Independent Auditors' Report

Plan Committee
National Tobacco Company, L.P. Retirement Savings Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the National Tobacco Company, L.P. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Wells Fargo Bank, N.A. and Principal Trust Company, the Trustees, for the periods January through May and June through December 2021, respectively, stating that the certified investment information, as described in Note C, to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the accompanying 2021 financial statements other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 11, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

National Tobacco Company, L.P. Retirement Savings Plan

December 31, 2021 and 2020

Note A--Description of Plan

The following description of the National Tobacco Company, L.P. (the "Company") Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General--The Plan is a defined contribution 401(k) plan established on April 1, 1995 for the purpose of providing retirement benefits to all employees of the Company and affiliated companies other than employees considered part-time, temporary, seasonal or consultants. Eligible employees hired on or after January 1, 2018, may enroll in the Plan the following month after completion of 30 days of full-time employment without interruption. Eligible employees hired prior to January 1, 2018, must have completed 90 days of full-time consecutive service in order to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions--Each year participants may elect to contribute from 1 percent to 100 percent of their pre-tax annual compensation, after-tax Roth elected deferrals, or a combination of both as defined in the Plan, subject to Internal Revenue Service limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of both their and the Company's contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and a common collective trust fund as investment options for participants.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 4% of eligible compensation. The automatic deferral percentage is increased annually, concurrent with merit increases, by 1% up to a maximum of 10% of eligible compensation until changed by the participant. Contributions are automatically invested in a designated balanced fund until changed by the participant.

The Company may elect to make contributions to match the employees' elective deferrals. For the years ending December 31, 2021 and 2020, the company matched 100 percent of participants' deferrals up to 4 percent of compensation. Additional amounts may be contributed at the discretion of the Company's board of directors. Contributions are subject to certain statutory limitations.

Participant Accounts--Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant's earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

December 31, 2021 and 2020

Note A--Description of Plan--Continued

Vesting--Participants are vested immediately in their contributions plus actual earnings thereon. An employee becomes 50% vested in the Company's contribution portion of their accounts plus actual earnings thereon upon completion of one year of credited service with the Company and becomes 100% vested upon completion of two years of credited service with the Company.

Payment of Benefits--Upon termination of service due to death, disability, or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, in annual installments over a predetermined period, or in an annuity contract. If a participant's account balance does not exceed \$5,000 it will be paid in one cash lump-sum payment. In the event of a financial hardship, the Plan may allow the participant to withdraw all, or a portion, of the employee contributions and rollover portions of their account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants--The Plan does not provide for loans from participants accounts. There are two grandfathered loans from the ADP Total Source Retirement Savings Plan which relates to a previous acquisition.

Administrative Expenses--Certain accounting administrative and legal expenses related to the Plan are paid for by the Company, except for certain expenses related to the administration of the Plan by the Trustees, which are paid for by the participants.

Forfeited Accounts--At December 31, 2021 and 2020, forfeited, non-vested accounts totaled \$22,824 and \$1,087, respectively. These amounts will be used to reduce future employer contributions. Employer contributions were reduced by \$59,426 and \$42,039 from forfeited, non-vested accounts during 2021 and 2020, respectively.

Note B--Summary of Significant Accounting Policies

The Plan follows generally accepted accounting principles as outlined in the Financial Accounting Standards Board's *Accounting Standards Codification*. Significant accounting policies are as follows:

Basis of Accounting--The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates--The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Note B--Summary of Significant Accounting Policies--Continued

Investment Valuation and Income Recognition--Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits--Benefits are recorded when paid.

Administrative Expenses--Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events--Subsequent events were evaluated through September 23, 2022, which is the date the financial statements were available to be issued.

Note C--Summary of Financial Data Certified by the Trustees

The December 31, 2021 and 2020, statements of net assets available for plan benefits, the investment activities included on the statements of changes in net assets available for plan benefits for the years ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustees in accordance with ERISA Section 103(a)(3)(C) for 2021 and 29 CFR 2520.103-8 for 2020 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total investments of \$38,002,075 and \$33,561,347 at December 31, 2021 and 2020, respectively, and related investment income of \$4,465,303 and \$4,305,741 for the years ended December 31, 2021 and 2020, respectively.

