INDEPENDENT AUDITORS' REPORT

To the Retirement Committee of
Scripps Clinic Medical Group, Inc. Retirement Savings Plan
La Jolla, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Scripps Clinic Medical Group, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements Section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Scripps Clinic Medical Group, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not effect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scripps Clinic Medical Group, Inc. Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scripps Clinic Medical Group, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant account estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scripps Clinic Medical Group, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Scripps Clinic Medical Group, Inc. Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SCRIPPS CLINIC MEDICAL GROUP, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Years ended December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN

The following description of the Scripps Clinic Medical Group, Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement or the summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution salary reduction plan. Effective August 11, 2015, the Plan was amended and restated in its entirety. It is designed to provide retirement benefits to eligible employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The costs of administering the Plan are borne primarily by the Company.

The Plan is administered by the Scripps Clinic Medical Group, Inc. Retirement Committee (the Committee). The primary duty of the Committee is to administer the Plan in accordance with the terms of the Plan and Trust Agreement and to serve as an intermediary between and among the employees, the Company, and the Trustee.

Eligibility: Employees who are classified as 50% full time equivalent or greater are eligible to participate in the Plan on their hire date. In addition, employees are eligible to participate in the Plan once they complete 1,000 hours of service within a twelve-month period regardless of whether they were originally classified as a 50% or more full-time equivalent employee. Employees classified as Fellows, Residents, or Training Program Participants are not eligible employees.

Contributions: Eligible employees may elect to defer a percentage of their pre-tax compensation as defined in the Plan. The maximum employee contribution permitted by the Internal Revenue Service for calendar years 2021 and 2020 was \$19,500, respectively. In addition, participants who had attained age 50 by year end could also make catch-up contributions of \$6,500 for 2021 and 2020, respectively.

The Company may make discretionary Profit Sharing Contributions to the Plan. Participants who are classified as a 50% or more full time equivalent employee and have been actively employed during the plan year are eligible to share in the discretionary contribution. Participants are assigned to a group, after the amount of contribution for each group is determined, such amount is allocated to Participants on a point system based on date of hire, job title and full-time equivalent status. The Company may make an additional employer discretionary amount referred to as a Supplemental Profit Sharing Contributions. Participants are assigned to a separate allocation group for purposes of allocating this contribution. Contribution is allocated annually and also requires an employee to be a 50% or more full time equivalent employee. The employer contributions totaled approximately \$21,500,000 and \$21,000,000 for the years ended December 31, 2021 and 2020.

Years ended December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts: The Trustee maintains separate investment accounts for each participant in which the participant directs his or her own investment. Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's discretionary contributions and (b) earnings derived from investments held in the account, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their salary reduction contributions plus actual earnings thereon. Vesting in the Company discretionary profit sharing and supplemental employer contributions is based on years of service. Years of service for vesting purposes is based upon the completion of 1000 hours of service within the plan year. A participant is 20% vested after one year of service and continues to vest 20% per year thereafter. Participants are fully vested after 5 years of service.

Payment of Benefits: Distributions of a participant's account are made upon termination of service, death, disability, or retirement. Distributions are made in either a lump-sum payment or in annual installments, as defined by the Plan. If the participant's vested account does not exceed \$1,000 and if the Company does not receive a request for payment, distribution is made in a lump sum. If the participant's vested account is greater than \$1,000 but less than \$5,000, and if the Company does not receive a request for payment, such account will be rolled over to a Charles Schwab IRA. If the participant's vested account exceeds \$5,000, the participant may elect to receive payment or defer receipt of payment according to Plan provisions. In addition, an in-service withdrawal can be made in the form of a lump-sum payment to participants who have attained the age of 59-1/2.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts and disclosures at the date of the financial statements and reported amounts during the reporting period. Actual results could differ from the estimated amounts.

SCRIPPS CLINIC MEDICAL GROUP, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Years ended December 31, 2021 and 2020

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes realized gains and losses on investments that were both purchased and sold during the period as well as investments held at year-end.

Cash and Cash Equivalents: The Plan considers cash on hand and demand deposits in banks as cash and all highly liquid investments with a maturity of three months or less to be cash equivalents.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized as it is earned. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Excess Contributions Refundable: Amounts payable to participants for contributions in excess of the amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits: Benefits are recorded when paid.

Note 3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

Charles Schwab Trust Bank, the Trustee of the Plan, certified certain information as of and for the years ended December 31, 2021 and 2020. The certified information was not audited in accordance with the Plan Administrator's instructions and as permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information included in the accompanying financial statements and supplementary schedules, certified by the Trustee, consists of the following:

	2021	2020
Investments, at fair value		
Self-directed brokerage accounts	\$ 300,773,376	\$ 281,474,679
Exchange Traded Funds	462,810,061	382,493,528
Money market funds	15,139,060	20,002,549
Funds pending settlement	619,195	110,695
Notes receivable from participants	1,085,674	1,306,484
Interest income on participant loans	56,090	68,382
Net investment income	89,257,346	80,196,609

Note 4. RISK AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds and other securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in those factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Note 5. FAIR VALUE MEASUREMENTS

The fair value measurement topic of the FASB Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1. Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SCRIPPS CLINIC MEDICAL GROUP, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Years ended December 31, 2021 and 2020

Note 5. FAIR VALUE MEASUREMENTS (CONTINUED)

- Level 2. Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Exchange traded funds are valued at the closing price reported on the active market on which the individual securities are traded (Level 1).
- Money market funds are short term investments valued at amortized cost which approximates fair value (Level 2).

