INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
Visions Federal Credit Union 401(k) Plan
Endicott, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Visions Federal Credit Union 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Empower Retirement, LLC (Empower) as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

VISIONS FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Visions Federal Credit Union (the Credit Union) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Visions Federal Credit Union and Visions Analysis, LLC (collectively, the Plan sponsor). Employees are eligible to participate in the Plan upon satisfaction of three consecutive months of employment from their employment commencement date and must have attained twenty-one years of age. Employees are automatically enrolled into the Plan after meeting the eligibility requirements unless they elect not to participate. The initial automatic deferral is 3% of compensation for each payroll period unless otherwise elected by the participant and escalates by 1% of compensation on the first day of each Plan year following the commencement of the initial automatic deferral up to a maximum of 6% of compensation. All assets acquired under the Plan are the result of employer and participant contributions thereto, and all income and other additions thereto are administered, distributed, forfeited or otherwise governed by the provisions of the Plan and the ERISA. The Credit Union's Board of Directors is responsible for the oversight of the Plan. The 401(k) Fiduciary Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Directors.

Contributions: Participants are allowed to make elective salary deferrals up to 100% of pretax annual compensation or the maximum amount allowed by the Internal Revenue Code (IRC), \$19,500 in both 2021 and 2020. After tax Roth deferrals are also permitted under the Plan. Additionally, if a participant has or is projected to attain age 50 before the end of the Plan year, the participant may elect to make "catch-up" contributions as determined by the IRC, \$6,500 in both 2021 and 2020. The Plan is designed to qualify as a Qualified Automatic Contribution Arrangement (QACA) safe harbor 401(k) plan, providing for a safe harbor non-discretionary employer match. The same minimum age and service conditions apply to determine eligibility for safe harbor employer matching contributions as those that determine eligibility for participating in the Plan. The safe harbor employer match is calculated as 100% of the participant's elective deferrals that do not exceed 1% of compensation, plus 50% of the participant's elective deferrals that exceed 1% of compensation but do not exceed 6%. The Plan also allows participant rollover contributions from other qualified plans.

VISIONS FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Vesting: Participants are immediately vested in their elective salary deferral contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of credited service. Participants are 100% vested in the employer QACA safe harbor non-discretionary matching contributions after two years of credited service where 500 hours equals one year of service.

Forfeited Accounts: Participants' forfeited non-vested amounts are used to reduce future employer contributions and/or Plan expenses. During 2021 and 2020, forfeitures were used to reduce employer contributions and amounted to \$14,670 and \$38,287, respectively. Forfeited, non-vested account balances totaled \$1 and \$5,166 at December 31, 2021 and 2020, respectively.

Participant Accounts: Each participant's account is credited with the participant's elective salary deferral contributions, non-discretionary employer safe harbor matching contributions and an allocation of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participants' earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits: Upon termination of service due to death, disability, retirement or other reasons, as defined by the Plan, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account either in a lump-sum, in installments, in partial withdrawals or in an annuity. If a terminated participant's vested account balance is \$1,000 or less, and they fail to make a distribution election, a lump sum amount will be paid to the participant without their consent as soon as administratively feasible following the participant's termination date. If a participant's vested account balance is between \$1,000 and \$5,000 and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. Participants are also entitled to in-service hardship distributions, as defined by the Plan, for certain qualifying expenses. A hardship distribution is limited to the amount necessary to meet the participant's financial need and must be approved by the Plan administrator.

NOTES TO FINANCIAL STATEMENTS--Continued

VISIONS FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits--Continued: On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. In response to the pandemic, effective March 27, 2020, the Plan adopted the following provisions of the Coronavirus Aid, Relief and Economic Security (CARES) Act that was signed into law on March 27, 2020 to help those participants impacted by COVID-19:

- Participants are permitted to take a distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without incurring the early withdrawal penalty.
- Participants and beneficiaries may elect to suspend required minimum distributions for the 2020 Plan year without penalty.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments in registered investment companies (mutual funds) and a self-directed brokerage account are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors, trustee and custodian. See Note D for discussion of fair value measurements. The Plan's insurance company general account is stated at contract value.

NOTES TO FINANCIAL STATEMENTS--Continued

VISIONS FEDERAL CREDIT UNION 401(k) PLAN

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Investment Valuation and Income Recognition--Continued: Purchases and sales of shares in registered investment companies (mutual funds) and investments in a self-directed brokerage account are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. All investments are participant directed.

Payment of Benefits: Benefits are recorded when paid.

Administrative Fees: Certain expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative fees. The Credit Union can elect to pay certain administrative costs from forfeited nonvested accounts which are also included in administrative fees. Investment related expenses are included in net appreciation of fair value of investments.

Events Occurring After Reporting Date: The Plan's management has evaluated events and transactions that occurred between December 31, 2021 and September 23, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Other than the subsequent event disclosed in Note E, there were no other events or transactions identified by Plan management.

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY CUSTODIANS (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Empower Retirement Services (Empower) and Massachusetts Mutual Life Insurance Company (MassMutual), respectively, and furnished to the Plan Administrator. The Plan Administrator obtained certifications from Empower and MassMutual, the custodians of the Plan for the 2021 and 2020 Plan years, respectively, that information provided to the Plan Administrator by Empower and MassMutual related to the following assets and activity is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to information which appears within this Note, Note D and throughout the financial statements and supplemental schedule related to the following assets and activity.

