Trustee and Plan Administrator
Surgical Information Systems, LLC 401(K) Plan
Alpharetta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Surgical Information Systems, LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits arising from cash transactions as of December 31, 2021, and the related statement of changes in net assets available for benefits arising from cash transactions for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information as described in Note I to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note B.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Surgical Information Systems, LLC 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note B; this includes determining that the cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Surgical Information Systems, LLC 401(K) Plan's ability to continue as a going concern for one year after the date that the 2021 Financial Statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report

that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would reasonably be expected to influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Surgical Information Systems, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Surgical Information Systems, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i--schedule of assets (held at end of year)--cash basis as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosures under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Surgical Information Systems, LLC 401(K) Plan, which comprise the statement of net assets available for benefits arising from cash transactions as of December 31, 2020, and the related statement of changes in net assets available for benefits arising from cash transactions for the year then ended, and the related notes to the financial statements. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, management instructed us not to perform and

we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

SURGICAL INFORMATION SYSTEMS, LLC 401(K) PLAN

December 31, 2021

NOTE A--DESCRIPTION OF PLAN

The following description of the Surgical Information Systems, LLC 401(K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Surgical Information Systems, LLC ("the Plan Administrator" and "the Employer"), its subsidiary, Amkai LLC, and certain affiliated participating employers. The participating employers are Source Medical Solutions, Inc. and Health Information Systems, Inc. Employees are eligible to participate in the Plan on the first day of the month after beginning employment. Part time employees who work less than 1,000 hours annually are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In March 2020, the President of the United States signed the Coronavirus Aid, Relief, and Economic Security Act ("the CARES Act"), which provides for modifications to provisions regarding distributions, loans, and rollovers for qualified participants affected by COVID-19. The CARES Act allows the Plan to implement its provisions provided the Plan is appropriately amended by December 31, 2022. The Plan sponsor has adopted the modified provisions for distributions and rollovers and expects to formally amend the Plan prior to December 31, 2022.

Contributions: The Plan provides for employee elective pre-tax and/or after-tax contributions, not to exceed the Federal statutory maximum, with an Employer discretionary matching provision. During 2021, the Employer matched 50% of the first 6% of participant compensation deferred. The maximum effective Employer match rate for a participating employee was 3% of participant compensation, except as limited by Internal Revenue Service requirements.

The Plan also provides for a discretionary employer profit-sharing contribution. Allocation of the annual profit sharing contribution is made based on the ratio that each participant's total compensation (as defined in the Plan document) bears to the total annual compensation for all participants. The participant must be employed at the end of the Plan year and have completed 1,000 hours of service to receive a profit sharing allocation. No discretionary profit sharing contribution was made during the year ended December 31, 2021.

SURGICAL INFORMATION SYSTEMS, LLC 401(K) PLAN

NOTE A--DESCRIPTION OF PLAN--Continued

The Plan includes an automatic salary deferral feature for all newly hired eligible employees. The Employer automatically withholds 5% of the employee's compensation as an employee elective contribution. The percentage increases annually by 1% to a maximum withholding of 10%. Employees that have been automatically enrolled may request no deferral of compensation, or may select an alternative deferral percentage.

Participant Accounts: Each participant's account is credited with his contributions, the Employer's discretionary matching contributions, his account's earnings or losses, less an allocation of administration expenses, and an allocation of any Employer's discretionary profit sharing contribution. All investments are participant directed. Participants may change their investment options on a daily basis.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. Employer contributions and earnings thereon vest at the rate of 25% per year of service, determined by their hire date. A participant becomes fully vested after four years of credited service, or in the event of participant death or disability. Forfeited amounts can be used first to pay administrative expenses of the Plan and then can be used to reduce future Employer contributions.

Notes Receivable from Participants: Participants can borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are repaid through payroll deductions over periods of up to five years. The loans are secured by the vested balance in the participant's accounts and bear interest at rates that range from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to permanent disability, or termination of employment, participants may elect to receive the value of their accumulated Plan benefits, in accordance with the provisions of the Plan, in a lump-sum distribution. Application may be made for withdrawal of funds from elective contribution accounts while the participant is an employee in the case of a financial hardship, as defined in the Plan.

Administration: The Plan is administered by the Employer. At December 31, 2021 and 2020, all funds in the Plan were held in trust by the Trustee, Fidelity Management Trust Company ("Fidelity" or "Trustee"). Fidelity invests participants' contributions, as directed by the participants, in a combination of equity, fixed income, and balanced investments.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance.

The financial statements of the Plan are prepared utilizing the cash basis method of accounting, which differs from generally accepted accounting principles, which uses the accrual method.

The Plan's investments are stated at fair value, as further described in Note C. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for benefits arising from cash transactions.

Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments are calculated based on the difference between the selling price and cost on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains/losses for securities held at the end of the year.

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance.

Contributions are recorded on the cash basis, which recognizes participants' contributions, the related Employer matching contributions, and any employer discretionary profit-sharing contributions at the time such contributions are received in cash by the Plan.

The Employer pays all administrative expenses of the Plan except those allocable to the accounts of particular participants or those paid utilizing forfeitures.

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through September 16, 2022, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Investments in exchange traded registered investment companies are valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end, and are classified within Level 1 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>

Investments:				
Mutual Funds	<u>\$24,592,980</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$24,592,980</u>

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with Fidelity to maintain the investments of the Plan and to provide administrative and participant record keeping services for the Plan. For the year ended December 31, 2021, contributions to the Plan of \$3,141,476 were deposited with Fidelity for investment, and participants of the Plan received distributions of \$2,590,711 from funds held by Fidelity. At December 31, 2021 and 2020, respectively, the Plan had \$28,907,329 and \$24,805,911 of assets under Fidelity's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from Federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2021 and 2020, net assets available for benefits included \$1,992 and \$195,790 respectively, in forfeited non-vested accounts. During the year ended December 31, 2021, the forfeiture account was utilized to reduce Employer contributions by \$222,219.

NOTES TO FINANCIAL STATEMENTS--Continued

SURGICAL INFORMATION SYSTEMS, LLC 401(K) PLAN

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

As of December 31, 2021 and 2020 and for the year ended December 31, 2021, there were no significant differences between the financial statements and the Internal Revenue Service Form 5500.

NOTE I--SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The total value of the Plan's assets was \$28,907,329 and \$24,805,911 at December 31, 2021 and 2020, respectively. Fidelity has supplied the Plan Administrator with a certification as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits arising from cash transactions as of December 31, 2021 and 2020, and in the statement of changes in net assets available for benefits arising from cash transactions for the year ended December 31, 2021, with regard to investment activity.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Trustee and Plan Administrator
Surgical Information Systems, LLC 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Surgical Information Systems, LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits arising from cash transactions as of December 31, 2021, and the related statement of changes in net assets available for benefits arising from cash transactions for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information as described in Note I to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note B.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Surgical Information Systems, LLC 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note B; this includes determining that the cash basis of accounting is an acceptable basis for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Surgical Information Systems, LLC 401(K) Plan's ability to continue as a going concern for one year after the date that the 2021 Financial Statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report

that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would reasonably be expected to influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Surgical Information Systems, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Surgical Information Systems, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i--schedule of assets (held at end of year)--cash basis as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulation for Reporting and Disclosures under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Surgical Information Systems, LLC 401(K) Plan, which comprise the statement of net assets available for benefits arising from cash transactions as of December 31, 2020, and the related statement of changes in net assets available for benefits arising from cash transactions for the year then ended, and the related notes to the financial statements. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, management instructed us not to perform and

we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

SURGICAL INFORMATION SYSTEMS, LLC 401(K) PLAN

December 31, 2021

NOTE A--DESCRIPTION OF PLAN

The following description of the Surgical Information Systems, LLC 401(K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Surgical Information Systems, LLC ("the Plan Administrator" and "the Employer"), its subsidiary, Amkai LLC, and certain affiliated participating employers. The participating employers are Source Medical Solutions, Inc. and Health Information Systems, Inc. Employees are eligible to participate in the Plan on the first day of the month after beginning employment. Part time employees who work less than 1,000 hours annually are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

In March 2020, the President of the United States signed the Coronavirus Aid, Relief, and Economic Security Act ("the CARES Act"), which provides for modifications to provisions regarding distributions, loans, and rollovers for qualified participants affected by COVID-19. The CARES Act allows the Plan to implement its provisions provided the Plan is appropriately amended by December 31, 2022. The Plan sponsor has adopted the modified provisions for distributions and rollovers and expects to formally amend the Plan prior to December 31, 2022.

Contributions: The Plan provides for employee elective pre-tax and/or after-tax contributions, not to exceed the Federal statutory maximum, with an Employer discretionary matching provision. During 2021, the Employer matched 50% of the first 6% of participant compensation deferred. The maximum effective Employer match rate for a participating employee was 3% of participant compensation, except as limited by Internal Revenue Service requirements.

The Plan also provides for a discretionary employer profit-sharing contribution. Allocation of the annual profit sharing contribution is made based on the ratio that each participant's total compensation (as defined in the Plan document) bears to the total annual compensation for all participants. The participant must be employed at the end of the Plan year and have completed 1,000 hours of service to receive a profit sharing allocation. No discretionary profit sharing contribution was made during the year ended December 31, 2021.

NOTE A--DESCRIPTION OF PLAN--Continued

The Plan includes an automatic salary deferral feature for all newly hired eligible employees. The Employer automatically withholds 5% of the employee's compensation as an employee elective contribution. The percentage increases annually by 1% to a maximum withholding of 10%. Employees that have been automatically enrolled may request no deferral of compensation, or may select an alternative deferral percentage.

Participant Accounts: Each participant's account is credited with his contributions, the Employer's discretionary matching contributions, his account's earnings or losses, less an allocation of administration expenses, and an allocation of any Employer's discretionary profit sharing contribution. All investments are participant directed. Participants may change their investment options on a daily basis.

Vesting: Participants are immediately vested in their voluntary contributions and allocated earnings thereon. Employer contributions and earnings thereon vest at the rate of 25% per year of service, determined by their hire date. A participant becomes fully vested after four years of credited service, or in the event of participant death or disability. Forfeited amounts can be used first to pay administrative expenses of the Plan and then can be used to reduce future Employer contributions.

Notes Receivable from Participants: Participants can borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are repaid through payroll deductions over periods of up to five years. The loans are secured by the vested balance in the participant's accounts and bear interest at rates that range from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator.

Payment of Benefits: In the case of termination of service due to death, normal retirement (age 65), retirement due to permanent disability, or termination of employment, participants may elect to receive the value of their accumulated Plan benefits, in accordance with the provisions of the Plan, in a lump-sum distribution. Application may be made for withdrawal of funds from elective contribution accounts while the participant is an employee in the case of a financial hardship, as defined in the Plan.

Administration: The Plan is administered by the Employer. At December 31, 2021 and 2020, all funds in the Plan were held in trust by the Trustee, Fidelity Management Trust Company ("Fidelity" or "Trustee"). Fidelity invests participants' contributions, as directed by the participants, in a combination of equity, fixed income, and balanced investments.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance.

The financial statements of the Plan are prepared utilizing the cash basis method of accounting, which differs from generally accepted accounting principles, which uses the accrual method.

The Plan's investments are stated at fair value, as further described in Note C. Investment securities are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amounts reported in the statements of net assets available for benefits arising from cash transactions.

Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments are calculated based on the difference between the selling price and cost on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains/losses for securities held at the end of the year.

Notes receivable from participants are reported separately from Plan investments and measured at their unpaid principal balance.

Contributions are recorded on the cash basis, which recognizes participants' contributions, the related Employer matching contributions, and any employer discretionary profit-sharing contributions at the time such contributions are received in cash by the Plan.

The Employer pays all administrative expenses of the Plan except those allocable to the accounts of particular participants or those paid utilizing forfeitures.

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through September 16, 2022, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the accounting guidance are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual funds: Investments in exchange traded registered investment companies are valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end, and are classified within Level 1 of the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments:				
Mutual Funds	<u>\$28,713,266</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$28,713,266</u>

<u>Assets at Fair Value as of December 31, 2020</u>

Investments:				
Mutual Funds	<u>\$24,592,980</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$24,592,980</u>

NOTE D--TRANSACTIONS WITH PARTIES IN INTEREST

The Plan has an agreement with Fidelity to maintain the investments of the Plan and to provide administrative and participant record keeping services for the Plan. For the year ended December 31, 2021, contributions to the Plan of \$3,141,476 were deposited with Fidelity for investment, and participants of the Plan received distributions of \$2,590,711 from funds held by Fidelity. At December 31, 2021 and 2020, respectively, the Plan had \$28,907,329 and \$24,805,911 of assets under Fidelity's custody.

NOTE E--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from Federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE F--FORFEITED NON-VESTED ACCOUNTS

At December 31, 2021 and 2020, net assets available for benefits included \$1,992 and \$195,790 respectively, in forfeited non-vested accounts. During the year ended December 31, 2021, the forfeiture account was utilized to reduce Employer contributions by \$222,219.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

NOTE H--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

As of December 31, 2021 and 2020 and for the year ended December 31, 2021, there were no significant differences between the financial statements and the Internal Revenue Service Form 5500.

