Independent Auditor's Report

To the Plan Administrator and Plan Participants of
Lytx, Inc. Retirement Savings 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Lytx, Inc. Retirement Savings 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Lytx, Inc. Retirement Savings 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Lytx, Inc. Retirement Savings 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lytx, Inc. Retirement Savings 401(k) Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lytx, Inc. Retirement Savings 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lytx, Inc. Retirement Savings 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of (1) Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and (2) Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statements of Lytx, Inc. Retirement Savings 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Plan Description and Related Information

The following description of Lytx, Inc. Retirement Savings 401(k) Plan (formerly DriveCam, Inc. Retirement Savings 401(k) Plan) (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan was established on January 1, 2004 and permits employees to make pre-tax contributions into the Plan. The Plan is a defined contribution plan established and sponsored by Lytx, Inc. (the “Company” or “Employer”). The Plan covers substantially all employees of the Company and is administered by the Company. The Plan’s trustee is Fidelity Management Trust Company (the “Trustee”), which has the authority and responsibility for the management and investment of Plan assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was amended and restated effective May 25, 2021. With the amendment and restatement, the Plan received an opinion letter from the Internal Revenue Service dated June 30, 2020 (see Note 8).

Eligibility

All full-time and part-time employees are eligible to participate in the Plan except those represented by a collective bargaining agreement, nonresident aliens, leased employees and interns. An employee is eligible to participate in the Plan if the employee is at least 18 years of age and can enter the Plan on the first day of the following month following their date of hire.

Contributions

Pursuant to the rules of the Plan, participants may contribute up to 90% of their pretax compensation, as defined by the Plan, subject to the annual limitation imposed by the Internal Revenue Service (the “IRS”). The Plan also allows participants to make Roth (after-tax) deferral contributions. A participant’s Roth deferral contributions will be allocated to a separate account maintained for such contributions. The Plan established an automatic elective deferral rate equal to 4% of compensation for eligible employees who do not make an election on their eligible entry date.

The Plan provides that the Company has the discretion to make matching and profit sharing contributions. The Company may make a discretionary matching contribution equal to a uniform percentage of participants’ salary deferrals as determined on a yearly basis. The Company elected to make a matching contribution of 50% of the aggregate salary reduction contribution to the extent that the aggregate contribution does not exceed 6% of compensation for the 2021 plan year.

Note 1. Plan Description and Related Information (continued)

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' direction and the Plan's provisions.

Participants Accounts

Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contributions and (b) Plan earnings less an allocation of investment and Plan administrative expenses charged to the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participant contributions and rollover contributions and related earnings are fully vested at all times. Company matching and profit sharing contributions and related net earnings are based on years of continuing service. Participants become fully vested if the participant reaches age 65, retires due to disability, dies, or if the Plan is terminated. Participants less than 65 years of age vest in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
At least one but less than two	20%
At least two but less than three	40%
At least three but less than four	60%
At least four but less than five	80%
Five or more years	100%

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Employer matching contributions and earnings on those contributions are used to reduce Company contributions or Plan administrative expenses. During the year ended December 31, 2021, approximately \$139,900 (used to fund the 2020 true-up during 2021) and \$1,300, in forfeitures were used to reduce Company contributions and to fund Plan administrative expenses, respectively. At December 31, 2021 and 2020, approximately \$239,300 and \$67,600, respectively, of forfeited non-vested accounts were available to be used. During 2022, approximately \$212,100 of forfeitures were used to fund the true-up contributions relating to 2021.

Investment Options

Participants may elect the types of investments for their accounts. They may select from a variety of mutual funds with varying degrees of risk. The participants designate their contributions for investment in one or more of the mutual funds offered by the Plan.

Note 1. Plan Description and Related Information (continued)

Plan Administration

The Plan is administered by the Company. The assets of the Plan are maintained under the custody of the Plan's independent Trustee.

Notes Receivable from Participants

The Plan allows participants to borrow against their vested balances. Loans are not to be made for less than \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates as determined by the Plan. Generally, loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended. Principal and interest is paid ratably through payroll deductions for active employees. Delinquent or defaulted notes receivables from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs.

The Plan classifies participant loans as notes receivable from participants in the statements of net assets available for benefits and measures them at their unpaid principal balance plus any accrued interest.

Plan Administrative Expenses

The Company provides or pays for certain accounting, legal, administrative and management services without charge to the Plan. Fees related to the administration of notes receivable from participants and certain fees related to distributions are charged directly to participant's accounts and are included in administration fees. Additionally, Plan record keeping fees that are not paid by the Company or forfeitures are charged directly to Participant accounts and are included in administration expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Revenue Sharing Credit

The Plan entered into an agreement with Fidelity Management Trust Company in which the Plan is credited with revenue sharing amounts paid by certain investment funds held in the Plan. These amounts are to be allocated to participants pro rata based on participant account balances. During the year ended December 31, 2021, approximately \$105,600 of revenue sharing credits were allocated to participants and are included as a reduction of administration fees.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants (or beneficiaries) may elect to receive a lump-sum amount equal to the value of the vested interest in their account. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Active participants can withdraw all or a portion of their contributed amounts if they have a financial hardship.

Note 1. Plan Description and Related Information (continued)

The Plan allows automatic rollover to an individual retirement account (“IRA”), if the terminated participant’s account balance exceeds \$1,000 but does not exceed \$5,000. Unless the terminated participant elects to rollover the account balance or to receive the distribution directly, the Plan administrator can distribute the entire balance to an IRA designated by the Plan administrator.

