INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the of ODS Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ODS Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ODS Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of, and for the year ending December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ODS Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ODS Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
ODS Retirement Plan
Dublin, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of ODS Retirement Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, and MassMutual Life Insurance Company (MassMutual), the record-keeper of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee and record-keeper as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ODS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the ODS Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a multiple employer defined contribution plan with a profit-sharing feature covering all salaried employees of the following participating companies: Oliver de Silva, Inc., DeSilva Gates Construction, LP, Gallagher & Burk, Inc., Pacific States Environmental Contractors, Inc., Pacific States Water, Inc., and Double D Transportation Co., (the Employers). The Plan sponsor is DeSilva Gates Construction, LP.

The Plan is administered by an Administrative Committee. Effective April 1, 2015 the trustee of the Plan is Reliance Trust Company. Reliance has contracted with State Street Bank and Trust Company for custody services. MassMutual serves as the record-keeper. The Plan, which was established on January 1, 1969, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (as amended).

b. Participant Accounts

Contributions on behalf of each participant are invested in accordance with the participant's instructions, entirely in one fund or in any combination of funds in multiples of 1%. Individual accounts are maintained for each Plan participant. If applicable, each participant's account is credited with the participant's contribution, the employer's matching contribution, allocations of the employer's discretionary contributions, participant forfeitures, loan advances and investment income. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

c. Investments

Generally, participants direct the investment of their contributions into various investment options offered by the Plan. Participants should refer to their Summary Plan Descriptions. Participants may change their allocation on a daily basis.

d. Employee Contributions

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants will have their deferral rate increased by 1% each successive April until their deferral rate reaches a maximum of 10%.

Participants can elect to contribute from 1% to 100% of their qualified compensation up to a maximum of \$19,500 for participants under age 50, or \$26,000 for participants age 50 and over as a pretax salary reduction contribution for each of the years ended December 31, 2021 and 2020, respectively. Participants are immediately vested in their contributions plus realized and unrealized earnings thereon.

e. Employer Contributions

Under the terms of the Plan, the Employers may make profit sharing contributions equal to a percentage (determined each year by the Employers) of participant compensation (up to a maximum amount allowed by the Internal Revenue Service) based on profits for the year and other business considerations.

ODS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN, continued

Employer profit sharing contributions for the years ended December 31, 2021 and 2020 represented 5%, of each participant's qualified compensation and was \$1,353,846 and \$1,377,545, respectively. Employer contributions vest as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1 year	10%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

The Plan allows for Employers to make contributions to eligible participants classified as hourly non-union employees of Double D Transportation Co., Gallagher & Burk, Pacific States Environmental Contractors and DeSilva Gates Construction, excluding office, clerical employees, interns and temporary employees (regularly scheduled to work less than 1,000 hours in a 12-month period). Such contributions are determined annually by the Employer and vest in accordance with the schedule above. The amounts of these Employer contributions, which are included in the employer contribution amount above, were \$271,847 and \$384,563 for the years ended December 31, 2021 and 2020.

f. Eligibility

In general, non-union employees of the Employers are eligible to participate in the Plan on the first day of the month following completion of 60 days of service (excluding interns and temporary employees working less than 1,000 hours in a 12-month period). Participants (except Hourly employees) are eligible to participate in the profit-sharing portion of the Plan on the first day of the month following completion of 1 year of service. Participants are eligible for a profit-sharing contribution upon completion of 1,000 hours of service and an active employment status on December 31. Hourly participants are eligible for a contribution upon completion of 500 hours of service and an active employment status on December 31.

g. Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount, equal to the value of the participant's vested interest in their account, or in installment payments, as provided in the plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. If a terminated participant's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of a lump sum payment or as a direct rollover into an eligible retirement plan, if elected to by the participant. In addition, the Plan allows for hardship distributions, if certain criteria are met. Participants attaining the age 59 1/2 shall be entitled to withdraw all or a portion of their vested account balance as an in-service withdrawal. Participants must begin receiving benefits by the year following attainment of age 70-1/2 (participants can defer distribution if actively employed).

h. Forfeitures and Restorations

Profit sharing account forfeitures and hourly account forfeitures are allocated as of the last day of such fiscal year to the profit-sharing accounts of eligible participants of that member employer. For the years ending December 31, 2021, and 2020, \$101,358 and \$55,431 were allocated to participant accounts from forfeited nonvested accounts, in accordance with plan provisions.

