INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Keswick Multi-Care Center Defined Contribution Retirement Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We performed an audit of the accompanying financial statements of the Keswick Multi-Care Center Defined Contribution Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained certifications from qualified institutions as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED

BASIS FOR OPINION

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its

INDEPENDENT AUDITORS' REPORT, CONTINUED

form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITORS' REPORT ON THE 2020 FINANCIAL STATEMENTS

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 **DESCRIPTION OF PLAN**

The following brief description of the Keswick Multi-Care Center Defined Contribution Retirement Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

GENERAL

The Plan is a defined-contribution plan covering employees of Keswick Multi-Care Center, Inc., Keswick at Home, LLC, Keswick Management, LLC, and Keswick Community Health, Inc. (collectively referred to as the Center). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to certain annual limitations in the Internal Revenue Code (IRC). In addition, participants may make catch-up contributions up to the annual limits of the IRC. The Plan also contains an automatic enrollment feature with an initial contribution amount of 3%.

The Center makes safe harbor contributions equal to 100% of participant contributions up to 1% of compensation and 50% of participant contributions between 1% and 6% of compensation.

The Center may elect, at its sole discretion, to make additional profit-sharing contributions. The Center made an additional profit-sharing contribution equal to 3% of the total compensation for each eligible participant during the years ended December 31, 2021 and 2020.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Center's contribution and (b) the Plan's earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions. All participants are fully vested after three years of credited service, death, or permanent disability. A participant generally becomes fully vested in the Center's matching contributions upon two years of service and becomes fully vested in the Center's profit-sharing contribution upon three years of service.

(See Independent Auditors' Report)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions into various investment options offered by the Plan. Specific information regarding these options may be obtained from the Plan Administrator. Participants may change their investment options at any time.

PAYMENT OF BENEFITS

Upon termination by reason of retirement, disability, or death, a participant or beneficiary has the right to receive a distribution of the participant's vested interest in the Plan in the form of a lump-sum distribution.

FORFEITED ACCOUNTS

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$111,746 and \$123,698, respectively. These accounts will be used to reduce future Plan expenses and the Center's contributions and reallocated to participants in the same manner as the Center's contributions, in accordance with the Plan Agreement. During the year ended December 31, 2021, the Center's contributions were reduced by \$81,211 from forfeited non-vested accounts, \$2,195 of which that were used to pay Plan expenses.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow an amount from the Plan collateralized by their account balances. The maximum note permitted is the lesser of (1) \$50,000 or (2) 50% of their vested balances. Loan terms require amortization of principal and interest over a period not to exceed five years. Loans used to acquire a principal residence may extend beyond a five-year term. The loans bear interest at a rate comparable to rates charged by commercial lending institutions for loans of similar terms. Principal and interest are paid ratably through payroll deductions and may be repaid in full at any time.

ADMINISTRATIVE EXPENSES

Certain administrative expenses incurred by the Plan are paid by the Center. In addition, the Center provides services to the Plan without charge.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant

(See Independent Auditors' Report)

measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

VALUATION OF INVESTMENTS

The Plan has an investment in the Principal Life Insurance Company Fixed Income Guaranteed Option Account, which is a fully benefit-responsive investment contract and, therefore, reported at contract value. As reported to the Plan by the Custodian, Principal Trust Company, contract value represents contributions made under the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their unpaid principal balances plus accrued interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Agreement.

RISK AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

(See Independent Auditors' Report)

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 14, 2022, the date the financial statements were available to be issued.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Center has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the value of the interests of all participants and beneficiaries shall be determined and distributed to them in a lump sum.

NOTE 4 VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

(See Independent Auditors' Report)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Account and Collective Trusts: Valued at the net asset value (NAV) of units held by the Plan at year end. NAV is based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV. These assets are classified as Level 2 within the fair value hierarchy.

Mutual Funds: Valued at the NAV of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market. These assets are classified as Level 1 within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 GUARANTEED INTEREST CONTRACT

The Plan has an investment in the Principal Fixed Income Guaranteed Option Account, which is a fully benefit-responsive investment contract and, therefore, reported at contract value. Contract value, as reported to the Plan by the Custodian, represents contributions made under the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the Plan's ability to transact at contract value with issuer. Such events include the following: (a) amendments to the Plan Agreement (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction

(See Independent Auditors' Report)

exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the Custodian to terminate the agreement prior to the scheduled maturity date.

NOTE 6 **INFORMATION CERTIFIED BY THE CUSTODIAN**

The Plan's investments were held by the Custodian, Principal Trust Company, at December 31, 2021 and 2020. Financial information related to those investments is included in the accompanying financial statements based on information certified as complete and accurate by the Custodian. That information, which was not audited by the Plan's independent auditors, is summarized below:

	<u>2021</u>	<u>2020</u>
Pooled Separate Account	\$ -	\$ 124
Collective Trusts	13,010,685	10,935,421
Mutual Funds	1,013,551	817,455
Fixed Income Guaranteed Option	<u>738,487</u>	<u>776,839</u>
Total Investments	<u>\$ 14,762,723</u>	<u>\$ 12,529,839</u>

During the year ended December 31, 2021, certified investment income consisted of the following:

Net Appreciation in Fair Value of Investments	\$ 1,686,112
Interest and Dividends	<u>19,683</u>
	<u>\$ 1,705,795</u>

NOTE 7 **TAX STATUS**

The Plan obtained its latest determination letter dated August 8, 2014, wherein the Internal Revenue Service stated the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan was amended since receiving the determination letter. However, the Plan Administrator believes the Plan is currently designed and operating in

(See Independent Auditors' Report)

compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions taken as of December 31, 2021.

NOTE 8 **RELATED-PARTY TRANSACTIONS**

Certain Plan investments are managed by the Custodian of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays administrative and custodial fees to parties in interest. The Plan paid approximately \$91,000 to parties in interest for the year ended December 31, 2021. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net appreciation in fair value of investments.