Automatic distributions will be given to terminated participants with account balances of \$1,000 or less.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”). Except for unutilized forfeitures, discussed in Note 1, all assets are allocated to the Plan participants.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Valuation of Investments

All investments are carried at fair value or an approximation of fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is accrued as earned.

Contribution Funding

The participant deferrals and Employer matching contributions are funded on a consistent basis following the issuance of each Company payroll. Employer profit sharing contributions (if any) are funded on an annual basis subsequent to Plan year-end.

Non-Distributed Benefits

The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid. At December 31, 2021 and 2020, there were no balances to be paid to participants who terminated and submitted their request for distribution prior to the Plan year end.

Note 2. Summary of Significant Accounting Policies (continued)

Subsequent Events

The Plan has evaluated all events subsequent to the balance sheet date of December 31, 2021 through the date of the Independent Auditor's Report, the date which the financial statements were available to be issued.

Note 3. Information Certified by the Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by the Trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule:

a) Investments

	December 31,	
	2021	2020
Mutual funds	<u>\$ 66,417,898</u>	<u>\$ 50,275,573</u>
Money market fund	<u>\$ 876,317</u>	<u>\$ 1,281,778</u>
b) Notes receivable from participants*	<u>\$ 468,281</u>	<u>\$ 554,254</u>

c) Investment income and other additions

	Year Ended December 31, 2021
Net appreciation in fair value of investments	<u>\$ 3,457,227</u>
Interest and dividend income	<u>\$ 5,281,364</u>
Interest income from notes receivable from participants	<u>\$ 26,101</u>

d) Supplemental Schedule:

Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*

**Notes receivable from participants are participant loans allowed under the related regulations. The participant loans are certified by the Trustee, and are included as investments on the supplemental schedule, Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.*

Note 4. Fair Value Measurements

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds and money market fund: These investments are valued at the closing quoted market price reported on the active market on which the public investment securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (continued)

The following are the Plan's financial instruments carried at fair value categorized by the fair value hierarchy as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	Fair Value Measurements Using Input Type			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 66,417,898	\$ ---	\$ ---	\$ 66,417,898
Money market fund	<u>876,317</u>	<u>---</u>	<u>---</u>	<u>876,317</u>
Total investments, at fair value	<u>\$ 67,294,215</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 67,294,215</u>

<u>December 31, 2020</u>	Fair Value Measurements Using Input Type

Mutual funds	\$ 50,275,573	\$ ---	\$ ---	\$ 50,275,573
Money market fund	<u>1,281,778</u>	<u>---</u>	<u>---</u>	<u>1,281,778</u>
Total investments, at fair value	<u>\$ 51,557,351</u>	<u>\$ ---</u>	<u>\$ ---</u>	<u>\$ 51,557,351</u>

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 6. Related Party and Party-In-Interest Transactions

The Plan's assets are invested in products sold by and managed by Fidelity Investments. The Trustee as defined by the Plan, is a wholly owned subsidiary of Fidelity Investments.

Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to the Trustee, its affiliates, and other investment consultants.

Note 6. Related Party and Party-In-Interest Transactions (continued)

Additionally, as noted in Note 1, certain administrative expenses related to participant related activities are paid directly to an affiliate of the Trustee. In addition, certain plan recordkeeping fees may be paid by the Plan. All fees paid directly by the Plan to the affiliates of the Trustee are included in administration fees.

The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations.

These transactions qualify as party-in-interest transactions for which there are statutory exemptions.

Note 7. Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 8. Tax Status

The Internal Revenue Service has determined and informed the Company by letter, dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the “Code”). The Company and the plan administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s tax returns generally remain open for Federal tax audits for three years from the filing date.

Note 9. Prohibited Transactions

During the Plan years ended December 31, 2021 and 2020, the plan sponsor inadvertently failed to deposit \$163 and \$272,477, respectively, of participant deferrals and loan repayments within the required timeframe as stated by ERISA. These deferrals and loan repayments were deposited beyond the earliest expected date on which assets could be segregated from the employer's assets. The U.S. Department of Labor considers late deposits to be prohibited transactions. The lost earnings correction on the participant deferrals for the 2021 Plan year were deposited into the Plan in 2022 and the lost earnings correction on the participant deferrals and loan payments for the 2020 Plan year were deposited into the Plan in 2021.

The plan sponsor has self-corrected these prohibited transactions and does not believe that these issues will have a material impact on the Plan's net assets available for benefits or the Plan's tax status.

Note 10. Reconciliation of Financial Statements to the Form 5500

The differences between the Form 5500 reporting and the financial statement reporting is primarily due to the Form 5500 being prepared on a modified cash basis of accounting while the financial statements are prepared on the accrual basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:

Net assets available for benefits per the financial statements	\$ 68,043,758
Less: 2021 Participant contributions receivable	(213,491)
Less: 2021 Employer contributions receivable	<u>(67,771)</u>
Net assets available for benefits per the Form 5500	<u>\$ 67,762,496</u>

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2020:

Net assets available for benefits per the financial statements	\$ 52,375,543
Less: 2020 Participant contributions receivable	(131,679)
Less: 2020 Employer contributions receivable	<u>(132,259)</u>
Net assets available for benefits per the Form 5500	<u>\$ 52,111,605</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits per the financial statements	\$ 15,668,215
Less: 2021 Participant contributions receivable	(213,491)
Less: 2021 Employer contributions receivable	(67,771)
Add: 2020 Participant contributions receivable	131,679
Add: 2020 Employer contributions receivable	<u>132,259</u>
Net increase in net assets available for benefits per the Form 5500	<u>\$ 15,650,891</u>
