Independent Auditor's Report

To the Plan Administrator
CB Flooring, L.L.C. 401(k) Plan
Columbia, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the CB Flooring, L.L.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the CB Flooring, L.L.C. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CB Flooring, L.L.C. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CB Flooring, L.L.C. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CB Flooring, L.L.C. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CB Flooring, L.L.C. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator
CB Flooring, L.L.C. 401(k) Plan
Columbia, MD

We were engaged to audit the accompanying financial statements of the CB Flooring, L.L.C. 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by MG Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee held the Plan's investment assets and executed investment transactions. The plan administrator obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee was complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE A – DESCRIPTION OF PLAN

CB Flooring, L.L.C. 401(k) Plan (the “Plan”) is a defined contribution plan that was established on January 1, 2000. The Plan covers the employees of CB Flooring, L.L.C. (the “Company” or “Plan Sponsor”). The Company is the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Effective January 1, 2016, the Company amended the Plan’s adoption agreement to allow participants to elect to transfer any amount, not otherwise distributable under the Plan, to a designated Roth Elective Deferral Account (or sub-account) maintained for the participant within the Plan. The Plan will not be in violation of the provisions of Code sections 401(k)(2)(B)(i) as a result of such transfer. Amounts transferred will retain the restrictions on distributions the account had prior to such transfers. The Plan was also amended to permit the automatic enrollment of eligible employees at a pre-tax election rate of 6% of compensation. An employee may decline to participate in the Plan at any time.

Eligibility

All full-time employees of the Company who have completed a minimum of three months of service and are age twenty-one or older are eligible to participate in the Plan.

Participant Contributions

Participants may contribute a percentage of their annual pre-tax compensation, as defined in the Plan, not to exceed the maximum allowable amounts under the Internal Revenue Code (“IRC”). Participants who are age 50 or older during the calendar year may make additional catch-up deferral contributions as defined in the IRC.

Employer Contributions

The Company may decide to make a matching contribution to the Plan for each participant, although they are not required to do so. During the years ended December 31, 2021 and 2020, the Company matched employee contributions up to 25% on the first 6% of gross wages. Additionally, the Company may decide to make an elective profit sharing contribution to the Plan, although they are not required to do so. For the years ended December 31, 2021 and 2020, there were no profit sharing contributions made to the Plan.

Rollover Contributions

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to Plan provisions.

NOTE A – DESCRIPTION OF PLAN - continued

Investment Options

The Plan provides for participant-directed investment programs, whereby, the Plan Sponsor determines which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any or a combination of mutual funds or a common collective trust stable value fund. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is self-directed and credited with the participant's pre-tax or after-tax contributions (including elective deferrals, catch-up contributions, and/or rollover contributions), the Company's contributions, share of any investment earnings, and increases in the value of investments. Participant accounts are reduced by any withdrawals or distributions, investment losses, decreases in values of investments, and share of fees and expenses, as applicable. Allocations are based on participant earnings or account balances, subject to the Plan provisions.

Payment of Benefits

Benefits may be paid from participant accounts at age 59 1/2, or upon disability, termination of employment, death, or upon the Plan's termination. Participants who are age 70 1/2 and over are required by the Internal Revenue Service ("IRS") to make certain required minimum distributions. If a participant's account is valued at \$5,000 or less upon termination of employment, the Company may liquidate the value of the account and distribute the funds to the former participant. The taxable portion of a withdrawal is subject to federal and state income taxes and an additional tax if the participant has not reached retirement age, unless the amount is rolled over into another eligible plan or an Individual Retirement Account. Eligible participants may request an in-service hardship distribution of elective deferrals and any vested employer contributions, subject to the Plan's provisions. Vested benefits may be paid to the participants in a lump-sum distribution or as a direct rollover distribution to another qualified plan.

For the year ended December 31, 2020, Section 2202 of the CARES Act provided for coronavirus-related distributions and favorable tax treatment for up to \$100,000 to qualified Plan participants. The requested distribution could not exceed the lesser of the vested account balance or \$100,000, a flat 10% withholding rate would be applied to the taxable amount of the distribution unless the Plan participant chose not to have federal income tax withheld; and the Plan participant had to be either diagnosed with the coronavirus (COVID-19), have a spouse or dependent who was diagnosed with COVID-19, or had experienced adverse financial consequences as a result of being quarantined, furloughed, laid off, etc. Section 2202 of the CARES Act was no longer in effect after December 31, 2020.

NOTE A – DESCRIPTION OF PLAN - continued

Loans

Loans to participants are not permitted.

