1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Pipe Fitters Local Union No. 211
Defined Contribution Retirement Plan
Houston, Texas

Opinion

We have audited the accompanying statements of net assets available for benefits of the Pipe Fitters Local Union No. 211 Defined Contribution Retirement Plan (the Plan) as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Pipe Fitters Local Union No. 211 Defined Contribution Retirement Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of Pipe Fitters Local Union No. 211 Defined Contribution Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Trustees for the Financial Statements

The Plan's Trustees are responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, or fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

PIPE FITTERS LOCAL UNION NO. 211 DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A PLAN SUMMARY AND SIGNIFICANT ACCOUNTING POLICIES

Plan Summary - Pipe Fitters Local Union No. 211 Defined Contribution Retirement Plan (the Plan) is a multi-employer defined contribution retirement plan covering members of Pipe Fitters Local Union No. 211. The Plan was established September 1, 1996. Employers make contributions as described below on behalf of covered employees for the purpose of providing and maintaining retirement benefits for qualified and eligible employees. Qualification and eligibility are subject to the determination of the Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Accounting Records - The accounting records of the Plan are maintained on the accrual basis for financial reporting purposes.

Employer Contributions - Contributions are payable to the Plan by employers of members of affiliated unions based on the number of hours of covered employment worked by each member. The contribution rate is \$.50 per hour worked. During 2021, two employers' contributions amounted to approximately \$1,655,000 or 39% of total contributions.

Employee Contributions - Effective January 1, 2009, participants were allowed to make elective contributions and defer a portion of their hourly wages in amounts from \$1 to \$8 per hour, subject to certain Internal Revenue Service limitations.

Contributions Receivable - Employer and employee contributions receivable are recognized for contributions from payroll periods prior to Plan year end and received by the Plan after year end.

Valuation of Investments - Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for benefits and the changes in the net investment gain or loss are reflected in the statement of changes in net assets available for benefits.

Participant Accounts - Each participant's account is credited with the participant's elective employee contributions and non-elective employer contributions and an allocation of earnings or losses, and are charged with an allocation of administrative expenses allocated on a per capita basis. The investments in the participant accounts are self-directed.

Vesting - Participant balances are immediately 100% vested and non-forfeitable at all times in their Individual Account balances.

Investment Options - The Plan entered in a Group Annuity Contract with John Hancock Life Insurance Company (John Hancock). John Hancock maintains the participants' accounts in sub-accounts of registered investment companies.

Administration - The Board of Trustees of Pipe Fitters Local Union No. 211 may, at its discretion, pay the Plan's administrative expenses. Any Plan expenses not paid by the Board of Trustees will be paid by the Plan.

PIPE FITTERS LOCAL UNION NO. 211 DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A PLAN SUMMARY AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits - On termination of service due to death, disability or retirement, a participant is eligible to receive the participant's account balance in the form of a single lump-sum payment. The Plan allows for withdrawals or rollovers by a participant after a two-year break from covered employment. Benefits are recorded when paid.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States (GAAP) requires the Plan Trustees to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties - The Plan holds various investments which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Concentration of Market Risk - Contributions paid to the Plan are directly affected by the level of construction activity within the Houston, Texas area. Therefore, the Plan could suffer the risk of loss of contributions should the Houston, Texas area suffer from an economic downturn.

Subsequent Events - The Plan has evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2021.

NOTE B INVESTMENTS

The fair value of investments at December 31, 2021 and 2020 are summarized as follows:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Money Market Funds	\$ 152,241	\$ 152,217
Registered Investment Companies	<u>36,482,942</u>	<u>30,475,738</u>
	<u>\$ 36,635,183</u>	<u>\$ 30,627,955</u>

NOTE C INCOME TAX STATUS

The Internal Revenue Service has ruled that the Plan qualifies under Section 401 of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws. On June 27, 2006, the Internal Revenue Service issued a favorable determination letter with respect to the continued qualification of the Plan. The Plan has been amended and updated since applying for the determination letter. The Trustees are of the opinion that the Plan continues to be exempt from federal income taxes and continues to conform to the requirements of ERISA.

PIPE FITTERS LOCAL UNION NO. 211 DEFINED CONTRIBUTION RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C INCOME TAX STATUS (CONTINUED)

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2021, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2018 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for benefits.

NOTE D PARTIES-IN-INTEREST

The Plan invests in various securities offered by John Hancock Life Insurance Company. These investments are considered party-in-interest transactions because John Hancock Life Insurance Company serves as asset custodian for the Plan. The Plan's administration has approved these investment options.

NOTE E FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 - Inputs to the valuation method are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. All investments are valued using Level 1 inputs.

Level 2 - Other significant observable inputs (including quoted prices in active or inactive markets for similar assets or liabilities), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. The fair value of Level 3 assets or liabilities are determined using pricing models, periodic appraisals, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

NOTE E FAIR VALUE DISCLOSURES (CONTINUED)

Following is a description of the valuation technique used for investments measured at fair value. There have been no changes in the methodology used during 2021 and 2020.

Registered investment companies and money market funds are valued at net asset value and the market value of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no transfers in and/or out of the fair value categories during 2021 and 2020.