NOTE I--SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The total value of the Plan's assets was \$28,907,329 and \$24,805,911 at December 31, 2021 and 2020, respectively. Fidelity has supplied the Plan Administrator with a certification as to the completeness and accuracy of all information presented in the accompanying statements of net assets available for benefits arising from cash transactions as of December 31, 2021 and 2020, and in the statement of changes in net assets available for benefits arising from cash transactions for the year ended December 31, 2021, with regard to investment activity.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

This representation letter is provided in connection with your audits of the financial statements of the Surgical Information Systems, LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits arising from cash transactions as of December 31, 2021 and 2020 and the related statement of changes in net assets available for benefits arising from cash transactions for the year ended December 31, 2021, and the related notes to the financial statements.

We have elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the 2021 audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

We understand that, at our instruction, you did not perform any audit procedures with respect to the 2020 information prepared and certified to by a qualified institution, in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (DOL Regulation 2520.103-8), other than comparing such information to the financial statements as of December 31, 2021 and for the year then ended. Because of the significance of the 2020 information that you did not audit, we understand that you did not express an opinion on the Plan's 2020 financial statements as a whole. We understand the form and content of the information included in the 2020 financial statements, other than that derived from the 2020 information certified or provided by a qualified institution, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures as you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of September 16, 2022, the following representations made to you during your audit:

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 2, 2022, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with cash basis of accounting, and the notes include all the disclosures required by laws and regulations in which the plan is subject, including the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedule that are free from material misstatement, whether due to fraud or error.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of cash basis of accounting.
- Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.
- All events subsequent to the date of the financial statements and for which cash basis of accounting requires adjustment or disclosure have been adjusted or disclosed.
- There were no uncorrected misstatements.
- The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with cash basis of accounting.
- We have no intentions to terminate the plan.
- Guarantees, whether written or oral, under which the plan is contingently liable to a bank or another lending institution have been properly recorded or disclosed in the financial statements.
- We have properly reported and disclosed amendments to the plan instrument, if any.
- With respect to preparing the financial statements, we have performed the following:
 - Made all management decisions and performed all management functions;
 - Assigned a competent individual to oversee the services;
 - Evaluated the adequacy of the services performed;

- Evaluated and accepted responsibility for the result of the service performed; and
- Established and maintained internal controls, including monitoring ongoing activities.
- We acknowledge our responsibility for the presentation of the supplementary information in accordance with the applicable criteria and we believe the supplementary information, including its form and content, is fairly presented in accordance with the applicable criteria. The methods of measurement or presentation have not changed from those used in the prior period.

Information Provided

- We have provided you with:
 - Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;
 - Additional information that you have requested from us for the purpose of the audit;
 - Unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence;
 - All minutes of the 401k Investment Committee meetings or summaries of actions of recent meetings for which minutes have not yet been prepared; and
- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- The plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interest requiring disclosure in the financial statements have been properly disclosed.
- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have no knowledge of any fraud or suspected fraud that affects the plan and involves:
 - Management;
 - Employees who have significant roles in internal control; or
 - Others when the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud, or suspected fraud, affecting the plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
- We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
- There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, events reportable to the Pension Benefit Guaranty Corporation, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.

- We have disclosed to you the identity of the plan's related parties and parties in interest and all the related party and party in interest relationships and transactions of which we are aware.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.
- The plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- All required filings with the appropriate agencies have been made.
- The plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). The plan sponsor(s) has operated the plan and trust or insurance contract in a manner that did not jeopardize this tax status.
- The plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
- The plan has complied with the fidelity bonding requirements of ERISA.
- We are responsible for presenting the Schedule H, Line 4i in accordance with U.S. GAAP and in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Schedule H, Line 4i including their form and content, are fairly presented in accordance with U.S. GAAP and in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
- There are no:
 - Nonexempt party in interest transactions (as defined in ERISA Section 3[l] and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.
 - Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.
- All employer matching contributions are made on a discretionary basis. Matching contributions were made for pay periods during the 2021 Plan Year at a rate of 50% of the participant's elective contributions, for participant's contributions up to 6% of the participant's compensation.
- We have implemented the provisions of the Coronavirus Aid, Relief, and Economic Security Act ("the CARES Act"), and expect to formally amend the Plan prior to December 31, 2022.
