have to contribute to the Plan to receive an allocation of any discretionary contribution. Generally,

Chicago Mercantile Exchange Inc.

employees must be employed on the last day of the year to be eligible for such contribution. The participant's share of this discretionary contribution is allocated in the same proportion that the participant's compensation bears to the total compensation of all eligible employees for the plan year. The Company did not make any discretionary contributions for the 2021 and 2020 plan years.

Participant Accounts and Forfeitures

Each participant's account is credited with the participant's contributions, the Company's contributions, an allocation of the Plan's earnings or losses and administrative expenses. Allocations of earnings are based on participant account balances in respective investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions. Forfeitures of \$820,733 and \$949,122 were used to reduce the Company's contributions for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, \$150,842 and \$178,007, respectively, were available for future use.

Vesting

Participants are immediately vested in their contributions and employer's discretionary contributions, plus actual earnings thereon. Employer-matching contributions vest 20% after two years of service, 40% after three years of service, 60% after four years of service and 100% after five years of service. Notwithstanding the above, a participant becomes fully vested in all contributions upon reaching the age of 65, disability or death.

Notes Receivable From Participants

Participants may borrow, subject to certain limitations, up to 50% of their vested balance. The loans bear interest and are payable up to 5 years for general purpose loans and up to 30 years for home loans. Payments of principal and interest are made by payroll deductions or in a manner agreed to by the participant and the Retirement Committee in substantially equal amounts, but not less frequently than quarterly, as is sufficient to amortize the loan over the repayment period. The loans are secured by the balance in the participants' account and bear interest at a rate which is comparable to the rate a bank would charge on a similar loan. The interest rates ranged from 4.25% to 6.50% at December 31, 2021.

Investment Options

Participants may direct their contributions and related Company contributions among one or more investment options offered by the Plan. Changes in allocations of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions. The Plan also has various custom strategy options that allow participants to invest different

percentages, based on risk tolerance, in the Plan's underlying core investments. These options are reported at the underlying investment in the accompanying financial statements. The Plan's investments are held by Fidelity Management Trust Company (trustee).

Benefit Payments

In the event of retirement, termination of service, death or disability, participants or their beneficiaries may receive a lump-sum payment equal to the vested value of their account. Participants may obtain withdrawals of any portion of their participant contributions after attaining the age of 59½ or for certain financial hardship situations, as defined in the plan document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants shall immediately be fully vested and distributed to the participants.

Note 2: Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The Plan's investments in shares of registered investment companies are valued at quoted market prices. The money market funds are valued at cost, which approximates fair value.

The common or collective trust fund is valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. There are no participant redemption restrictions for these investments and participant redemptions are allowed daily. A redemption notice period is applicable only at the plan level. There are no unfunded commitments at December 31, 2021 and 2020.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

In April 2020, the Company implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD had the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Administrative Expenses

All costs of administering the Plan that are not paid by the Plan are borne by the Company.

Revenue Sharing

The Plan recognizes income from revenue sharing agreements when received. Amounts received are utilized to pay qualified plan expenses. Revenue sharing activity for the years ended December 31, 2021 and 2020, is as follows:

Revenue sharing account balance, January 1, 2020	\$ 72,159
Revenue sharing	207,372
Utilized for qualified plan expenses	<u>(159,959)</u>
Balance, December 31, 2020	119,572
Revenue sharing	195,849
Utilized for qualified plan expenses	<u>(210,890)</u>
Balance, December 31, 2021	<u><u>\$ 104,531</u></u>

Notes Receivable From Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions.

In March 2020, the Company adopted the CARES Act provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over the remaining period of the loans, plus the suspension period.

Reclassifications

Certain reclassifications have been made to the 2020 financial statements to conform to the 2021 financial statement presentation. These reclassifications had no effect on changes in net assets available for benefits.

Note 3: Information Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- Investment information and notes receivable from participants included in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Following is a description of the valuation methodologies used for assets measured at fair value.

The money market funds are valued at cost, which approximates fair value (Level 2).

Registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- (A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5: Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated January 5, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt as of the financial statement dates.

Note 6: Risks and Uncertainties

The Plan provides for investments that, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 7: Exempt Party-in-Interest Transactions

Certain plan investments are shares of registered investment companies or units of common or collective trusts and money market funds managed by the trustee. These transactions qualify as exempt party-in-interest transactions. The Company provides certain administrative services at no cost to the Plan. Fees paid by the Plan for professional services rendered by parties-in-interest during 2021 and 2020 were \$625,336 and \$454,730, respectively, before the effect of revenue sharing amounts of \$195,849 and \$207,372, respectively.

Note 8: Subsequent Events

Subsequent events have been evaluated through August 12, 2022, which is the date the financial statements were available to be issued.
