INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
eHealth Global Technologies, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of eHealth Global Technologies, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and the schedule of delinquent participant contributions for the year ended December 31, 2021 are presented for purposes of additional analysis are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

eHEALTH GLOBAL TECHNOLOGIES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 1* Description of the Plan**

The following description of the eHealth Global Technologies, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of eHealth Global Technologies, Inc. (the Company) upon meeting eligibility requirements. Employees become eligible to contribute to the Plan upon attaining age 21 and completing three months of service as defined in the Plan. In addition, employees can enter the Plan on the first day of the next month after attaining the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Capital Bank & Trust Company (Capital Bank) serves as the custodian of the Plan assets. American Funds is the recordkeeper for the Plan. The named trustee of the Plan is Mark G. Mills, CPA, of Mills, Potoczak & Company.

Contributions

Each year, participants may make salary deferral contributions up to 100 percent of eligible pre-tax annual compensation, subject to statutory limitations, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary contributions. There were no discretionary contributions made during 2021. Contributions are subject to certain statutory limitations.

The Plan provides for discretionary matching contributions. The matching contribution is equal to 50% of the first 4% of compensation that an eligible participant contributes to the Plan as an elective deferral for the Plan year.

At December 31, 2021 and 2020, the Plan recorded a liability of \$51,726 and \$106,070, respectively, for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed under the Internal Revenue Code (IRC).

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with: (1) the participant's contributions, (2) an allocation of the Company's discretionary contributions and (3) an allocation of Plan earnings (losses). Deductions are made from the participant's account for a pro rata share of administrative expenses and any benefit payments, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Note 1* Description of the Plan - Continued**

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in the employer discretionary and matching contributions based on the vesting schedule below:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Payment of Benefits

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for early retirement, disability, death, in-service, provided the participant has attained age 59½, and termination benefits for those participants who are eligible to receive such benefits.

Upon termination of service, a participant may elect to receive a lump-sum amount, periodic payments or a partial withdrawal equal to the value of his or her account.

Forfeitures

In accordance with the Plan document, forfeitures of non-vested account balances are used to pay Plan administrative expenses or to reduce future employer matching contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$9,844 and \$725, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) 50% of their vested account balance; or (b) \$50,000 reduced by the excess of the highest outstanding loan balance in the previous 12 months. The loans are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions. Participants may not have more than one loan outstanding at any given time. Loans are to be repaid over a period not to exceed five years, or 10 years for the purchase of a primary residence.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company.

eHEALTH GLOBAL TECHNOLOGIES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 2* Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting.

Subsequent Events

In preparing the financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through September 27, 2022, the date that the financial statements were available to be issued.

Notes Receivable from Participants

Notes receivable from participants (participant loans) are measured at their unpaid principal balance, plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in investment securities which are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with these securities, it is at least reasonably possible that changes in their values will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

***Note 3* Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

eHEALTH GLOBAL TECHNOLOGIES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 3* Investment Valuation and Income Recognition - Continued**

The Plan follows the fair value measurement guidance required by accounting principles generally accepted in the United States of America for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value.

Registered Investment Companies: Valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

eHEALTH GLOBAL TECHNOLOGIES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Note 3 Investment Valuation and Income Recognition - Continued

Common/Collective Trust Fund: The investment is valued using the NAV provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value:

	Investments, at Fair Value as of December 31, 2021	
	Level 1	Total
Registered Investment Companies	\$ 4,773,036	\$ 4,773,036
Investment Measured at NAV as a Practical Expedient (a)		140,801
Total Investments, at Fair Value	\$ 4,773,036	\$ 4,913,837

	Investments, at Fair Value as of December 31, 2020	
	Level 1	Total
Registered Investment Companies	\$ 4,170,825	\$ 4,170,825
Investment Measured at NAV as a Practical Expedient (a)		15,546
Total Investments, at Fair Value	\$ 4,170,825	\$ 4,186,371

- (a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 3* Investment Valuation and Income Recognition - Continued**

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Note 4* Party-in-Interest Transactions**

Certain of the Plan's investments in registered investment companies are managed by American Funds, an entity related to Capital Bank. Capital Bank is the custodian of the Plan and, therefore, transactions involving these investments qualify as party-in-interest transactions.

***Note 5* Certified Information**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank has certified to the completeness and accuracy of the investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, schedule of assets (held at end of year) as of December 31, 2021, the related investment activity, (including interest and dividend income and net appreciation in fair value of investments), and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

***Note 6* Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in their accounts and all of the Plan assets would be distributed to participants.

***Note 7* Tax Status**

The Plan adopted an individually designed plan document. The Plan has received a determination letter from the Internal Revenue Service, dated February 28, 2017, as to the Plan's qualified status. The Plan has been amended since the Plan received the determination letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

eHEALTH GLOBAL TECHNOLOGIES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 7* Tax Status - Continued**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

***Note 8* Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of the financial statements to the Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net Assets Available for Benefits Per the Financial Statements	\$ 4,904,276	\$ 4,116,786
Excess Contributions Payable	<u>51,726</u>	<u>106,070</u>
Net Assets Available for Benefits Per the Form 5500	<u>\$ 4,956,002</u>	<u>\$ 4,222,856</u>
Net Increase in Net Assets Available for Benefits Per the Financial Statements	\$ 787,490	
Change in Excess Contributions Payable	<u>(54,344)</u>	
Net Increase Per the Form 5500	<u>\$ 733,146</u>	

***Note 9* Prohibited Transaction**

During 2020, the Company failed to deposit \$21,608 of participant deferrals and \$937 of loan repayments within the required timeframe as stated by the United States Department of Labor (DOL). These deferrals were remitted beyond the Company's normal remittance timing, and as such, the Plan sponsor is required to file Form 5330 and pay the applicable excise tax and lost earnings on the delinquent participant deferrals. The excise tax payments and lost earnings will be paid by the Company and not from assets of the Plan. The plan filed this form during 2022.

eHEALTH GLOBAL TECHNOLOGIES, INC. 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

***Note 10* Subsequent Event**

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved profit-sharing plan sponsored by FIS Business Systems, LLC (the "non-standardized Plan"). The Internal Revenue Service ("IRS") has determined and informed the non-standardized Plan by a letter dated June 30, 2020, that the non-standardized Plan is designed in accordance with applicable sections of the IRC.

The Plan was amended effective October 1, 2022. As of this date, any eligible employees who have obtained age 18 are eligible to participate in the Plan. Any eligible employee shall become a participant effective as of the first day of the month following the date eligibility requirements are met. In addition, the vested portion of any participants account which is attributable to Employer Nonelective or Matching Contributions is determined as follows:
