We have performed an audit of the accompanying financial statements of Boys & Girls Clubs of Central Florida, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Boys & Girls Clubs of Central Florida, Inc. 401(k) Profit Sharing Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

Predecessor auditors performed an audit of the 2020 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 14, 2021, indicated that: (a) the amounts and disclosures in the 2020 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2020 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2020 supplemental schedule, other than the information in the 2020 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2020 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

BOYS & GIRLS CLUBS OF CENTRAL FLORIDA, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Boys & Girls Clubs of Central Florida, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a more comprehensive description of the Plan's provisions.

General

The Plan, originally effective January 1, 2005, and most recently amended January 1, 2022, is a defined-contribution plan covering substantially all employees, as defined by the Plan, of Boys & Girls Clubs of Central Florida, Inc. (the Company, Employer or Plan Sponsor). The Plan is intended to satisfy all the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2022, the Plan was amended to reinstate the Company's safe harbor matching contributions to each eligible participant in an amount equal to 100% of the participant's salary deductions up to 3% of Plan compensation plus 50% of the participant's salary deferrals up to the next 2% of Plan compensation.

Eligibility

Employees become eligible to make salary deferrals and receive Company contributions upon completion of one year of service, defined as at least 1,000 hours of service, and upon attaining the age of 21. Contributions may be made to the Plan on the first day of the calendar quarter coinciding with, or next following, the date eligibility requirements are met.

Contributions

Participants may elect to make pre-tax or after-tax Roth contributions up to 100% of their eligible annual compensation, as defined in the Plan agreement, up to a certain statutory maximum which is set by law each year. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions to the Plan. The Company may provide a discretionary matching contribution equal to a uniform percentage of participant salary deferrals as determined by the Company. The Company did not provide a discretionary match during 2021. Additional profit-sharing amounts may be contributed by the Company at its discretion. Employer profit-sharing contributions during 2021 were 7% of eligible compensation. The Plan had previously provided a safe harbor matching contribution to each eligible participant. Effective June 30, 2020, the Plan was amended to suspend the safe harbor matching contribution. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

Participant Accounts

Participant accounts are credited with the participant's and Employer contributions, and allocations of the Plan earnings, and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Plan earnings and losses, and certain administrative expenses, are allocated based on account balances while contributions are credited based upon elective deferrals and compensation, as defined. Transaction fees are charged directly to the accounts of the participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BOYS & GIRLS CLUBS OF CENTRAL FLORIDA, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Options

Participants direct the investments of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

Vesting

Participants are immediately vested in their elective deferral contributions, rollover contributions, and Employer safe harbor matching contributions plus actual earnings thereon at all times and also become 100% vested in their Employer discretionary matching and profit-sharing contributions upon death or disability or attainment of normal retirement age, as defined. Upon termination for any other reason, participants are entitled to a portion of their Employer discretionary matching and profit-sharing contributions in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Vested (%)</u>
1	-
2	20
3	40
4	60
5	80
6	100

Participant Loans

The Plan does not allow loans to participants and beneficiaries.

Forfeitures

Any non-vested amounts remaining after the distribution of a terminated participant's vested account balance are forfeited. Amounts forfeited by participants may be used to pay Plan expenses or to reduce Company contributions. During the year ended December 31, 2021, forfeitures of \$16,335 were used to pay Plan expenses. At December 31, 2021 and 2020, the balance of the forfeited non-vested accounts were \$168,647 and \$7,187, respectively.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, participants or their beneficiaries may elect to receive either a lump sum or direct rollover to an eligible retirement plan for an amount equal to the value of the participant's vested interest in their account. If a participant's vested account balance is more than \$1,000 and less than \$5,000, and the participant does not make an election, the Plan automatically will rollover the distribution to an Individual Retirement Arrangement (IRA) designated by the Plan administrator. In-service distributions may be made to participants who have attained age 59½. Hardship withdrawals may be requested from all contribution types except Employer safe harbor matching contributions and are paid in one lump sum upon approval. Coronavirus Aid, Relief, and Economic Security Act (CARES Act)

On March 27, 2020, in response to the novel coronavirus (COVID-19) pandemic, the U.S. Congress enacted the CARES Act, which among other things, included temporary relief provisions that impacted retirement plan withdrawal rules for qualified participants. The provisions of the CARES Act were permitted to be treated as effective and operationalized immediately upon enactment and prior to amending the Plan document. The Plan allowed for certain of the temporary relief provisions for qualified individuals (as defined under the CARES Act) including penalty-free coronavirus-related distributions of up to \$100,000 with repayment terms of up to three years. The CARES Act also waived required minimum distributions that would have been payable during 2020. The temporary CARES Act provisions expired December 31, 2020.