Vesting

Participants are immediately vested in their contributions plus actual earnings on elective deferral contributions. All contributions are 100% vested upon attaining normal retirement age, death or disability. Employer contributions not already fully vested when made (i.e., Safe Harbor matching) are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Interest</u>
Less than one year	0%
One year but less than two years	20%
Two years but less than three years	40%
Three years but less than four years	60%
Four years but less than five years	80%
Five or more years	100%

Forfeited Accounts

Forfeitures attributable to profit sharing contributions, not used to pay administrative expenses, will be reallocated to participants in the current or next succeeding Plan year. During the years ended December 31, 2021 and 2020, forfeited non-vested account balances totaled \$1,365 and \$1,263, respectively, which were used to fund the Company's matching contributions and/or administrative expenses.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

CB FLOORING, L.L.C. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020
(continued)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and in the disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the collective trust stable value fund, which is reported at net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Net asset value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to common collective trust investment contracts, because net asset value is the amount participants would receive, if they were to initiate permitted transactions under the terms of the Plan.

Interest is recorded as earned and dividend income is accrued as of the ex-dividend date. Purchases and sales of investments are recorded on a trade date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Excess deferred contributions made by Plan participants during the year are returned to the participants during the first quarter of the following year. Excess contributions payable totaled \$30,551 and \$39,845 as of December 31, 2021 and 2020, respectively.

Administrative Expenses

Administrative costs, including investment fees that are paid out of the related participant accounts, are absorbed by the Plan.

NOTE C – INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the alternative method of compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified by MG Trust Company (the "Trustee" of the Plan), as of and for the years ended December 31, 2021 and 2020, was not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

Certain information related to investments from participants disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

The following investment information has been certified by the trustee as of and for the years ended December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 17,779,336	\$ 17,678,630
Interest and dividends	1,566,253	547,737
Net appreciation in fair value of investments	599,058	2,310,973

NOTE D – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
---------	---

CB FLOORING, L.L.C. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020
(continued)

NOTE D – FAIR VALUE MEASUREMENTS – continued

Level 2	Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of mutual funds is determined by using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan invests in a collective trust (stable value fund) (the "Trust") in the Reliance Trust Company Stable Value Fund, for which the quoted prices are not available in active markets. Trust is measured by using net asset value per share, or its equivalent, as a practical expedient. The Trust invests in fully benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. There are no unfunded commitments and the redemption frequency is daily. The Trust is valued at net asset value ("NAV") as a practical expedient, as determined by the trustee.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE D – FAIR VALUE MEASUREMENTS – continued

The following table presents the Plan's fair value hierarchy for investments measured at fair value on a recurring basis as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,077,642	\$ -	\$ -	\$ 17,077,642
Investments measured at NAV practical expedient				701,694
Total investments, at fair value				<u>\$ 17,779,336</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,971,582	\$ -	\$ -	\$ 16,971,582
Investments measured at NAV practical expedient				707,048
Total investments, at fair value				<u>\$ 17,678,630</u>

In accordance with FASB ASC Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the Plan's investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust (stable value fund)	<u>\$ 701,694</u>	N/A	daily	up to 12 months

NOTE D – FAIR VALUE MEASUREMENTS – continued

The following table summarizes the Plan’s investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE E – INCOME TAX STATUS

The Internal Revenue Service (“IRS”) has determined that as of September 16, 2003, the Principal Financial Group Prototype Non-Standardized Profit Sharing Plan with CODA was designed in accordance with applicable sections of the Internal Revenue Code. Effective January 1, 2009, the Plan was amended and restated by the Company to adopt the CCH, Inc. d/b/a FtWilliam.com Prototype Plan Document. The Plan administrator is not aware of any course of action or series of events that have occurred that might affect the Plan’s tax-exempt status and, therefore, believes that the Plan and the related trust are tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. There were no uncertain tax positions identified by the Plan.

The Plan's Form 5500 is subject to examination by the IRS for a period of three years from the date it was filed, except under certain circumstances. The Plan’s Form 5500 for the years 2018 through 2020 are open for a tax examination by the IRS, although no request has been made as of the date of these financial statements.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Trustee of the Plan receives a percentage amount of the total investments for managing the Plan’s assets, which qualifies MG Trust as a party-in-interest to the Plan. In addition, Columbia Benefits Consultants, Inc. receives payment from the Plan for providing administrative and bookkeeping services. For the years ended December 31, 2021 and 2020, fees paid by the Plan for the investment management and administrative services totaled \$81,581 and \$67,518, respectively.

CB FLOORING, L.L.C. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020
(continued)

NOTE G – PRIORITIES UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to amend the Plan, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances as of the date of termination.

NOTE H – RISKS AND UNCERTAINTIES

The Plan provides for investments in different investment securities that are exposed to various risks such as interest rate, credit risks, and overall market volatility. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE I – SUBSEQUENT EVENTS

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through September 29, 2022, the date the financial statements were available to be issued. There were no events or transactions that were discovered during the evaluation that required further recognition or disclosure.
