INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **Insurance Management Services 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV (4i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a Fidelity Management Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021**

NOTE 1 - DESCRIPTION OF PLAN

The following description of Insurance Management Services 401(k) Plan (the Plan) is provided for general information purposes only. The Plan agreement should be referred to for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which provides for the participation of the employees of IMS Marketing, Inc., dba Insurance Management Services (the Plan Sponsor and related participating employers), who have completed one year of service and attained the age of 20. Employees are eligible to participate on the first plan entry date that coincides with or follows the date they complete eligibility requirements. Plan entry dates are January 1 and July 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions and any employer contributions. The participants may invest in funds available through Fidelity Management Trust Company (Fidelity). The participants can also transfer funds within the Plan to a brokerage account through Fidelity and self-direct their own investments.

Fidelity Management Trust Company serves as the Plan's investment custodian and is responsible for executing all investment transactions for all investments.

Contributions

Participants may make salary deferral contributions up to 85% of compensation through payroll deductions at the participant's discretion, subject to the maximum allowed by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Sponsor has adopted the Safe Harbor provisions of the IRC, whereby the employer makes non-elective contributions of 3% of each participant's eligible compensation to the Plan each year. The Sponsor may also make profit sharing contributions to specific groups of participants in the Plan. Profit sharing contributions are allocated to eligible participants based on the ratio the participant's compensation bears to the aggregate compensation for all eligible participants in the specific group. Participant and Sponsor contributions are subject to the provisions of the IRC and related regulations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) employer contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**INSURANCE MANAGEMENT SERVICES
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021**

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their salary deferral contributions and the Sponsor's 3% Safe Harbor contributions, plus actual earnings thereon. Participants vest in the Sponsor profit sharing contributions based on years of service:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six or more years	100%

To earn a year of vesting service, an employee must be credited with at least 1,000 hours of service during that Plan year.

Notes Receivable from Participants

The Plan allows participants to obtain loans from their vested accounts, which may not exceed the lesser of one half of the participant's vested interest in their account balances or \$50,000. The Plan allows for only one loan outstanding at a time and no loan issued in an amount less than \$1,000 can be made. Participant loans are maintained and serviced by the Plan's recordkeeper as assets of the Plan. Participants should refer to the Plan document for further information. Principal and interest is paid ratably through payroll deductions. Interest rates are based on prime rate plus 1.00%. Interest rates ranged from 4.25% to 6.50% on loans outstanding as of December 31, 2021. During 2020, the Plan implemented certain CARES Act provisions to allow for an increase in Plan loan amounts and a deferral of loan payments. The provisions expired on December 31, 2020.

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his/her account. During 2020, the Plan implemented certain CARES Act provisions to allow for special coronavirus-related distributions allowing expanded access to participant distributions. The provisions expired on December 31, 2020.

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts can be used to pay plan expenses or can be allocated to participants. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$10,396 and \$18,573, respectively. During 2021, approximately \$16,000 of forfeitures were utilized to pay plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are recorded at the value reported to the Plan by the custodian, which approximates fair value. In accordance with stating investments at fair value, net unrealized appreciation or depreciation is reflected for the year on the Statement of Changes in Net Assets Available for Benefits. Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Gains or losses on security transactions are recorded as the difference between proceeds received and the carrying value of the investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Investment dividends and interest are reinvested in the corresponding accounts.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred by the Plan, which are not absorbed by the Sponsor, are allocated pro-rata to participants based on the participant's account balance.

Subsequent Events

The Plan Administrator has evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY

The following is a summary of the Plan's investment information as of December 31, 2021 and 2020, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets:

	<u>2021</u>	<u>2020</u>
Assets at Fair Value:		
Mutual funds	\$ 7,497,555	\$ 6,464,169
Marketable equity securities held in brokerage accounts	\$ 2,731,816	\$ 2,247,182
Common collective trust fund	\$ 128,504	\$ 164,778
Notes receivable from participants	\$ 295,234	\$ 296,167

Fidelity also certified to the completeness and accuracy of \$896,404 of net appreciation in fair value of investments in mutual funds and common collective trust fund, \$477,133 of realized and unrealized net gain on self-directed brokerage accounts and \$18,279 of interest income on notes receivable from participants related to the aforementioned assets for the year ended December 31, 2021.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

NOTE 5 - INCOME TAX STATUS

The Plan has not received a determination letter on their adoption of the Volume Submitter (VS) plan. In accordance with Revenue Procedure 2003-6, the Plan Administrator has chosen to rely on the advisory letter, dated June 30, 2020 that has been issued to the VS plan. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.

**INSURANCE MANAGEMENT SERVICES
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS

NOTE 6 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Marketable Equity Securities: Valued at the closing price reported on the applicable stock exchange.

Common Collective Trust Funds: Value based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities

NOTE 6 - FAIR VALUE MEASUREMENTS (continued)

In determining the appropriate level, the Plan performs a detailed analysis of the assets and liabilities that are subject to fair value measurement. The following tables summarize the financial assets measured at fair value on a recurring basis at December 31, 2021 and 2020:

<u>Investments</u>	2021			
	Assets at Fair Value			
	Totals	Level 1	Level 2	Level 3
Mutual funds	\$ 7,497,555	\$ 7,497,555	\$ -	\$ -

Total Investments at Fair Value	<u>\$ 10,357,875</u>	<u>\$ 10,229,371</u>	<u>\$ 128,504</u>	<u>\$ -</u>

<u>Investments</u>	2020			
	Assets at Fair Value			
	Totals	Level 1	Level 2	Level 3
Mutual funds	\$ 6,464,169	\$ 6,464,169	\$ -	\$ -
Marketable equity securities	2,247,182	2,247,182	-	-
Common collective trust fund	<u>164,778</u>	<u>-</u>	<u>164,778</u>	<u>-</u>
Total Investments at Fair Value	<u>\$ 8,876,129</u>	<u>\$ 8,711,351</u>	<u>\$ 164,778</u>	<u>\$ -</u>

Changes in Fair Value and Related Gains and Losses

For the Plan year ended December 31, 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$1,373,537.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

At December 31, 2021, the Plan held investments and notes receivable from participants with a current value of \$7,497,555 and \$295,234, respectively, which are managed by Fidelity and plan participants, respectively. Thus, transactions within these accounts qualify as party-in-interest transactions as defined by ERISA.

Administrative fees incurred and paid by the Plan to the Administrator, third party advisor and auditor aggregated to \$53,757 in 2021. Transactions involving the administrator, advisor and auditor qualify as party-in-interest transactions.

**INSURANCE MANAGEMENT SERVICES
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021**

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits.

In December 2019, a novel strain of coronavirus (COVID-19) was reported in China. In January 2020, the World Health Organization declared COVID-19 to constitute a “Public Health Emergency of International Concern”, which continues on as of the date of this report. The extent of the impact of COVID-19 on the Plan’s and Plan Sponsor’s operational and financial performance will depend on future developments, including the duration and spread of the outbreak and related travel advisories and restrictions and the impact of COVID-19 on overall demand for services and products, all of which are highly uncertain and cannot be predicted.