Note 2 - Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See additional discussion on fair value measurements in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Certain transaction fees for disbursements are charged directly to the accounts of the participants who incur those fees. Certain administrative fees are allocated to participants proportionally based on the value of their account balance. Any costs associated with the investment of a participant's account are charged to the participant.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Note 3 - Information Certified by John Hancock

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule, which was certified by the John Hancock Life Insurance Company, (John Hancock), as of December 31, 2021 and 2020, and for the year ended December 31, 2021, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

<u>December 31,</u>	<u>2021</u>	<u>2020</u>
Investments, at Fair Value	\$ 7,615,694	\$ 7,194,280
Non-Interest-Bearing Cash	\$ 168,647	\$ 7,188
 <u>Year Ended December 31, 2021</u>		
Net Appreciation in Fair Value of Investments		\$ 947,590

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BOYS & GIRLS CLUBS OF CENTRAL FLORIDA, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts - The Plan holds units of participation in separate accounts which invest directly in designated actively traded mutual funds and are valued daily at their net asset values (NAV). Included in pooled separate accounts is a stable value fund which represents participation units of a collective investment trust for which the NAV is based on the market value of the underlying investments. The stable value fund is composed primarily of fully benefit-responsive investment contracts that are valued at the NAV of the bank collective trust. NAV is computed by dividing the proportion of the market value, after deduction of any applicable charges, by the number of units outstanding. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments on these investments. Redemption restrictions include a maximum of two exchange days per calendar month. In addition, payment of certain withdrawals from the stable value fund may be delayed for up to 12 months.

The underlying investments include the following:

	December 31,	
	2021	2020
Target Date (a)	\$ 6,172,068	\$ 6,037,297
Fixed Income (b)	119,814	117,141
Large Cap (c)	419,219	262,966
International (d)	174,008	122,647
Small/Mid Cap (e)	386,836	285,897
Stable Value Fund (f)	<u>343,749</u>	<u>368,332</u>
Total Pooled Separate Accounts	<u>\$ 7,615,694</u>	<u>\$ 7,194,280</u>

- (a) Target Date - Seeks high total return until its' target retirement date, with a greater focus on income as the target date approaches.
- (b) Fixed Income - Seeks to maximize total return consistent with reasonable risk investing primarily in net assets in a diversified portfolio of bonds or fixed income instruments of varying maturities.
- (c) Large Cap - Seeks long-term growth of capital or a combination of growth and income by investing primarily in stocks of larger, mature companies.
- (d) International - Seeks international diversification by investing in stocks of companies outside of the United States.
- (e) Small/Mid Cap - Seeks capital appreciation by investing primarily in stocks of small and medium sized companies.
- (f) Stable Value Fund - Seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term

NOTES TO FINANCIAL STATEMENTS

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with the fair value accounting standard, as the Plan's PSAs are measured at fair value using the unadjusted NAV practical expedient, they are not categorized within the fair value hierarchy. The Plan does not have any Level 1, 2, or 3 financial instruments.

Note 5 - Related-Party and Party-in-Interest Transactions

The Plan's investments and non-interest bearing cash are managed by John Hancock, its investment advisor and third-party administrator. The Plan also pays fees to John Hancock. These transactions qualify as party-in-interest transactions. Administrative fees paid to this party-in-interest totaled \$84,842 for the year ended December 31, 2021.

Note 6 - Plan Termination

Although the Company has not expressed any intent to do so, it has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7 - Income Tax Status

The Plan is based on a Volume-Submitter 401(k) Profit-Sharing Plan (the Volume-Submitter Plan). The IRS ruled on March 31, 2014, that the Volume-Submitter Plan qualifies under Section 401(a) of the IRC under the Volume-Submitter program and the related trust is, therefore, not subject to tax under the present income tax law. The Plan has been amended since receiving the ruling. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routing audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the values of investment securities could occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

In March 2020, the World Health Organization classified the COVID-19 outbreak as a pandemic. The effects of the COVID-19 pandemic have caused volatility in financial markets and may continue to affect the value of investments held by the Plan. Due to the uncertainty of the duration and the continued effects of this pandemic, the near and long-term financial effects cannot be reasonably estimated at this time.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through December 31, 2021, as of September 9, 2022, the date the financial statements were issued. No material events have occurred since December 31, 2021, that require recognition or disclosure in the financial statements except as described in Note 1.
