### **Independent Auditor's Report**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed audits of the financial statements of Selective Site Consultants, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

#### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — 2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Compiled Report on the 2020 Financial Statements***

We performed a compilation engagement with respect to the December 31, 2020 financial statements. The accompanying statement of net assets available for benefits for the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended were not audited or reviewed by us and accordingly, we express no opinion or other form of assurance on them.

## **SELECTIVE SITE CONSULTANTS, INC. 401(K) PLAN**

Overland Park, Kansas

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2021 and 2020

#### **Note 1: Description of the Plan**

The following description of the Selective Site Consultants, Inc. 401(k) Plan (the Plan) provides only general information. Refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan, established January 1 2015, is a defined contribution plan covering the employees of Selective Site Consultants, Inc. (the Company). An employee becomes eligible to enroll in the Plan when they meet the eligibility conditions of the completion of one year of service and attainment of age 21. Employees are eligible for the Safe Harbor Match after one continuous year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and later amendments.

Plan investments were in the custody of Capital Bank and Trust Company (the Custodian). These assets consist primarily of shares in various mutual funds.

##### **Participant Contributions - Self Directed**

Participating employees may elect to enter into a contribution reduction agreement to reduce compensation up to 100% of compensation not to exceed IRS limits, which will be contributed to the Plan in their name. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a stable value fund as investment options for participants. The Plan also offers target date fund choices which are pre-determined allocations of the available mutual funds.

The Plan may accept a proper rollover from another qualified plan.

##### **Employer Contributions**

The Company will make a safe harbor matching contribution of 100% of the participants compensation up to 4%, exclusive of fringe benefits and bonus pay.

At the end of the Plan year, the Company, at the discretion of the Company's Board of Directors, also may make an additional discretionary contribution and discretionary profit sharing contribution, as defined in the Plan document. The discretionary contributions are allocated to eligible participants based upon the percentage of the participant's compensation to the total compensation of all eligible participants. The Company has elected not to provide a discretionary contribution for 2021 or 2020. Company contributions are invested in the participant directed accounts in the same manner as the employee deferrals.

##### **Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are vested immediately in their contributions and employer safe harbor contributions, plus actual earnings thereon. For the years December 31, 2021 and 2020, employer contributions were vested at 100%. Profit sharing and discretionary employer contributions are vested on a 6 year graded vesting schedule.

**Note 1: Description of the Plan (Continued)**

**Participant Loans**

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participants' accounts and bear interest at a rate determined by the Plan Administrator. Loan repayments are made ratably through payroll deductions. Generally, the loan term may not exceed five years. However, if the loan is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term. For the years ending December 31, 2020 and 2019 interest rates on outstanding loans were 4.25%.

At the end of each year there were no loans in default.

**Benefits**

On termination of service due to death, disability, retirement, or termination of employment, the current value of the participant's accounts can be paid in one lump sum or as an annuity. In-service withdrawals may be made to participants who have attained age 59 1/2. Distributions upon death shall be made pursuant to the election of the participant or beneficiary. Distributions upon termination shall be made as soon as administratively feasible at the participant's election. Retirement benefits are available at age 59 1/2 for normal retirement. Benefits are recorded when paid.

**Forfeitures and Asset Holding Account**

The Plan is a safe harbor plan and as such, participants are fully vested in employee and employer contributions. Unclaimed property will be moved to the forfeiture account. Additionally, Plan credit payments are posted to the Forfeiture and Asset Holding Account. This account can be used to reduce employer contributions or pay Plan expenses. At December 31, 2021 and 2020, the Forfeiture and Asset Holding Account totaled \$4,611 and \$1,164 respectively. During 2021, \$817 of unclaimed property and \$2,576 of Plan credits were transferred to the Forfeiture and Asset Holding Account. There were no participant forfeitures for 2021 or 2020. \$0 was used to reduce employer contributions or pay Plan expenses.

**Note 2: Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Company are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employee's payroll.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants accounts are charged directly to the participant account. Other expenses are included in administrative expense. Investment related expenses are included in the net appreciation of the fair value of investments.

