Community Aid 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Community Aid, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 6 to the 2021 Financial Statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MAILING ADDRESS

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 Financial Statements.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 Financial Statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Information Required by ERISA

The supplemental information noted in the table of contents, as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental information related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COMMUNITY AID 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Community Aid 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Established on April 17, 2015, the Plan is a defined contribution plan covering substantially all employees of Community Aid, Inc. (the Company) except union employees, leased employees, and non-resident aliens. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). Company management is responsible for oversight of the Plan. Company management determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

Effective January 1, 2021, the Plan was amended and restated via adoption of the Principal Financial Group Prototype Basic Savings Plan.

On January 11, 2021, Plan assets were transferred from American United Life Insurance Company to Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company. See Note 3.

Effective March 4, 2021, the Plan adopted a unilateral interim amendment to comply with the Bipartisan Budget Act of 2018 and final regulations relating to hardship distributions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. The CARES Act provides immediate and temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and loans. The Company has not yet amended the Plan to reflect any provisions outlined in the CARES Act as of the report date; however, the Plan is operating under procedures that provide the relief allowed by the CARES Act available to participants regarding distributions.

Eligibility

Eligible employees are permitted to make elective deferrals and receive Company matching contributions after completing 12 months of service. There is no age requirement to participate in the Plan.

Contributions

Each year, participants may contribute up to the maximum limit established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). The Plan allows elective deferral contributions to be made as Roth contributions. Roth contributions are matched in the same manner as pre-tax elective deferrals. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated target date fund until changed by the participant.

COMMUNITY AID 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Effective January 1, 2020, the Plan removed its safe harbor structure. As such, it was not exempt from the Actual Deferral Percentage and Actual Contribution Percentage nondiscrimination testing and was not required to make safe harbor matching contributions. The Company contributed 100 percent of the first 6 percent of Plan compensation that an eligible participant contributes to the Plan during the year ended December 31, 2020. Effective January 1, 2021, the Plan became a safe harbor plan. As a safe harbor plan, the Plan is exempt from the Actual Deferral Percentage and Actual Contribution Percentage nondiscrimination testing and the Company is required to make safe harbor matching contributions. The Company continues to make a matching contribution equal to 100 percent of the first 6 percent of Plan compensation that an eligible participant contributes to the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of a participant's account is based on years of vested service.

Effective January 1, 2021, the vesting schedule for the Company's matching contribution portion of a participant's account is as follows:

Vesting Schedule	
Years of Service	Percentage
Less than two years	0%
Two years or more	100%

Effective January 1, 2020, the vesting schedule for the Company's matching contribution portion of a participant's account was as follows:

Vesting Schedule	
<u>Years of Service</u>	<u>Percentage</u>
Less than three years	0%
Three years or more	100%

Regardless of the vesting schedule, participants become fully vested upon retirement, death, or total and permanent disability.

COMMUNITY AID 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants

Participants may not borrow from their fund accounts.

Payment of Benefits

On termination of service, vested accrued benefits will be distributed in a lump sum. Provisions are available to allow withdrawal of benefits prior to termination of employment as defined in the Plan agreement and in compliance with the IRC.

Forfeited Accounts

At December 31, 2021 and 2020, there were no forfeited nonvested accounts. Forfeited nonvested accounts may be used to reduce Company contributions or pay Plan expenses. During 2021 and 2020, employer contributions were reduced by \$7,632 and \$7,461, respectively, from forfeited nonvested accounts. During 2021, Plan expenses were reduced by \$2,413 from forfeited nonvested accounts. No forfeitures were used to pay Plan expenses during 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year, and indirect investment expenses.

Payment of Benefits

Benefits are recorded when paid.

COMMUNITY AID 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 29, 2022, the date the financial statements were available to be issued. See Note 11.

