PCF/RCT 401(k) Profit Sharing Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of PCF/RCT 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of PCF/RCT 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PCF/RCT 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PCF/RCT 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PCF/RCT 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is

presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of PCF/RCT 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 12, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PCF/RCT 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of the PCF/RCT 401(k) Profit Sharing Plan (the Plan) (formerly the Pacific Coast Fruit Company 401(k) Profit Sharing Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. Effective June 12, 2019, the Rose City Transportation, Inc. 401(k) Profit Sharing Plan merged into the Plan to form the PCF/RCT 401(k) Profit Sharing Plan. The most recent restatement of the Plan is effective June 12, 2019.

General

The Plan is a defined contribution plan covering all employees of Pacific Coast Fruit Company, Inc.; Rose City Transportation, Inc.; Alloro Vineyard, Inc.; and Alloro Agricoltura, LLC (collectively referred to as the Company), excluding collective bargaining (union) employees. Employees who have completed one year of service and are age 21 or older are eligible for profit sharing contributions. Employees who have completed three consecutive months of service and are age 21 or older are eligible for deferral contributions. A participant may enter the Plan on the first day of the calendar quarter upon reaching eligibility. The Plan Administrator and investment committee oversee governance of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan includes automatic enrollment for newly eligible employees. The Company will automatically deduct 3 percent of a participant's compensation (as defined in the Plan Agreement), on a pre-tax basis. Participants have the option to change their rate of contribution or decline participation entirely. Total annual deferrals may not cause the participant's total contributions to exceed limitations provided by the Internal Revenue Code (IRC). Additionally, employees age 50 or older are eligible to contribute "catch-up" contributions up to Internal Revenue Service (IRS) limits. The Plan has also implemented an auto escalation feature which increases by 1 percent each year, on the participant's anniversary date, up to a maximum of 6 percent of compensation. Participants may also contribute amounts representing rollover distributions from other qualified defined contribution plans.

The Company may make discretionary nonelective (profit-sharing) contributions. Participants must complete 1,000 hours of service in the Plan year and be employed on the last day of the year to share in an allocation of Company profit-sharing contributions. All contributions are limited to the applicable amounts as prescribed by the IRC. For the year ended December 31, 2021, the Company made a profit-sharing contribution of 4 percent of the participants' eligible compensation for all employees of Pacific Coast Fruit Company and Rose City Transportation, and made a profit-sharing contribution of 2 percent of the participants' eligible compensation for all employees of Alloro Vineyard. For the year ended December 31, 2020, the Company made a profit-sharing contribution of 4 percent of the participants' eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) the Plan's investment earnings or losses, and (c) certain Plan administration costs not covered by the Plan Sponsor. The benefit to which a participant is entitled is the accumulated, vested balance of the participant's account.

PCF/RCT 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting

Participants are immediately vested in their elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant becomes 100 percent vested after three years of credited service, with no graded vesting occurring prior to three years of credited service. Unvested portions of account balances of participants that leave employment are used to offset future Company contributions. Unvested portions may also be used to pay Plan expenses.

Forfeitures

The non-vested account of a participant will be forfeited if a participant is terminated. Nonvested accounts forfeited during the years ended December 31, 2021 and 2020 totaled \$11,143 and \$4,105, respectively. Forfeited accounts can be used to reduce employer profit share contribution or pay administrative expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$22,935 and \$25,812, respectively. Forfeitures of \$14,020 and \$15, net of earnings, were used to offset employer contributions and reduce administrative expenses, for the years ended December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate of 1 percent plus the prime rate. Principal and interest installments are paid ratably through payroll deductions. Participants may have no more than one loan outstanding with the Plan.

As a result of the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) signed into law on March 27, 2020, the maximum loan amount increased to the lesser of \$100,000 or 100 percent of a participant's vested balance. This temporary relief only applied to loans initiated through September 22, 2020.

Payments of Benefits

On termination of service, death, disability, or retirement, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, annuity, or direct rollover to an eligible retirement plan. Participants may take an in-service distribution upon reaching age 59½. Withdrawals from the Plan may also be made upon circumstances of financial hardship in accordance with provisions specified in the Plan. If a participant has an immediate and heavy financial need, hardship withdrawals are allowed under the Plan in an amount not to exceed the lesser of the participant's elective deferrals and employer contributions, or the amount of the financial need.

Under the CARES Act, signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

PCF/RCT 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment in common/collective trusts, which are not considered to be fully benefit responsive at the Plan level, are valued at fair market value which approximates contract value. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Related fees are charged directly to the borrowing participants account and are included in administrative expense when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan administrative expenses, excluding certain transaction fees paid by the Plan from Plan assets, are paid by the Company and therefore excluded from these financial statements. Investment related expenses are included in net change in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

PCF/RCT 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

3. Information Prepared and Certified by the Trustees

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustees of the Plan as complete and accurate as of and for the years ended December 31, 2021 and 2020, except for comparing such information certified by the trustees to information included in the Plan's financial statements and supplemental schedule.

The following information was obtained from data that has been prepared and certified as complete and accurate by the trustees, as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Registered investment companies	\$ 15,915,695	\$ 13,067,338
Common/collective trust	3,062,741	3,499,470
Notes receivable from participants	241,093	256,046
Net change in fair value of investments	1,157,628	1,547,457
Dividend income	615,619	320,323
Interest on notes receivable from participants	12,662	13,519

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants would become 100 percent vested in their Company contributions.

5. Tax Status

The Company has adopted a Volume Submitter Profit Sharing Plan with CODA sponsored by Great-West Trust Company, LLC, which the Internal Revenue Service ruled on March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Coded (IRC). Although the Plan has been amended since receiving the opinion letter the Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

PCF/RCT 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

6. Related Party Transactions

Certain Plan investments are maintained and managed by Great-West. Great-West is the fiduciary, and one of the trustees of the Plan. Fees paid to Great-West were \$92,761 and \$68,006 for the years ended December 31, 2021 and 2020, respectively. These party in interest transactions are exempt from the prohibited transactions rules of ERISA.

7. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common/collective trust: Units held in the common/collective trusts are valued using the net asset value (NAV) of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. Participant transactions (purchases and sales) may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the common/collective trusts measured at NAV have not been classified in the fair value hierarchy. All common/collective trusts investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

PCF/RCT 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

7. Fair Value Measurements, continued

Registered investment companies: Valued at the daily closing price as reported by the fund. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC and are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Investments in the fair value hierarchy:

8. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Reconciliation of Form 5500 to the Financial Statements

The following schedule reconciles net assets available for benefits from Form 5500 to the financial statements at December 31:

	<u>2021</u>	<u>2020</u>
Total net assets per Form 5500	\$ 19,219,529	\$ 16,822,854
Employer contributions receivable	<u>878,784</u>	<u>828,621</u>
Total net assets per financial statements	<u>\$ 20,098,313</u>	<u>\$ 17,651,475</u>

The following schedule reconciles total contributions from Form 5500 to total contributions per the financial statements for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Total contributions per Form 5500	\$ 2,589,019	\$ 1,772,706
Increase (decrease) in employer contributions receivable	<u>50,163</u>	<u>410,324</u>
Total contributions per financial statements	<u>\$ 2,639,182</u>	<u>\$ 2,183,030</u>

10. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