Note D--Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted process in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Notes to Financial Statements--Continued

**National Tobacco Company, L.P.
Retirement Savings Plan**

December 31, 2021 and 2020

Note D--Fair Value Measurements--Continued

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Level 1 Fair Value Measurements

The fair value of mutual funds is valued at the daily closing price of the net asset values of the shares held by the Plan at year end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The fair value of the common collective trust for which quoted market price is not available is valued based on contractual terms of the underlying contracts, their stated value, rate of return and liquidity. They are like mutual funds but only sell to institutional investors like 401(k) plans. The funds must publish their daily net asset value and transact at that price.

The following tables sets forth, by level within the fair value hierarchy the Plan's investments at fair value as of December 31, 2021 and 2020:

		Fair Value Measurements Using:	
	Fair Value	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)
<u>December 31, 2021</u>			
Mutual funds	\$ 37,412,750	\$ 37,412,750	
Common collective trust	587,521		\$ 587,521
Investments, at fair value	\$ 38,000,271	\$ 37,412,750	\$ 587,521

Note D--Fair Value Measurements--Continued

		Fair Value Measurements Using:	
		Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)
<u>December 31, 2021</u>	<u>Fair Value</u>

Investments , at fair value	<u>\$ 38,000,271</u>	<u>\$ 37,412,750</u>	<u>\$ 587,521</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

Note E--Related Party Transactions

Certain Plan investments are managed by Wells Fargo Bank, N.A. and Principal Trust Company provided trustee and record keeper services and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the Trustees for investment management and administrative services amounted to \$131,572 and \$106,340 for the years ended December 31, 2021 and 2020, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note F--Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Retirement Savings Plan**

December 31, 2021 and 2020

Note G--Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the spread of Coronavirus Disease ("COVID-19") a worldwide pandemic. The COVID-19 had significant effects on global markets, supply chains, businesses, and communities. Both domestic and international equity markets experienced significant fluctuations.

In response to the pandemic, on March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was enacted to provide economic relief to businesses and individuals impacted by the pandemic. Provisions of the CARES Act specific to the Plan included increasing the amount that Plan participants may borrow from their account up to of lesser of \$100,000 or 100% of the vested account balance until 180 days after the Act's enactment date, and allowed Plan participants the option of delaying loan payments due between March 27, 2020 and December 31, 2020 on existing or 2020 loans until January 1, 2021.

The CARES Act also allowed impacted Plan participants to request and receive up to \$100,000 of their vested account balance prior to December 31, 2020. The benefits paid will be included in the participant's taxable income over three years, unless the participant elects to have it taxed in the year of distribution. These benefit payments will not be subject to the 10% penalty tax for early withdrawal and repayment is permitted if repaid within three years of the distribution.

The CARES Act allows for a retrospective amendment to be adopted by the end of 2022. As of the date the financial statements were available to be issued, the Plan had not been amended for the provisions of the CARES Act.

Note H--Tax Status

The Plan is a prototype plan. The prototype plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service ("IRS") determined that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

December 31, 2021 and 2020

Note H--Tax Status--Continued

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note I--Reconciliation of Form 5500 to Financial Statements

The following is a reconciliation of corrective distributions per the 2020 Form 5500 to the financial statements:

Corrective distributions per Form 5500	\$	50,839
Decrease in contributions payable from 2019 to 2020		(43,571)
Decrease in other payables from 2019 to 2020		<u>(7,268)</u>
Corrective Distributions per the Financial Statements	\$	<u><u>-</u></u>

The following is a reconciliation of total deductions per the 2020 Form 5500 to the financial statements:

Total expenses per Form 5500	\$	2,433,387
Decrease in other payables from 2019 to 2020		<u>(50,839)</u>
Total Distributions per the Financial Statements	\$	<u><u>2,382,548</u></u>

Note J--Plan Amendment

Effective April 1, 2022, the Plan was amended to eliminate the automatic deferral and automatic escalation provisions. Participants are no longer automatically enrolled into the Plan upon meeting the eligibility requirements. Participants are now required to make the election to participate in the Plan.
