Independent Auditors' Report

To the Plan Administrator and Participants of the
Hanes Supply, Inc. 401(k) Plan
Buffalo, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hanes Supply Co., Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statement or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to our derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hanes Supply Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hanes Supply Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hanes Supply Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hanes Supply Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Hanes Supply Co., Inc. 401(k) Plan for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Plan Administrator and Participants of the
Hanes Supply, Inc. 401(k) Plan
Buffalo, New York

We were engaged to audit the accompanying financial statements of the Hanes Supply, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company, the custodian of the Plan, (the "Custodian"), except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the Custodian as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplementary schedule of assets (held at end of year) as of December 31, 2020 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Hanes Supply, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Hanes Supply, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan sponsored by Hanes Supply, Inc. (the “Plan Sponsor”). The Plan, established on January 1, 1986, was amended and restated effective January 1, 2015 and covers substantially all employees, except those employees covered by a collective bargaining agreement which includes retirement benefits. Employees must be at least 21 years of age and achieve 90 days of employment in order to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“the Code”).

The Plan has implemented regulations applicable to employee benefit plans under the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) during the year ended December 31, 2020. The CARES Act waives all required minimum distributions for calendar year 2020, provides participants with penalty-free access to their balances up to \$100,000 subject to certain eligibility criteria if distributed prior to January 1, 2021, a temporary increase in participant loan limits to the lesser of \$100,000 or 100% of the vested balance if requested by September 23, 2020, and the ability for participants to elect to suspend the repayment of loans for one year. A plan amendment is required to be executed for these provisions by the last day of the plan year that begins 2022.

Contributions – Participants may elect to contribute between 1% and 100% of their annual compensation, not to exceed the amount imposed by the Code. Participants age 50 or older may make catch-up contributions subject to the amount imposed by law. The Plan Sponsor may make discretionary matching contributions to the Plan. The Plan Sponsor may also make discretionary profit-sharing contributions to the Plan for those participants that have achieved at least one year of employment. No discretionary matching or profit-sharing contributions were made during the years ended December 31, 2021 and 2020.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, employer contributions, and the participant’s share of Plan earnings. Participant accounts are decreased by benefits paid to participants and the participant’s share of Plan losses and administrative expenses. The allocation of earnings, losses and expenses to participant accounts is based upon the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Hanes Supply, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Vesting – Participants are immediately vested in their salary deferral, rollover contributions and actual earnings thereon. Participants are vested in the Plan Sponsor contribution accounts, as dictated by their initial date of active participation. Participants vest in Plan Sponsor matching contributions and profit-sharing contributions starting at the end of two years of service at the rate of 20% each year and, therefore, become fully vested after six years of continuous service.

Payment of Benefits and Withdrawals – Upon termination of service due to retirement, death, disability, or as required by law, a participant may elect to receive a lump-sum distribution equal to the value of their vested benefit balance. The Plan permits in-service distributions for participants older than age 59½ and for financial hardships, as defined in the Plan agreement.

Forfeitures – The non-vested account balances of participants who have ceased employment with the Plan Sponsor are forfeited upon the distribution of vested balances or upon the occurrence of five consecutive one-year breaks in service. Forfeitures may be used by the Plan for payments of Plan expenses or to reduce discretionary employer matching contributions and discretionary profit-sharing contributions. Forfeitures totaled \$13,681 and \$0 during the years ended December 31, 2021 and 2020, respectively.

Notes Receivable from Participants – In accordance with Plan provisions, participants are permitted to borrow a minimum of \$1,000 up to a maximum amount equal to the lesser of the participant's non-forfeiture account balance, or \$50,000, reduced by the highest outstanding balance during the prior 12-month period. The notes are secured by a percentage of the borrowing participant's vested account balance. All such notes bear interest at a rate determined by the Plan Administrator. Repayment terms may not exceed five years, with the exception of a note used to purchase a primary residence, in which case repayment terms may be extended by the Plan Administrator. Notes receivable from participants are valued at the unpaid principal balance plus any unpaid accrued interest. Principal and interest are paid ratably through each payroll deduction. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Income Taxes – The Plan Sponsor obtained a letter dated March 31, 2014, in which the Internal Revenue Service stated that the prototype plan is qualified under Section 401(a) of the Code. The Plan was amended subsequent to the IRS determination letter. However, the Plan Administrator believes that the Plan is operating in compliance with the requirements of the Code. Therefore, the Plan is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

2. Summary of Significant Accounting Policies

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan and all amounts credited to participant accounts will be fully vested.

Basis of Accounting – The accompanying financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at the published net asset value of shares on public exchanges at year end. There are no reserves against investment values for credit risk.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

The Plan utilizes the following fair-value hierarchy for measuring fair value that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three levels, with Level 1 as the highest priority and Level 3, the lowest priority. The three levels of the fair-value hierarchy are as follows:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date. All assets held by the Plan utilize Level 1 inputs as their primary measure of fair value as of December 31, 2021 and 2020.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There are no assets held by the Plan that utilized Level 2 inputs as its primary measure of fair value as of December 31, 2021 and 2020.

Hanes Supply, Inc. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There are no assets held by the Plan that utilized Level 3 inputs as its primary measure of fair value as of December 31, 2021 and 2020.

Administrative Expenses – Certain accounting and administrative expenses of the Plan were paid by the Plan Sponsor. Expenses relating to certain investment activity were paid by participants from their respective individual accounts.

Benefit Payments – Benefits are recorded when paid.

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate and market risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

Subsequent Events – The Plan has evaluated subsequent events through September 13, 2022, the date the accompanying financial statements were available to be issued. No events were identified for recognition or disclosure in the financial statements.

3. Information Certified by the Custodian (Unaudited)/Fair-Value Measurements

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company (the "Custodian") has certified that the following data included in the accompanying financial statements and related supplementary information is complete and accurate as of and for the years ended December 31, 2021 and 2020:

	2021	2020
Investments, at fair value (Level 1)	\$ 12,782,944	\$ 11,482,834
Investments measured at net asset value	3,548,263	3,618,481
Total investments	<u>\$ 16,331,207</u>	<u>\$ 15,101,315</u>

Net appreciation in fair value of investments	\$ 911,589	\$ 671,648

Hanes Supply, Inc. 401(k) Plan
Notes to Financial Statements (continued)

3. Information Certified by the Custodian (Unaudited)/Fair-Value Measurements (continued)

Investments, at fair value (Level 1) – Mutual funds, self-directed stocks and money market funds are valued based at the daily closing price as reported by the fund. Those funds are deemed to be actively traded. These funds are required to publish their daily net asset value and to transact at that price.

Investments measured at net asset value – The Reliance Trust Stable Value Fund Class D is a stable value, collective investment fund issued by MetLife Insurance Company. Participants may deposit and withdraw on a daily basis at contract value. The net asset value as calculated by MetLife is used as a practical expedient to estimate fair value.
