**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **Independent Auditor's Report**

RSM US LLP

Trustees  
Emergency Radio Service, LLC 401(k) Plan  
Ligonier, Indiana

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of Emergency Radio Service, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statement comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2021 and assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Emergency Radio Service, LLC 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Plan Description

The following description of the Emergency Radio Service, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a safe harbor defined contribution plan covering substantially all employees of Emergency Radio Service, LLC, ERS Tower LLC d/b/a Mission 1 Communications, Aircraft Charter Services, and Goshen Air Center, Inc. (collectively, the Company) with three months of service and that are not subject to exclusion based on a written agreement or non-resident alien. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Each year, participants may contribute a percentage of their annual pre-tax compensation, as defined by the Plan agreement. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

For the year ended December 31, 2021, the Company contributed amounts as a safe harbor matching contribution equal to 100% on the first 4% of compensation that a participant contributes to the Plan. The Company may also make an additional discretionary matching contribution or a profit sharing contribution to the Plan for participants employed on the last day of the Plan year-end. For the Plan year ended December 31, 2021, the Company did not make any additional discretionary or profit sharing contributions to the Plan. Company contributions are allocated in a manner similar to participant contributions. Contributions are subject to certain limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contribution and (b) Plan earnings and charged an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

**Notes receivable from participants:** Participants may borrow funds from their account at a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their account balance or \$50,000, which is reduced by the highest outstanding note balance attributable to the participant during the twelve-month period immediately prior to the new note application date. The notes are collateralized by the balance in the participant's account and will bear interest at a reasonable rate, which is based on rates charged for similar types of notes by other lenders. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans (if material) are treated as distributions based upon the terms of the Plan document.

**Vesting:** Participants are immediately vested in their voluntary contributions, discretionary employer match contributions and safe harbor match contributions plus actual earnings thereon. Vesting in the employer profit sharing contributions is based on years of continuous vesting service, as defined by the Plan agreement. A participant is 100% vested in the employer profit sharing contributions after three years of credited service.

#### Note 1. Plan Description (Continued)

**Payment of benefits:** Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested account or regular periodic payments over a specified period of time, not to exceed the life expectancy of the participant or the joint life expectancy of the participant and the participant's beneficiary. In addition, participants may make withdrawals of vested funds upon reaching a normal retirement age of 65, an early retirement age of 59.5 or by determination that a financial hardship, as defined by the Plan Agreement, has been incurred.

Benefit payments are recorded when paid.

**Forfeited accounts:** Forfeitures of the employer's contributions will be used to reduce future employer matching contributions or to pay administrative expenses of the Plan. At December 31, 2021 and 2020, the Plan had no available forfeited non-vested accounts. No forfeitures were used to reduce employer contributions or plan administrative expenses for the year ended December 31, 2021.

**Administration of Plan assets:** Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain administrative expenses are paid by the Plan sponsor.

**Coronavirus Aid, Relief, and Economic Security Act (CARES Act):** The Plan has implemented certain requirements allowed by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allows certain eligible individuals to receive coronavirus-related relief to suspend required minimum distributions and also includes a delay of the commencement date for required minimum distributions. The features within these acts were implemented during the year ended December 31, 2020, as required by the Internal Revenue Service (IRS). Written amendments to the Plan to reflect these operational changes will be adopted during the year ended December 31, 2022 in accordance with applicable law and IRS guidance.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual method of accounting.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

#### Note 2. Significant Accounting Policies (Continued)

**Fair value measurements:** The fair value framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Shares of pooled separate accounts:** Valued at the net asset value (NAV) of shares held by the insurance company in their pooled accounts at year-end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Subsequent events:** The Company has evaluated subsequent events for potential recognition and/or disclosure through October 3, 2022, the date the financial statements were available to be issued.

#### Note 3. Information Certified by Standard Insurance Company (Standard)

The following is a summary of the plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified by Standard, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

|                                 | 2021                 | 2020                 |
|---------------------------------|----------------------|----------------------|
| Investments, at contract value: |                      |                      |
| Guaranteed interest account     | \$ 3,147,400         | \$ 2,940,548         |
| Investments, at fair value:     |                      |                      |
| Pooled separate accounts        | 24,069,342           | 21,083,312           |
|                                 | <u>\$ 27,216,742</u> | <u>\$ 24,023,860</u> |

Standard also certified to the completeness and accuracy of \$3,341,392 of net appreciation in fair value of investments, \$50,546 of interest income related to the aforementioned investments, and \$7,488 of interest income related to notes receivable from participants for the year ended December 31, 2021.

Standard also certified to the completeness and accuracy of notes receivable from participants of \$181,437 and \$197,954 as of December 31, 2021 and 2020, respectively.

#### Note 4. Fair Value Measurements

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

|                             | Assets at Fair Value as of December 31, 2021 |
|-----------------------------|----------------------------------------------|
| Investments measured at NAV | <u>\$ 24,069,342</u>                         |
|                             | Assets at Fair Value as of December 31, 2020 |
| Investments measured at NAV | <u>\$ 21,083,312</u>                         |

**Changes in fair value levels:** To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no transfers in or out of Level 3 assets.

#### Note 4. Fair Value Measurements (Continued)

For investments in certain entities that calculate the net asset value per share as the investment's fair value measurement, the following table provides an overview of the nature and risks associated with such investments as well as whether it is probable those investments are being sold at amounts different from their reported net asset value per share based on redemption restrictions, if any, as of December 31, 2021 and 2020:

| Investment Category                | Fair Value    |               | Unfunded<br>Commitments | Redemption<br>Frequency (If<br>Currently Eligible) | Redemption<br>Period Notice |
|------------------------------------|---------------|---------------|-------------------------|----------------------------------------------------|-----------------------------|
|                                    | 2021          | 2020          |                         |                                                    |                             |
| Shares of pooled separate accounts | \$ 24,069,342 | \$ 21,083,312 | \$ -                    | Daily                                              | None                        |

#### Note 5. Guaranteed Interest Account

The Plan entered into a fully benefit-responsive investment with Standard. Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged to participant withdrawals and administrative expenses.

Standard is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a monthly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the Plan's ability to transact at contract value, but these are primarily limited to termination of the Plan contract with Standard. The Plan administrator does not believe that the termination of the contract, which could limit the Plan's ability to transact at contract value, is probable.

For the year ended December 31, 2021, the average crediting rate was 1.79%.

#### Note 6. Related Party Transactions

Certain Plan investments are managed by Standard. Standard provides services to the Plan; therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the year ended December 31, 2021 amounted to approximately \$7,000.

#### Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

### **Notes to Financial Statements**

#### **Note 8. Income Tax Status and Uncertain Tax Positions**

The Plan is an adopter of a prototype plan sponsored by Standard Insurance Company. As such, no individual determination letter is available. The Internal Revenue Service has determined that the prototype plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of this determination; however, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's administrator has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2018.

#### **Note 9. Nonexempt Transactions**

During 2021, the Plan Sponsor inadvertently failed to deposit approximately \$6,100 of participant deferrals within the required timeframe as stated by the Department of Labor. The Plan Sponsor will reimburse the Plan for lost earnings and remit applicable excise tax to the IRS in 2022. The correction and excise tax payments will be made from the Plan Sponsor's assets and not from the assets of the Plan.