**Note 2: Summary of Significant Accounting Policies (Continued)**

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are presented at fair value and contract value, as determined and certified by the Custodian as of the Plan year-end. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Investments in guaranteed investment contracts are valued at contract value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Stable Value Funds are valued at contract value by the Custodian with comparable durations considering the creditworthiness of the issuer (see note 9). In determining the reasonableness of the methodology, Capital Bank and Trust evaluate a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings. Contract value is the relevant measurement because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**Payment of Benefits**

Benefits are recorded when paid. As of December 31, 2021 there was one pending distribution for \$726 that was completed in 2022. There were no pending distributions for 2020.

**Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Note 3 for further documentation on fair value measurements.

**Note 3: Fair Value Measurements**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

| <b>December 31, 2021</b> | <b>Level 1</b>      | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>        |
|--------------------------|---------------------|----------------|----------------|---------------------|
| Mutual Funds             | <u>\$ 4,378,162</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 4,378,162</u> |
| <b>December 31, 2020</b> | <b>Level 1</b>      | <b>Level 2</b> | <b>Level 3</b> | <b>Total</b>        |
| Mutual Funds             | <u>\$ 3,723,658</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 3,723,658</u> |

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets measured at fair value.

**Mutual Funds**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Note 4: Related Party and Party in Interest Transactions**

The Plan Sponsor absorbs some administrative expenses of the Plan, cost of audit fees and the cost of fiduciary bonds. As the Plan does not reimburse the Company for the cost of such services, they are not included in these financial statements.

Certain Plan investments are shares in proprietary funds managed by the Custodian, for which they are paid a minimal fee. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments. These transactions qualify as exempt party-in-interest transactions.

Administrative functions are performed by officers or employees of the Company. Additional party-in interest transactions include audit fees paid to Varney & Associates, CPAs, LLC, and third party administration fees paid to MHM Retirement Plan Solutions. These transactions qualify as exempt party-in-interest transactions.

**Note 5: Plan Termination**

Although the Company has not expressed any intent to terminate the Plan, it may do so at any time subject to the provisions of ERISA. In the event of termination, each participant will have a non-forfeitable interest in his/her entire individual account.

**Note 6: Tax Status**

The Company adopted a non-standardized prototype plan document. The Internal Revenue Service issued an opinion letter, dated June 30, 2020, on the prototype plan document, indicating the basic Plan document is acceptable under Code Section 401 of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of COVID-19 and other worldwide incidents there has been heightened market risk and volatility and this could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact these events may have.

**Note 8: Information Prepared and Certified by Custodian (Unaudited)**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and loans to participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodian. Capital Bank and Trust Company provided a signed letter certifying the investments for 2021. A certification letter was not available to be provided for 2020.

**Note 9: Stable Value Funds**

Participants in the Plan have the option to invest in the KeyBank EB Magic Fund for 2021 and 2020 with the Custodian. The contributions are deposited in a general operating account, plus earnings at guaranteed credit rates, less withdrawals and fees. Participants may ordinarily direct permitted withdrawals or transfers of all or a portion of their account balance at contract value within reasonable time frames. The fund investments include stable value products, including cash and cash equivalents, guaranteed investment contracts (GICs) and synthetic GICs which are debt securities insulated from market volatility by a bank-issued or insurance company-issued wrap contract. Third-party wrap contracts are utilized by the fund to maintain a constant net asset value and to provide for the payment of participant-directed withdrawals and exchanges at book value under most circumstances. The fund credits interest through wrap contracts and recognizes gains and losses over time by adjusting the interest rate credited to the fund. The fund is permitted to invest in investment contracts offered by insurance companies and other approved financial institutions that provide for the payment of a specified rate of interest to the fund and the repayment of principal at maturity. All investments in the fund must satisfy the credit quality standards of the Custodian. Generally there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or in rare circumstances, contract value paid over time. There are not any events that allow the issuer to terminate the contract and which require the Plan Sponsor to settle at an amount different than contract value paid either within 90 days or over time. The contracts are included in the financial statements as of December 31, 2021 and 2020 at contract value as reported to the Plan by the Custodian.

**Note 10: Reconciliation of Financial Statements to Form 5500**

Schedule H of Form 5500 reconciles to the financial statement amounts.

**Note 11: Subsequent Events**

Management has evaluated subsequent events through September 21, 2022, the date on which the financial statements were available to be issued.
