INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Blackhawk Country Club Employee Savings Plan
Blackhawk, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Blackhawk Country Club Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors’ Report on 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosures under ERISA.

BLACKHAWK COUNTRY CLUB EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Blackhawk Country Club Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement and amendments for a more complete description of the Plan's provisions.

General: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established July 1, 1997. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administrator: Blackhawk Country Club (the Club) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. The Club has delegated the responsibility for the operation and custodianship of the Plan to Transamerica Life Insurance Company (Transamerica). The Plan paid certain administrative fees of \$14,441 and \$13,080 in 2021 and 2020, respectively. In addition, the Plan indirectly paid investment fees by applying the fees against participants' returns. Fees paid indirectly by the Plan were \$301 and \$1,138 in 2021 and 2020, respectively.

Eligibility: Any employee who is not considered an excluded employee may participate in the Plan once certain requirements have been fulfilled. The excluded employees are: (1) union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, unless such agreement expressly provides for participation in the Plan and (2) leased employees. The requirements to participate consist of the employee being 21 years of age or older and has worked at least 1,000 hours during a one-year period from date of employment. The entry date for both employee and employer safe harbor and discretionary matching contributions are the first day of the quarter following the quarter in which the eligibility requirements are met.

Contributions: Contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Participants may elect to make pre-tax and/or Roth 401(k) contributions annually up to 85% of their annual compensation up to a maximum of \$19,500 for 2021 and 2020. The maximum contribution is normally adjusted annually by an inflation index. Eligible participants aged 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution was \$6,500 in 2021 and 2020. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 3 percent of eligible compensation, unless they affirmatively elect not to participate in the Plan. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's directives.

BLACKHAWK COUNTRY CLUB EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued): The Club may make a discretionary matching contribution on amounts equal to the lesser of 50 percent of five percent of the participant's compensation, or 50 percent of their elective contribution up to a maximum amount set by the Board each year. To qualify for the employer matching contribution, the participant must complete one year and 1,000 hours of service and be employed on the last day of the Plan year. The Club made discretionary matching contributions to the Plan totaling \$149,971 during 2020.

Effective January 1, 2021, the Plan was amended to require the Club to make nonelective safe harbor contributions equal to 100 percent of the participant's elective deferrals not to exceed 4% of the participant's compensation. The Club made nonelective safe harbor contributions to the Plan totaling \$175,598 during 2021.

Participant Accounts: Each participant's account is credited with the participant's contributions, and allocations of the Club's discretionary matching contributions and Plan earnings and are charged with an allocation of administrative expenses based on the ratio of the participant's balance to all participants' account balances. Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the plan administrator in one percent increments. Plan participants may change their investment options daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Club's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested at two or more years of credited service or when employment with the Club ends due to retirement at age 65, death or disability, regardless of years of service.

Forfeitures: Amounts forfeited by participants are related to discretionary matching contributions made to the Plan. There were \$8,157 of new forfeitures for 2021. There were no new forfeitures for 2020. Forfeitures can be used to reduce amounts otherwise required to be contributed to the Plan. Forfeitures totaling \$8,047 were used to reduce employer safe harbor contributions to the plan during 2021. Forfeitures available were \$426 and \$273 as of December 31, 2021 and 2020, respectively.

Distributions to Participants: Distributions from the Plan are available upon any of the following situations: termination of employment at the Club, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship". All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA), qualified retirement plan, or the distribution qualifies for special tax treatment.

BLACKHAWK COUNTRY CLUB EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

Distributions to Participants (continued): As permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), during the period April 20, 2020 through December 31, 2020, the Plan allowed eligible participants to receive special Coronavirus Distributions, up to a total of \$100,000 or 100% of a participant's vested account balance. These Coronavirus Distributions are not subject to early withdrawal penalties, are taxable over a 3-year period, and can be repaid to the Plan by the participant during the 3-year period to exclude the distribution as taxable income on the participant's tax return. As permitted by the CARES Act, the Plan relied solely on a participant's self-certification as to whether they met the qualifications of an eligible participant.

