## **INDEPENDENT AUDITORS' REPORT**

### **To the Board of Trustees and Participants of Busken Bakery Employees 401(k) Profit Sharing Plan**

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Busken Bakery Employees 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Busken Bakery Employees 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

#### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Busken Bakery Employees 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Busken Bakery Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Busken Bakery Employees 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Busken Bakery Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

The supplemental schedule of delinquent participant contributions and the schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**BUSKEN BAKERY EMPLOYEES 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**NOTE A - DESCRIPTION OF THE PLAN**

The following description of the Busken Bakery Employees 401(k) Profit Sharing Plan (“Plan”) for Busken Bakery, Inc. (“Company”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

**1. General**

The Plan is a defined contribution plan which covers all eligible employees of the Company who have 90 days of service and are age twenty-one or older. The entry date is the first day of the month following eligibility requirements being met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan and determines the appropriateness of the Plan’s investment offerings, and monitors investment and performance.

**2. Contributions**

Each year, participants may contribute up to 100% of pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes to the Plan 2% or 3% of eligible compensation. The profit-sharing percentage is dependent upon whether the participant is union or nonunion, and if union, under which collective bargaining agreement the participant is covered and if the participant elects to defer. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors. There were no additional profit sharing contributions for 2021 and 2020. Contributions are subject to certain limitations.

**3. Participant Accounts**

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, an allocation of the Company’s profit-sharing contribution (if any), and plan earnings (losses). Participant accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

**4. Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon was based on years of continuous service. A participant was 100% vested after five years of credited service. The Plan had a partial plan termination effective March 28, 2020, and therefore, all affected employees became fully vested in their account balances.

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**5. Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.5%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through monthly payroll deductions.

**6. Payment of Benefits**

Upon retirement, the attainment of age 59½, termination of service, disability, or death, a participant may elect to receive a lump sum distribution equal to the value of his or her vested account balance or receive installment distributions from their vested account balance. In the event of a participant's death, payment will be made to designated beneficiaries. In conditions of financial hardship, a participant may apply to the plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and Code.

**7. Forfeited Accounts**

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$336 and \$16,329, respectively. Forfeitures are first applied to the restoration of forfeitures, and then at the discretion of the Company, can be added to or used as employer contributions or can be used to pay administrative expenses of the Plan. During the years ended December 31, 2021 and 2020, forfeitures of \$24,380 and \$2,628, respectively, were used to reduce employer contributions.

**8. SECURE and CARES Act**

In February 2020, the Plan Sponsor adopted certain provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act related to required minimum distributions and the limitation of lifetime or "stretch" distributions to remain compliant under the applicable laws and regulations. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law which provides plan, plan sponsor, and participant relief. The Plan Sponsor agreed to implement the provisions of the CARES Act as it relates to the Plan. The most significant items within these provisions provided for the waiving of required minimum distributions for the 2020 plan year and for participants with loans due in 2020 to have the ability to delay repayments for one year. Additionally, the CARES Act provisions approved by the Plan Sponsor provided for significant changes to new loans and distributions. Loan limits were increased to the lesser of \$100,000 or 100% of participants vested account balances through September 27, 2020. For distributions, participants negatively impacted by COVID-19 could withdraw up to \$100,000 without being charged a 10% early withdrawal penalty for the 2020 plan year. The mandatory 20% tax withholding for such distributions was also suspended.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**1. Basis of Accounting**

The accounting records of the Plan are maintained on the accrual method of accounting.

**2. Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**3. Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

**4. Investment Valuation and Income Recognition**

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**5. Payment of Benefits**

Benefits are recorded when paid.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**6. Expenses**

Certain expenses of maintaining the Plan are paid by the Company, and are therefore excluded from these financial statements. Other administrative expenses directly incurred by the Plan include investment management fees and loan and distribution fees charged directly to the participants' accounts. The asset-based fee charged by the third-party administrator was reduced by any revenue received by the third-party administrator from providers of the underlying mutual funds. These administrative expenses are presented as a deduction to net assets on the statements of changes in net assets available for benefits. Investment-related expenses are included in net appreciation in fair value of investments.

**NOTE C - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts, including their employer contributions.

During the 2020 plan year, the Company permanently closed four locations, causing a partial plan termination to occur. Initial layoffs that triggered the partial plan termination occurred March 28, 2020, when many locations closed temporarily. Although some of the employees were rehired when stores reinstated operations, more than 20% were permanently terminated. When the partial plan termination occurred, all affected employees, estimated at 124 participants, became fully vested in their account balances.

Effective December 27, 2020, the Consolidated Appropriations Act, 2021 (CA Act) was enacted and signed into law. The CA Act includes a temporary rule preventing partial plan terminations for qualified retirement plans in some circumstances. The IRS previously issued guidance under the CARES Act clarifying that employees furloughed or laid off due to COVID-19, but rehired by the end of 2020, would not be counted in determining whether a retirement plan incurred a partial plan termination for the plan year. The CA Act gives employers broader relief than the IRS guidance. Under this new law, a retirement plan will not have a partial termination for a plan year if (1) any portion of the plan year includes the period beginning March 13, 2020, and ending on March 31, 2021, and (2) the number of active participants covered by the plan on March 31, 2021, is at least 80% of the number of active participants covered by the plan on March 13, 2020. The Plan did consider this new law when determining that they did have a partial plan termination in 2020.

**December 31, 2021 and 2020**

**NOTE D - TAX STATUS**

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) states that the prototype standardized profit-sharing plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTE E - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under FASB ASC 820 consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and 3 inputs would only be used when Level 1 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Level 1 Fair Value Measurements**

**Registered investment companies (mutual funds)** - The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

**NOTE F - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

For the years ended December 31, 2021 and 2020, the Plan invested in a group annuity contract with Great-West Life & Annuity Insurance Company ("Great-West") with a contract value of \$248,874 and \$428,233, respectively. Under this contract, the Plan invests in the Guaranteed Interest Fund. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the traditional fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**NOTE F - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**  
**(Continued)**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan agreements (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without consent of the issuer.

**NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE H - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company (the trustee of the Plan).

**NOTE I - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

Empower Retirement, the plan recordkeeper, pays monthly revenue credits to the Plan in accordance with the fee agreement. These revenue credits are allocated to participant accounts proportionately based on the average daily balance of such accounts in the investment option during the month and invested based on the participant's investment elections with respect to future contributions, or if none, the applicable plan default fund.

Also, as described in Note B-6, the Plan made direct payments to the third party administrator and investment advisors for various services which totaled \$32,541 and \$29,293 for the years ended December 31, 2021 and 2020, respectively. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