3. INVESTMENTS

Effective January 11, 2021, Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal Trust Company) and Principal Life Insurance Company (Principal Life) (collectively, Principal) hold the funds for the Plan and maintain an individual account for each participant. Contributions made on a participant's behalf under the Plan will be directly allocated to that participant's account and are invested, based on the participant's direction, in various mutual funds, a pooled separate account, and/or a guaranteed investment contract. Prior to January 11, 2021, American United Life Insurance Company (AUL) held the funds for the Plan and maintained an individual account for each participant.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board, Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets.• Quoted prices for identical or similar assets or liabilities in inactive markets.• Inputs other than quoted prices that are observable for the asset or liability.• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

NOTES TO FINANCIAL STATEMENTS

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Comprised primarily of common stocks and is valued at NAV, which is based on the market value of its underlying investments. While the majority of the underlying asset values are quoted prices, the NAV of the pooled separate account is not publicly quoted and is determined by Principal Life. NAV is used as a practical expedient to fair value and shares may be redeemed on a daily basis.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,478,571	\$ -	\$ -	\$ 2,478,571
Investments measured at NAV (or its equivalent) ^a	-	-	-	19,572
Investments at fair value	<u>\$ 2,478,571</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,498,143</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Investments measured at NAV (or its equivalent) ^a	\$ -	\$ -	\$ -	\$ 1,810,446
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,810,446</u>

^a In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the

Investments Measured Using the NAV per Share (or its Equivalent) Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share (or its equivalent) practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments.

December 31, 2021	Fair Value	Unfunded Commitment	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate account	\$ 19,572	None	Daily	1 Day

December 31, 2020	Fair Value	Unfunded Commitment	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 1,810,446	None	Immediate	None

5. INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan invests in a traditional fully benefit-responsive guaranteed investment contract with Principal Life, totaling \$4,388 at December 31, 2021. Prior to the change in custodians discussed in Note 3, the Plan invested in a traditional fully benefit-responsive guaranteed investment contract with AUL, totaling \$31,167 at December 31, 2020. Principal Life and AUL (collectively, the issuers) maintain the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rates are based on formulas established by the contract issuers but may not be less than the minimum guaranteed rates specified by the Plan's contracts. The crediting rates are reviewed periodically for resetting as set forth in the contracts.

These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the contract issuers, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuers, as noted in the contracts. No events are probable of occurring that might limit the ability of the Plan to transact at

COMMUNITY AID 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuers to terminate the contract with the Plan and settle at an amount different from contract value, as noted in the contracts.

There are no maturity dates on the contracts.

6. INFORMATION CERTIFIED BY CUSTODIANS (UNAUDITED)

As permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Principal Trust Company, Principal Life, and AUL have certified the following information, which has not been subject to audit by independent auditors, to be complete and accurate:

- Investment balances included in the statements of net assets available for benefits at December 31, 2021 and 2020, and in the notes to the financial statements.
- Investment income included in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

7. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

As of December 31, 2021, and for the period January 1, 2021, to December 31, 2021, certain Plan investments are managed by Principal Trust Company and Principal Life. Principal Trust Company and Principal Life are the custodians as defined by the Plan. In addition, Principal Life provides certain recordkeeping and administrative services to the Plan. Therefore, these transactions qualify as party in interest transactions.

As of December 31, 2020, and for the period January 1, 2020, to January 10, 2021, the Plan invested in pooled separate accounts managed by AUL. AUL was the custodian and recordkeeper of the Plan. Therefore, these transactions qualify as party in interest transactions. AUL received revenue from the underlying mutual fund providers of the pooled separate accounts for services AUL provided to the funds. This revenue was used to offset certain amounts owed to AUL for its administrative services to the Plan.

Fees paid by the Plan to parties in interest for custodial, recordkeeping, administrative, and investment management services totaled \$46,001 and \$25,292 for the years ended December 31, 2021 and 2020, respectively. The Company pays directly any other fees related to the Plan's operations.

Certain administrative functions of the Plan are performed by management or employees of the Company. No such member of management or employee receives compensation from the Plan.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

9. TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Prototype Non-Standardized Profit Sharing Plan with CODA and related trust adopted by the Plan is designed in accordance with applicable sections of the IRC. Although the Prototype Non-Standardized Profit Sharing Plan with CODA has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. SUBSEQUENT EVENT

Effective February 18, 2022, the Plan was amended and restated to comply with the requirements of current laws and regulations. In conjunction with the restatement, the Plan adopted a new prototype plan sponsored by Principal. This prototype plan replaced the prototype plan previously adopted by the Plan. The IRS issued an opinion letter for the new prototype plan on June 30, 2020. Effective February 18, 2022, the Plan began relying on this letter as evidence that the Plan is being operated in compliance with the applicable requirements of the IRC.
