INDEPENDENT AUDITOR'S REPORT

To The Plan Administrator
Chief Container Co., Inc. 401(k) Plan
100 Hopson Road
Acworth, Georgia 30102

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Chief Container Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Chief Container Co., Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chief Container Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chief Container Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chief Container Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chief Container Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Chief Container Co., Inc. 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated July 27, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Yours truly,

Chief Container Co., Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and December 31, 2020

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Chief Container Co., Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have completed one year of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). For the year ended December 31, 2020 and for the period January 1, 2021 to October 14, 2021, Empower Retirement/MassMutual was the Trustee of the Plan. On October 15, 2021 the investment balances were transferred to Fidelity Management Trust Company. Fidelity Management Trust Company serves as the Plan's trustee and third-party administrator.

Contributions. Each year, participants may elect to defer a portion of compensation, as defined in the Plan, up to the maximum amount determined by current laws and regulations. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. The Company makes a matching contribution equal to 50% of salary deferrals that do not exceed 7% of compensation. Contributions are subject to certain annual limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The accounts are participant directed.

Vesting. Participants are immediately vested in their contributions. A participant is 100% vested in the Employer matching contribution plus actual earnings thereon after six years of credited service.

Notes Receivable from Participants. Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years. The Administrator may permit a longer repayment period if the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is set by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at the unpaid principal balance plus accrued interest. Participant loans outstanding totaled \$166,076 at December 31, 2021 and \$221,892 at December 31, 2020 and are presented in the statements of net assets available for benefits as notes receivable from participants.

Payment of Benefits. On termination of service due to death, disability, retirement, or termination of service due to other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeitures. Participants who leave the Plan may forfeit certain amounts. Forfeitures are used by the plan to reduce future employer contributions. The Company utilized \$20,159 in forfeitures to reduce the employer match for the year ended December 31, 2021. Unapplied forfeitures totaled \$9,507 and \$8,405 at December 31, 2021 and 2020, respectively.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value with the exception of the fully benefit-responsive investment contract, which is carried at contract value. As of December 31, 2021, the Plan holds investments in mutual funds and a guaranteed investment contract. For the year ended December 31, 2020 and for the period January 1, 2021 to October 14, 2021 the plan's assets were held in pooled separate accounts with underlying mutual fund investments. Pooled separate accounts are measured by the unit value (similar to mutual fund NAV calculation), which is based on the observable net asset value of the underlying investment for the mutual fund investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefits are recorded when paid

Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

New Accounting Pronouncements. The Plan has adopted Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA, as amended which prescribes certain new performance requirements for an audit of financial statements of employee benefit plans subject to the Employee Retirement Income Security Act of 1974 and changes the form and content of the related auditor's report. The new reporting standard is effective for periods ending on or after December 15, 2021.

Subsequent Events. The plan has evaluated subsequent events through September 6, 2022, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Chief Container Co., Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and December 31, 2020

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Refer to Note B for the valuation methods used to fair value Plan Assets.

The following table provides information by level for assets that are measured at fair value on a recurring basis as of December 31, 2021 and 2020:

	<u>Fair Value Measurements Using Inputs Considered as</u>			
	<u>Fair Value</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
<u>December 31, 2021</u>				
Mutual Funds	<u>\$ 13,544,878</u>	<u>\$ 13,544,878</u>		
<u>December 31, 2020</u>				
Pooled Separate Accounts (a)	<u>\$ 8,724,004</u>			

(a) In accordance with Subtopic 820-10 certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The Plan Sponsor transferred the assets from Empower Retirement/MassMutual to Fidelity Management Trust Company on October 15, 2021. For the year ended December 31, 2020 and for the period January 1, 2021 to October 14, 2021, the assets were held in Pooled Separate Accounts and recorded at the NAV (or its equivalent). The NAV reported by the underlying fund approximates the fair value of the investment. These investments were redeemable with the fund at NAV. Plan participant transactions of investments or withdrawals occurred on a daily basis and there were no redemption restrictions on these funds.

NOTE D – INVESTMENTS REPORTED AT CONTRACT VALUE

For the period October 15, 2021 to December 31, 2021 the Plan invested in a group annuity contract. Principal and interest are guaranteed by Standard Insurance Company. The Fund seeks the preservation of capital plus competitive intermediate-term returns. The declared crediting rate will never be below 1%. The fund is backed by a diversified portfolio of fixed-income assets held in the general account of the issuer. Guarantees are subject to the claims paying ability of the issuer. Restrictions or fees may apply to exchanges or withdrawals. The Contracts provide for the payment of certain withdrawals and exchanges at book value during the terms of the Contracts. In order to maintain the Contract issuers' promise to pay such withdrawals and exchanges at book value, the Contracts subject the fund and its

Chief Container Co., Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and December 31, 2020

participants to certain restrictions. For example, withdrawals prompted by certain events (e.g., layoffs, early retirement windows, spin-offs, sale of a division, facility closings, plan terminations, partial plan terminations, changes in laws or regulations) may be paid at the market value of the fund's securities, which may be less than the book value balance or may restrict withdrawals in these events.

For the year ended December 31, 2020 and for the period January 1, 2021 to October 14, 2021, the plan invested in a fully benefit-responsive guaranteed investment contract provided through a group funding arrangement with MassMutual Life insurance Company. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The actual average yield earned by the Plan for the benefit responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average yield for 2021 was 3.0% and the average yield for 2020 was 3.61%, respectively.

NOTE E – PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan and any person who provides services to the Plan. For the period October 15, 2021 to December 31, 2021, certain plan investments are managed by Fidelity Management Trust Company who is also the record-keeper of the Plan. For the period January 1, 2020 to October 14, 2021, certain plan investments are shares of pooled separate accounts and a guaranteed investment contract managed by MassMutual Life Insurance Company. Some participants also have loans in the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE F – INFORMATION CERTIFIED

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act 1974. The Plan Sponsor has obtained certifications from Fidelity Management Trust Company, the Trustee, for the period October 15, 2021 through December 31, 2021 and Empower Retirement/MassMutual Life Insurance Company, the Trustee for the period January 1, 2021 to October 14, 2021 and for the year ended December 31, 2020, that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate in accordance with DOL regulations.

	<u>2021</u>	<u>2020</u>
Investments	\$ 14,246,277	\$ 12,361,207
Notes Receivable from Participants	\$ 166,076	\$ 221,892
Investment Income, Net	\$ 1,318,572	
Interest Income on Participant Loans	\$ 10,604	

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE H – TAX STATUS

On September 7, 2021 the Plan was amended and restated by adopting a volume submitter 401(K)/Profit Sharing Plan through Fidelity Management Trust Company. The volume submitter plan has received a favorable opinion letter dated June 30, 2020 in which the Internal Revenue Service stated that the plan is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States of America. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE J – PLAN AMENDMENTS

Effective January 1, 2020, the Plan was amended to exclude leased employees from the definition of eligible employees to participate in the Plan.

Effective February 11, 2020 the Plan was amended to allow participants to make loans against Roth deferral accounts.

Effective April 30, 2020 the Plan elected to allow the provisional language provided in the Coronavirus Aid, Relief and Economic Security Act (CARES Act).

Effective September 7, 2021 the Plan was amended and restated to change the Trustee from Empower Retirement to Fidelity Management Trust Company by adopting the Fidelity Prototype Defined Contribution Plan. On October 15, 2021 all assets of the Plan were transferred from Mass Mutual Insurance Company to Fidelity Management Trust Company.
