INDEPENDENT AUDITOR'S REPORT

To the Benefit Committee
Hattiesburg Clinic P.A. Savings Plan
Hattiesburg, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hattiesburg Clinic P.A. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hattiesburg Clinic P.A. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, a qualified institution, as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hattiesburg Clinic P.A. Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hattiesburg Clinic P.A. Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

To the Benefit Committee
Hattiesburg Clinic P.A. Savings Plan
Hattiesburg, Mississippi

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hattiesburg Clinic P.A. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hattiesburg Clinic P.A. Savings Plan's ability to continue as a going concern for a reasonable period of time.

To the Benefit Committee
Hattiesburg Clinic P.A. Savings Plan
Hattiesburg, Mississippi

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Benefit Committee
Hattiesburg Clinic P.A. Savings Plan
Hattiesburg, Mississippi

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

HATTIESBURG CLINIC P.A. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Hattiesburg Clinic P.A. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Hattiesburg Clinic, P.A. (the Company) who have been employed for one year, completed at least 1,000 hours of service in that year, and who are age 21 or older. In addition, effective January 1, 2021, the Plan also covers employees that complete at least 500 hours in three consecutive twelve-month periods. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Benefit Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

Contributions - Each year, participants may contribute up to 75.00% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan uses a default investment option for participants who fail to direct the investment of the assets in their account. The Company makes a safe-harbor matching contribution of 100.00% of the first 3.00% and 50.00% of the next 2.00% of compensation that a participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors for those employees who have completed two years of service, have met entry date requirements, and are employed on the last day of the year. For the year ended December 31, 2021, the Company made a \$1,617,563 profit sharing contribution to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and the Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in all contributions plus actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS

PAGE TWO

DECEMBER 31, 2021 AND 2020 AND YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Cont.)

Notes Receivable from Participants - Prior to the Coronavirus Aid, Relief, and Economic Security (CARES) Act (see Note 11) being signed into law, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Under provisions of the CARES Act, participants could borrow up to the lesser of \$100,000 or 100% of their vested account balance, for loans made during the 6 months following March 27, 2020, the date of enactment. In addition, qualified participants were allowed to suspend loan payments for the period March 27, 2020 through December 31, 2020. As of January 1, 2021, the CARES Act no longer applied and the borrowing amounts and payments for loans reverted back to the previous rules. The loans are secured by the balance in the participant's account and bear interest at fixed rates that are equal to the current prime rate plus 1.00%. Principal and interest is paid ratably through either bi-weekly or monthly payroll deductions.

Payment of Benefits - On termination of service due to death, disability, retirement or incurrence of a break in service, a participant may elect to receive benefits in installments over a fixed period or in a single lump-sum payment. Benefits of less than \$5,000 are paid in a single lump-sum payment. In addition, under certain circumstances, distributions are paid in the form of a Qualified Joint Survivor Annuity, or the participant may elect either of the previous two options.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

The summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are representations of the Plan's management, who is responsible for their integrity and objectivity. These policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

DECEMBER 31, 2021 AND 2020 AND YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Cont.)

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Benefit Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are included in administrative expenses as reported on the statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through September 30, 2022, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained by management and agreed to or derived from information certified as complete and accurate by the custodian of the Plan. Investments are presented at fair value, except for the interest in the common collective trust, which is presented at contract value.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of this fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

DECEMBER 31, 2021 AND 2020 AND YEAR ENDED DECEMBER 31, 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (Cont.)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Equity mutual funds are valued at the daily closing price as reported by the fund. Equity mutual funds held by the plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The equity mutual funds held by the Plan are deemed to be actively traded. Fixed income mutual funds are valued based on quoted market prices and dealer quotations of alternative pricing sources supported by observable inputs.

Self-directed brokerage account: Primarily consists of mutual funds and common and preferred stocks that are valued on the basis of readily determinable market prices.

Interest-bearing cash: Valued at the amount payable on demand at the reporting date (that is, their carrying amounts).

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

NOTE 5 - FIDELITY MANAGEMENT TRUST COMPANY MANAGED INCOME PORTFOLIO

At December 31, 2021 and 2020, the Plan had investments in a stable value fund, Fidelity Management Trust Company (FMTTC) Managed Income Portfolio (the Portfolio), in the amount of \$20,420,571 and \$21,294,159, respectively. This stable value fund is a common collective trust that invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into "wrap" contracts issued by third-parties and invests in cash equivalents represented by shares in money market funds. FMTTC seeks to minimize the exposure of the Portfolio to wrap credit risk through, among other means, diversification of the wrap contracts across an approved group of issuers. The Portfolio's ability to receive amounts due pursuant to these contracts is dependent upon the issuer's ability to meet their financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by FMTTC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

DECEMBER 31, 2021 AND 2020 AND YEAR ENDED DECEMBER 31, 2021

NOTE 5 - FIDELITY MANAGEMENT TRUST COMPANY MANAGED INCOME PORTFOLIO (Cont.)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the asset custodian for the Plan and, therefore, these transactions qualify as party in interest transactions.

Fidelity provides certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement (RSA) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the RSA, Fidelity remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing. The Company pays directly any other fees related to the plan's operations.

DECEMBER 31, 2021 AND 2020 AND YEAR ENDED DECEMBER 31, 2021

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would continue to be 100% vested in their employer contributions.

NOTE 8 - TAX STATUS

The IRS has determined and informed the Company by a letter dated April 24, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - PLAN AMENDMENTS

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE) Act was signed into law. Plan management has evaluated the provisions under the SECURE Act and has adopted the following:

- Effective January 1, 2020, the age requirement for required minimum distributions changes from 70 ½ to 72.
- Effective January 1, 2020, distributions after death of the participant generally must be made by the end of the tenth calendar year following the year of death.
- Effective for plan years beginning after December 31, 2020, long-term part-time employees must be eligible to contribute to the plan once they have reached age 21 and worked at least 500 hours in 3 consecutive 12-month periods.
- Effective during 2022, the defined contribution plan statement must include, at least once during a 12-month period, a lifetime income disclosure that sets forth the “lifetime income stream equivalent” of the participant’s account balance.

During the year ended December 31, 2020, the spread of a novel strain of coronavirus (COVID-19) began in the United States of America causing economic uncertainties for individuals and business entities. The CARES Act was enacted to provide relief resulting from these economic uncertainties, which includes, among other provisions, several relief offerings available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has adopted the following:

- Qualified individuals were permitted to request penalty-free distributions of up to \$100,000 during the year ended December 31, 2020 with the option to repay these distributions in the future.
- Participants could elect to suspend required minimum distributions for the 2020 plan year.
- Additional provisions related to notes receivable from participants were described previously in Note 1.

Written amendments to the Plan to reflect any operational changes related to the SECURE Act and CARES Act may be adopted at a later date in accordance with applicable law and IRS guidance.

Effective March 1, 2021, the Plan was amended to clarify provisions regarding installment payments and to reflect additional systematic withdrawal payment options.
