INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustees
Railroad19, Inc. Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Railroad19, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Railroad19, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section --

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Railroad19, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Railroad19, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Railroad19, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Railroad19, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion --

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Railroad19, Inc. Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

1. DESCRIPTION OF PLAN

General

Prior to October 2017, the Plan was known as the Informz, Inc. Profit Sharing Plan and was sponsored by Informz, Inc. a related party to Railroad19, Inc. the current sponsor of the Plan. In October 2017 after Informz, Inc. was sold to an unrelated third-party, Railroad19, Inc. became the sponsor of the Plan and the name was changed to the Railroad19, Inc. Profit Sharing Plan.

As discussed above, the Railroad19, Inc. Profit Sharing Plan (the Plan) was originally established on January 1, 1999 as the Informz, Inc. Profit Sharing Plan. The Plan is sponsored by Railroad19, Inc. (the Company). The following brief description of the Plan provides general information only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all eligible employees of the Company, who meet certain eligibility criteria defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pretax and/or post-tax annual compensation, as defined in the plan document, up to the maximum allowed by the Internal Revenue Code. Participants who have reached age 50 before the end of the plan year are eligible to make additional catch-up contributions. The Plan has an automatic enrollment feature whereby employees who have met the Plan's eligibility requirements are automatically enrolled in the Plan at a 4% deferral rate, unless they choose in writing not to participate or they complete a salary deferral agreement and elect an alternative deferral amount. There is no auto-escalation provision regarding the automatic deferral rate. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

For employees who have attained the age of 21 and worked a minimum of 1,000 hours during the plan year, the Company may make a discretionary matching contribution equal to a uniform percentage or dollar amount of the employee deferrals each payroll period. Each year the Company will determine the formula for the discretionary matching contribution. For the years ended December 31, 2021, and 2020, the Company's matching contribution was equal to 50 percent of the employee's deferral amount up to a maximum of 6 percent of the employee's eligible compensation. The Company may also make a nonelective profit sharing contribution to eligible participants based on the participant's compensation as a percentage of total compensation of all eligible participants. In addition to the age requirement previously mentioned, in order for a participant to be eligible for the nonelective profit sharing contribution, they must either be employed at year end, or if not employed at year end, have been credited with at least 501 hours during the plan year (not applicable if termination prior to year-end is due to death, disability or attainment of normal retirement age).

RAILROAD19, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

Participant Accounts

The Plan allows each participant to select the investments in their individual account. Each participant's account is credited with the participant's contribution, the Company's contributions, if any, and allocations of plan earnings and losses, and charged with an allocation of administrative expenses paid for by the Plan. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan's provisions allow participants to make their own investment elections by logging onto the third-party administrator's secure website. A participant may direct their contribution and the Company's contributions, if any, to any of the Plan's registered investment companies (mutual funds) as of December 31, 2021 and 2020.

Vesting

Participants have a 100% non-forfeitable interest in the portion of their accounts attributable to their own voluntary deferrals and accumulated earnings or losses thereon. Vesting of the Company's contributions and earnings or losses thereon is based on a schedule of years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Forfeitures

Forfeitures of non-vested benefits are first used to reduce plan expenses and then any remaining will be used to reduce the Company's nonelective or matching contributions. During the years ended December 31, 2021 and 2020, the Company used \$16,743 and \$13,737, respectively, to reduce plan expenses and \$-0- for both years to reduce the Company's contributions. At December 31, 2021 and 2020, forfeited non-vested participant accounts were \$24,804 and \$7,519, respectively.

Notes Receivable from Participants

Participants are allowed to borrow from their accounts a minimum amount of at least \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one loan may be outstanding at any given time. Notes are secured by the balance in the participant's account.

RAILROAD19, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

Notes Receivable from Participants

Interest is charged at the published Wall Street Journal prime rate plus 1% at the time the note is originated. Notes receivable are required to be repaid in level payments of principal and interest over a term ranging from one to five years. However, notes used to acquire a principal residence may be paid over a period not to exceed 15 years.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. Normal retirement under the Plan is 65 years of age. There are no provisions for early retirement. Hardship withdrawals from the vested portion of a participant's account are allowed as defined by the Plan. The Plan also permits in-service distributions after attaining age 59 ½ from the vested portion of a participant's account.

Termination of the Plan

Although it has not expressed intent to do so, the Company has the right under the plan document to terminate the Plan subject to the provisions of ERISA. In the event of termination, the Company's contributions portion of each participant's account shall become fully vested and non-forfeitable and be distributed in accordance with the plan document and ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

RAILROAD19, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recognized by the Plan in the period in which it is earned based on the outstanding principal balance multiplied by the stated interest rate at the date the note receivable originated. Delinquent participant notes receivables are reclassified as distributions based upon the terms of the plan document.

Risks and Uncertainties

The Plan invests in various investments. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and amounts reported in the statements of net assets available for benefits.