VISIONS FEDERAL CREDIT UNION 401(k) PLAN

December 31, 2021 and 2020

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY CUSTODIANS (UNAUDITED)--Continued

Insurance Company General Account: The Plan maintains an insurance company general account which represents a guaranteed interest account provided through a traditional investment contract with MassMutual that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Effective December 31, 2020, this product is reinsured by Empower Annuity Insurance Company of America. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The traditional investment contract held by the Plan is a group annuity contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and is reviewed at least annually and no more frequently than quarterly. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events could include: 1) the Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC; 2) premature termination of the contract; 3) Plan termination or merger; 4) changes to the Plan's prohibition on competing investment options and; 5) conservatorship of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events could include: 1) an uncured violation of the Plan's investment guidelines; 2) a breach of material obligation under the contract; 3) a material misrepresentation and; 4) a material amendment to the agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer or that would limit the ability of the Plan to transact at contract value with the participants.

NOTE D--FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used and there were no transfers between Levels 1, 2 or 3 during the years ended December 31, 2021 and 2020.

Registered investment companies: Valued at the daily closing price as reported by the registered investment companies. The registered investment companies are open-ended and are registered with the Securities and Exchange Commission. These registered investment companies are required to publish their daily net asset value and to transact at that price. The shares held in registered investment companies by the Plan are deemed to be actively traded (Level 1).

NOTE D--FAIR VALUE MEASUREMENTS (UNAUDITED)--Continued

Self-directed brokerage account: Unit value is calculated based upon the observable net asset values of the underlying investments (Level 2).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by Level, within the fair value hierarchy, the Plan's investments at fair value:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Registered investment companies	\$ 47,783,387	\$ -0-	\$ -0-	\$ 47,783,387

NOTE E--TAX STATUS AND SUBSEQUENT EVENT

Effective November 15, 2014, the Plan adopted a volume submitter plan provided by MassMutual. The IRS has determined and informed the volume submitter plan provider by a letter dated March 31, 2014 that the volume submitter plan and the related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE E--TAX STATUS AND SUBSEQUENT EVENT--Continued

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrators believe it is no longer subject to income tax examinations for years prior to 2018.

Effective May 1, 2022, the Plan adopted a non-standardized pre-approved plan provided by Great-West Trust Company, LLC. The IRS has determined and informed the plan provider by a letter dated June 30, 2020 that the non-standardized pre-approved plan is designed in accordance with applicable sections of the IRC.

NOTE F--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Transactions which may be considered parties in interest transactions relate to normal Plan management and administrative services, and the related payment of fees. The Plan has not considered contributions from the Plan sponsor to the Plan or benefits paid by the Plan to participants as party in interest transactions.

Effective December 31, 2020, Empower assumed custodial services for the Plan subsequent to Empower's acquisition of MassMutual's retirement plan business. Empower and MassMutual provide investment custodian services and third party administrative services to the Plan for the years ended December 31, 2021 and 2020, respectively. In addition, the Plan invests in an insurance company general account and in shares of registered investment companies that are within the MassMutual sponsored family of funds. For the years ended December 31, 2021 and 2020, transactions with Empower and MassMutual, respectively, as custodians for the Plan, qualify as exempt party-in-interest transactions.

MassMutual receives revenue from mutual fund service providers for services MassMutual provides to the funds. As a result, these mutual fund service providers qualify as parties-in-interest. This revenue is used to offset certain amounts owed to MassMutual for administrative services provided to the Plan. There were no revenues received in excess of the cost of administrative services provided by MassMutual during 2020.

NOTE F--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS--Continued

Administrative fees deducted from the Plan totaled \$12,879 and \$8,912 for the years ended December 31, 2021 and 2020, respectively. The Credit Union directly pays certain other costs and fees related to the Plan's operations. These expenses have been excluded from these financial statements. The Plan Administrator believes all party in interest transactions qualify for either statutory or administrative exemption from the prohibited transaction rules under ERISA.

NOTE G--RISKS AND UNCERTAINTIES

Investments: Participants invest the Plan's assets in various investments, which are exposed to various risks, such as interest rate, market, and credit risks. Furthermore, the investments may hold investment securities with contractual cash flows, such as asset backed securities, collateralized mortgage obligations, and commercial mortgage backed securities, including securities backed by subprime mortgage loans. The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate values, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances, as well as the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Concentrations of Credit Risk: Financial instruments which potentially subject the Plan to credit risk consist of an insurance company general account, mutual funds, and a self-directed brokerage account. These financial instruments may have underlying investments that are maintained within the same family of funds. At December 31, 2021 and 2020, investments in two families of funds approximated 90% of net assets available for benefits.

Pandemic--COVID-19: The ongoing impact of COVID-19 on the Plan's financial statements remains uncertain and will depend on future developments, including the duration of the outbreak, related advisories and restrictions. Plan management is not able at this time to estimate any potential impact on the Plan's financial statements.

NOTE H--PLAN TERMINATION

Although it has not expressed any intent to do so, the Credit Union has the right, under the Plan agreement, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a plan termination, all participants will become 100% vested in their employer contributions.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