ODS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1: DESCRIPTION OF THE PLAN, continued

i. Notes Receivable from Participants

Participants may borrow from their fund amounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The repayment of principal plus interest goes back into the participant's account. Loans bear a reasonable market rate of interest as determined by the Plan Administrative Committee. Loan repayments are made through payroll deductions for a period not to exceed 5 years for general loans and 10 years for residential loans.

j. Plan Termination

In the event the Plan is terminated, the separate accounts of all participants become fully vested and nonforfeitable. Upon such termination, the Employers may elect to distribute participants' balances currently or in accordance with stated Plan terms.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting which is in conformity with accounting principles generally accepted in the United States of America.

b. Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies. See Note 5 for discussion of fair value measurements.

The Plan's investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

c. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The Plan has notes receivable from participants outstanding at December 31, 2021 and 2020 of \$543,090 and \$506,271, respectively, with interest rates between 3.25% and 5.50% per annum on loans outstanding as of December 31, 2021 and 2020.

ODS RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

d. Expenses of the Plan

Some of the administrative expenses of the Plan are paid by the Employers and these expenses are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Other expenses charged by the Trustee are expenses of the Plan.

e. Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess contribution payable. There were no excess contributions for the years ending December 31, 2021 and 2020, respectfully.

f. Payment of Benefits

Benefits are recorded when paid.

g. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

h. Subsequent Events

The Company has evaluated subsequent events through September 9, 2022, which is the date that the financial statements were available to be issued.

The net depreciation in fair value of investments is approximately \$11,271,611 through September 1, 2022.

There were no material subsequent events that required recognition or additional disclosure in these financial statements, except as noted above.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE AND RECORD-KEEPER

The Plan administrator has elected the alternative method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, investment information and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments, interest, and dividends for the years then ended, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

The Trustee and Record-keeper also certified to the completeness and accuracy of investment income, (including gains and losses on investments bought and sold as well as any held during the year) related to the aforementioned investments for the year ended December 31, 2021 and 2020 as follows:

	<u>2021</u>	<u>2020</u>
Loan interest	\$ 20,597	\$ 22,910
Interest and dividend income	208,796	254,237

NOTE 4: GUARANTEED INTEREST ACCOUNT

MassMutual U.S. (MMUS) general investment account investment option for defined contribution plans is a Guaranteed Interest Account (the "GIA") provided through a group annuity contract (the "Contract"). Under the terms of the Contract, a crediting rate is established for amounts invested in the GIA and participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their account balance at Contract Value. Contract Value represents contributions plus credited interest less participant withdrawals and fees. This investment option is considered to be fully benefit responsive notwithstanding the market value events under the Contract that limit the ability of the plan to transact at Contract Value when a market value event occurs.

Certain events limit the Plan's ability to transact at contract value with MassMutual. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on an annual basis for resetting. For the years ending December 31, 2021 and 2020 the average yield earned by the plan & average interest rate credited to participants was 1.56% and 1.83% respectively.

NOTE 4: GUARANTEED INTEREST ACCOUNT, continued

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. These events may be different under each contract. Such events include:

1. an uncured violation of the Plan's investment guidelines;
2. a breach of material obligation under the contract;
3. a material misrepresentation; or,
4. a material amendment to the agreement without the consent of the issuer.

NOTE 5: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: FAIR VALUE MEASUREMENTS, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>Assets at Fair Value as of December 31, 2021</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>63,670,772</u>	\$ <u> -</u>	\$ <u> -</u>	\$ <u>63,670,772</u>

<u>Assets at Fair Value as of December 31, 2020</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>51,973,094</u>	\$ <u> -</u>	\$ <u> -</u>	\$ <u>51,973,094</u>

NOTE 6: CONCENTRATIONS

The MassMutual Guaranteed Interest Account represents a significant concentration, as a percentage, of net assets available for benefits at December 31, 2021, and 2020. At December 31, 2021 and 2020, the MassMutual Guaranteed Interest Account represents approximately 15% and 23% of net assets, respectively.

NOTE 7: TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are shares of mutual funds managed by Massachusetts Mutual Life Insurance Company (MassMutual). MassMutual is the record-keeper of Plan assets and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included as a reduction of the return earned on each fund. In addition, loan fees, redemption fees and check fees paid from the applicable participant accounts to MassMutual amounted to \$7,735 and \$5,543 for the years ended December 31, 2021 and 2020, respectively.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balance. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8: TAX STATUS

The Plan obtained its latest determination letter on August 1, 2013, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since its adoption, the Plan sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

There were no differences between the information in the separate financial statements and the assets, liabilities, income, expenses, and changes in net assets reported in Schedule H of Form 5500.