Benefits

Payments of benefits are recorded when paid.

3. ADMINISTRATIVE EXPENSES

The Company, at its discretion, may pay certain administrative expenses of the Plan. During the years ended December 31, 2021 and 2020, the Company paid \$8,224 and \$8,167, respectively, in administrative expenses on behalf of the Plan.

4. INCOME TAX STATUS

The underlying standardized prototype plan has received an opinion from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax exempt. In accordance with Revenue Procedures 2005-6 and Announcement 2001-77, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The prototype plan has been amended to comply with recent legislation. However, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require the recording of a liability or disclosure in the financial statements.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of the following summarized information included in the accompanying statements of net assets available for benefits, the accompanying statements of changes in net assets available for benefits, and the accompanying supplemental schedule of assets (held at end of year).

	<u>2021</u>	<u>2020</u>
Investments at fair value	\$ 9,223,536	\$ 8,223,374
Notes receivable from participants	<u>64,506</u>	<u>100,514</u>
	<u>\$ 9,288,042</u>	<u>\$ 8,323,888</u>
Investment Income		
Net appreciation in fair value of investments	\$ 906,954	\$ 956,640
Interest and dividends	506,785	273,181
Interest on notes receivable from participants	<u>3,963</u>	<u>5,271</u>
Total Income	<u>\$ 1,417,702</u>	<u>\$ 1,235,092</u>

6. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- * Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- * Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- * Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Money Market and Registered Investment Companies (Mutual Funds): Fair value is based on quoted prices in active markets using the closing price on the last day of the year.

**RAILROAD19, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

6. FAIR VALUE MEASUREMENTS

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used to determine fair value at December 31, 2021 and 2020.

Fair value of assets measured on a recurring basis at December 31 are as follows:

	<u>Level 1</u>	<u>Total</u>
December 31, 2021		
Money market funds	\$ 83,238	\$ 83,238
Registered investment companies	<u>9,140,298</u>	<u>9,140,298</u>
Total Investments, at Fair Value	<u>\$ 9,223,536</u>	<u>\$ 9,223,536</u>
December 31, 2020:		
Money market funds	\$ 119,837	\$ 119,837
Registered investment companies	<u>8,103,537</u>	<u>8,103,537</u>
Total Investments, at Fair Value	<u>\$ 8,223,374</u>	<u>\$ 8,223,374</u>

7. PARTIES-IN-INTEREST

The Plan is sponsored by Railroad19, Inc. The Plan and the sponsor are considered related parties based upon shared management. The following organizations are considered parties-in-interest based upon services provided to the Plan during the years ended December 31, 2021 and 2020:

Railroad19, Inc. - Plan Sponsor
Marvin and Company, P.C. - Plan Audit Firm
Capital Bank & Trust Company - Trustee
Capital Research and Management Co. - Recordkeeper
Wilshire Associates Inc. - Investment advisory service provider
American Funds - Third Party Administrator

Capital Research and Management Co. provides recordkeeping services to the Plan. These services are paid for by the Plan and, therefore, qualify as party-in-interest transactions. For the years ended December 31, 2021 and 2020, Capital Research and Management Company received fees of \$11,446 and \$6,841, respectively, which are included in administrative expenses and participant transaction fees in the accompanying statements of changes in net assets available for benefits.

RAILROAD19, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

7. PARTIES-IN-INTEREST

Marvin and Company, P.C. provides audit services to the Plan. During the years ended December 31, 2021 and 2020, the plan sponsor paid Marvin and Company for the prior year's audit and then subsequently requested reimbursement from the Plan. Marvin and Company, P.C. received \$9,500 for both the 2020 and 2019 plan year audits.

For the years ended December 31, 2021 and 2020, there were no prohibited transactions between either the related parties and the Plan or the parties-in-interest.

8. CONCENTRATIONS

As of December 31, 2021 and 2020, 60% and 62% respectively, of the Plan's investments are with American Funds, a party-in-interest.

9. COVID-19

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) signed into law on March 27, 2020, contains a number of provisions that impact defined contribution plans including, but not limited to, allowing qualified participants to receive COVID-19 related distributions, increased loan amounts for qualified participants, suspension of loan repayments for qualified participants, and the suspension of required minimum distributions for 2020.

During the year ended December 31, 2020, plan management implemented the following optional provisions of the CARES Act: (1) COVID-19 related distributions up to a maximum of \$100,000 and, (2) the suspension of loan repayments. The increased loan provision was not implemented by plan management. Plan management has not amended the plan document to include the optional provisions but will within the timeframe provided under the CARES Act.

10. SUBSEQUENT EVENTS

Plan management has evaluated events subsequent to the statement of net assets available for benefits date of December 31, 2021, and through September 27, 2022, which is the date these financial statements were available to be issued, and has determined that there are no subsequent events that require recording or disclosure