Self-directed brokerage accounts, in addition to mutual funds, consist of the following:

- Common stocks, preferred stocks, and unit investment trusts are valued at the closing price reported on the active market on which the individual securities are traded (Level 1).
- Partnership and LLC interests are valued at quoted market prices if publicly traded (Level 1). If not publicly traded, value is determined by the general partner or, when practical, by valuation if the general partner does not respond to the Trustee's request (Level 3).
- Bonds and notes are valued at the mid-point between the most recent bid and asked quotes or, if such quotes are unavailable, at prices for securities of comparable maturity, credit quality and type (Level 2).
- Other investments are valued using significant observable inputs such as quoted prices for similar securities, interest rates, and yield curves, etc. to calculate prices, or are valued based on dealer quotes (Level 2).

Notes to Financial Statements

Years ended December 31, 2021 and 2020

Note 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Assets at fair value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 290,010,526	\$ 10,762,850	\$ --	\$ 300,773,376

Notes to Financial Statements

Years ended December 31, 2021 and 2020

Note 6. FORFEITURES

Forfeitures accumulate from excess Company contributions and employees who have terminated prior to full vesting of their Company contributions. Forfeitures will be used to reduce future Company contributions or Plan expenses. Forfeitures of approximately \$553,000 and \$150,000 were used to reduce Company contributions during the years ended December 31, 2021 and 2020, respectively. Forfeitures balance at December 31, 2021 and 2020 were \$104,115 and \$154,004, respectively.

Note 7. NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow, from his or her account, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the rate charged by other lenders for loans made under similar circumstances. The repayment term of the loan is not to exceed five years, except for loans used to purchase or improve the participant's primary residence, which has a repayment term not to exceed 30 years. Principal and interest is paid through payroll deduction.

Note 8. FEDERAL INCOME TAX STATUS

The Plan has adopted a volume submitter plan which received a favorable determination letter dated February 16, 2017, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authority. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audit by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Note 9. PARTICIPANT WITHDRAWALS AND DISTRIBUTIONS

At December 31, 2021 and 2020, there was no unpaid distributions included in accounts of participants who have elected to withdraw from participation in the Plan.

Years ended December 31, 2021 and 2020

Note 10. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 11. PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2021 and 2020, certain Plan investments are invested in shares of exchange traded funds managed by Charles Schwab Bank, the Plan's trustee. Therefore, these transactions qualify as party-in-interest transactions under ERISA.

Note 12. NONEXEMPT TRANSACTIONS

The Department of Labor (DOL) has reviewed the Company's payroll and remittance procedures and determined that employee contributions and loan repayments could be reasonably segregated and remitted to the Plan's account within three (3) business days from the date withheld from employee paychecks. The DOL considers late deposits to be prohibited transactions. Based on this criteria, \$3,739,013 in contributions and loan repayments were deposited late in 2021. The Plan sponsor will reimburse the plan for lost interest and will pay applicable excise tax in 2022.

Note 13. PLAN ADMINISTRATION FAILURE

On February 21, 2020, the Plan was selected for review by the U.S. Department of Labor (DOL) to determine compliance with the provisions of ERISA. The review period covered January 1, 2017 through 2020. On June 15, 2021, the DOL completed their review. One of the findings identified was related to the Cash Value Insurance contracts held by participants. According to Plan document, life insurance policies are not a permitted investment. In addition, the Plan failed to report those assets on the Plan's Annual Report Form 5500. Subsequent to the issuance of the violations, the Plan worked with the Plan's Trustee and Custodian to remove the life insurance policies from the Plan as of December 31, 2021.

Note 15. CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

During 2020, the Plan adopted the distribution and loan provisions under the Coronavirus Aid, Relief, and Economic Security ("CARES") Act enacted on March 27, 2020. Under the provisions of the CARES Act, qualified participants could withdraw coronavirus-related distributions that are not subject to the 10% additional tax under the IRC.

The CARES Act also increased the \$50,000 aggregate limit to \$100,000 and the rule limiting the aggregate amount of loans from 50% of the participant's vested account balance to 100% of the participant's vested account balance for loans issued on or after March 27, 2020 and before September 23, 2020.

Note 16. SUBSEQUENT EVENTS

Management has evaluated its December 31, 2021 and 2020 financial statements for subsequent events through September 29, 2022, the date of issuance of the financial statements and is not aware of any subsequent events that would require additional recognition or disclosure in the financial statements.