Notes Receivable from Participants: The Plan allows participants to borrow a minimum of \$1,000 and a maximum of the lesser of \$50,000 or 50% of their vested account balance (reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date on which such loan is made, over the participant's outstanding balance of loans from the Plan as of the date such loan is made). The term of the loan shall not exceed five years except in the case of a loan for the purpose of purchasing a principal residence, and a participant may have only two loans outstanding at a time. Repayment of loans must be made through payroll deductions of both principal and interest. The loans are secured by the balance in the participant's account, and bear interest at a rate based on the prime rate as published in The Wall Street Journal plus 1% for the first business day of any given month for any loan the participant receives. The interest rates range from 4.25% to 6.5% as of December 31, 2020. The Plan will allow eligible participants to take Coronavirus-related loans, for up to the lesser of \$100,000 or 100% of their vested account balance in accordance with the CARES Act during the period April 20, 2020 through September 22, 2020. The Plan relied solely on a participant's self-certification as to their qualification as an eligible participant.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

BLACKHAWK COUNTRY CLUB EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition: Investments are stated at fair value (except for fully benefit-responsive investment contracts (FBRIC), which are reported at contract value). The Plan's Investment Committee determines the Plan's valuation policies using information provided by the trustees, investment advisors and investment custodian. For more information on valuation methods and inputs, please refer to Note G - Fair Value Measurements. Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to FBRICs because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. The Plan's investments are held in a trust administered by Transamerica Life Insurance Company.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amounts paid. Discretionary matching contributions are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant directed.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments and the Plan Administrator deems the notes receivable from participants to be in default, the notes receivable from participants' balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for 2021. There were excess contributions totaling \$8,504 for 2020.

Subsequent Events: Accounting Standards Codification (ASC) 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits date. There were no subsequent events as of September 28, 2022, which is the date the financial statements were available to be issued.

NOTE C - INVESTMENT CONTRACT WITH INSURANCE COMPANY

Transamerica offers a stable value fund into which the participants may elect to transfer all or part of their funds. The stable value fund is a FBRIC. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits. Contract value, as reported to the Plan by Transamerica, is the beginning balance plus any deposits and credited interest, less any withdrawals, charges or expenses, a measurement that approximates fair value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The value of the investment contract at December 31, 2021 and 2020 was \$613,854 and \$568,961, respectively. The stable value fund invests in guaranteed investment contracts. This investment seeks to protect against any loss of principal while providing returns in excess of money market funds and one-year U.S. Treasury bills. The investment has a portfolio investment rate design in which all deposits are credited with the same interest rate, daily and with no set maturity.

The effective credited interest rate is set monthly and effective on the first day of the month. Contract charges may reduce this return. The Transamerica stable value fund is not a separate account investment choice; it is an investment in Transamerica's general account. Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica's obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) failure to comply with the contract's requirements, (5) failure to provide information, (6) the sum of the contract value at any time equals \$20,000 or less, or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator is not aware of any events that would limit the Plan's ability to transact at contract value with participants that are probable.

NOTE D - INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has been amended for the new Coronavirus-related distribution and loan guidelines.

NOTE D - INCOME TAX STATUS (CONTINUED)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2018.

NOTE E - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined by ERISA. Some fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE F - PLAN TERMINATION

While the Club has not expressed any intent to terminate the Plan, it is free to do so at any time. In the event of termination, all amounts credited to the participant accounts will become 100% vested, if not already 100% vested. Distribution of participants' accounts will be directed in a manner permitted by the Plan as soon as practicable.

NOTE G - FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE G - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) terms, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Pooled Separate Accounts (PSAs) are proprietary to Transamerica and many invest exclusively in one underlying mutual fund traded on an established market. PSAs are valued daily based on publicly available quoted prices, and participants bear the investment risks. The PSAs begin with a price determined by Transamerica, and the number of units issued are calculated to match the current fair market value of the underlying mutual fund holdings. The underlying mutual funds are required to publish their daily net asset value (NAV) and to transact at that price.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE H - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in investments at net asset value, interest and dividends, contributions, distributions, and administrative expenses for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Transamerica Life Insurance Company (the custodian of the Plan).

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
