INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
United Cerebral Palsy of the North Bay, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the accompanying financial statements of United Cerebral Palsy of the North Bay, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United Cerebral Palsy of the North Bay, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator and Participants of
United Cerebral Palsy of the North Bay, Inc. Retirement Plan

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Cerebral Palsy of the North Bay, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Cerebral Palsy of the North Bay, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants of
United Cerebral Palsy of the North Bay, Inc. Retirement Plan

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Cerebral Palsy of the North Bay, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Cerebral Palsy of the North Bay, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator and Participants of
United Cerebral Palsy of the North Bay, Inc. Retirement Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of United Cerebral Palsy of the North Bay, Inc. Retirement Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated July 21, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the United Cerebral Palsy of the North Bay, Inc. (Organization) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Organization established a defined contribution 403(b) plan on January 1, 2007 to provide employees with systematic means of savings and investing for the future. All permissible employees of the Organization, as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. Deferrals begin on the first day of the month subsequent to enrollment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants direct the investment of their contributions into various investment options offered by the plan. The Plan's eligible requirement permits all employees who normally work 20 hours or more per week to participate in the plan. During the year ended December 31, 2021 the Plan integrated changes provided under the CARES Act including increasing the limit on loans.

Contributions

Participants may elect to defer (on a pre-tax or after-tax basis) a percentage or a dollar amount of their compensation each year. The employee contributions are subject to the Internal Revenue Service (IRS) regulation limitations. Plan participants over age 50 are eligible to make catch-up contributions, subject to IRS limitations. Special Internal Revenue Code Section 403(b) catch-up contributions are permitted as well, if a participant has 15 years of service, as defined. Contributions made by highly compensated individuals are subject to certain limitations which essentially require them to be proportional to other participants. The amount by which a participant's contribution exceeds the required limit is refunded to the participant in the succeeding year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Organization provides a matching contribution up to 100% of an employee's first 5% of wages contributed to the Plan once an employee has provided one year of service (1,000 hours of service). Employee contributions are funded semi-monthly, and the matching contributions are funded semi-annually. The Organization has the ability to elect to make a discretionary contribution to the Plan. The participants direct the investment of their share of the employer contributions. For the year ended December 31, 2021, the Organization made matching contributions totaling \$232,422. The Organization made no discretionary contributions to the Plan during the year ended December 31, 2021.

NOTES TO THE FINANCIAL STATEMENTS
Year Ended December 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution or rollovers and allocations of (a) the Organization's contributions, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Employer contributions vest according to the following schedule.

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
At least 2 years, but less than 3 years	20%
At least 3 years, but less than 4 years	40%
At least 4 years, but less than 5 years	60%
At least 5 years, but less than 6 years	80%
6 or more years	100%

Notes Receivable from Participants

Participants may also borrow from their fund accounts one loan with a minimum loan amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged from 1 - 5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bore interest at 2 percent above the Prime Rate, as defined. Principal and interest is paid ratably through payroll deductions. Upon termination of employment of the participant, loans immediately become due and payable to the Plan. As of December 31, 2021, there were 11 loans outstanding with an interest rate ranging from 5.25% to 7.50% per annual.

Payment of Benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability, or death. If a participant's account balance is equal to or less than \$1,000, the balance is distributed immediately in a lump-sum cash payment. If the account balance is less than \$5,000 but greater than \$1,000 and the participant does not elect to receive a distribution, the account balance will be distributed in a direct rollover to an individual retirement account designated by the Plan administrator. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan, or postpone payment to a later date and remain in the Plan as described in the Plan document.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits (Continued)

Participants with an immediate and heavy financial need may be eligible for a hardship withdrawal, subject to certain restrictions as described in the plan documents.

Forfeited Accounts

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. In accordance with the provisions of the Plan, any forfeitures created will be used to reduce future employer contributions to the Plan or pay administrative expenses. As of December 31, 2021 and 2020, there were forfeited nonvested accounts under the Plan totaling \$18,061 and \$3,124, respectively. No forfeited amounts were used to reduce employer contributions during the year ended December 31, 2021. Forfeited amounts totaling \$8,540 were used to pay administrative expenses during the year ended December 31, 2021, as allowed under plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Significant accounting policies are described below.

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for those investments measured at contract value, when applicable. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit loss has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Organization pays certain expenses associated with the administration of the Plan, which may include audit fees and cost of communication with participants. Expenses that are paid by the Organization are excluded from these financial statements. The Plan is not required to reimburse the Organization for expenses paid on its behalf. Cost for processing participant distributions or notes receivables from participants are charged to the individual participant originating the transaction. Such fees are included in administrative expenses when incurred. Investment advisory fees are included in administrative expenses when incurred and paid from the Plan. Other investment fees, which may vary according to the individual funds selected, are included in net appreciation in fair value of investments.

Information Prepared and Certified by Nationwide Trust Company

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held as of December 31, 2021 and 2020 and the net appreciation in fair value of investments for the year ended December 31, 2021 was prepared and certified as complete and accurate by Nationwide Trust Company, the custodian of the Plan.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of fair value hierarchy are as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is the description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used during the year ended December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund adjusted for any dividends and capital gains declared. Mutual funds held by the Plan are mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV).

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

December 31, 2021	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ -	\$ 7,392,441	\$ -	\$ 7,392,441
	\$ -	\$ 7,392,441	\$ -	\$ 7,392,441
December 31, 2020	Level 1	Level 2	Level 3	Fair Value
Mutual Funds	\$ -	\$ 6,360,735	\$ -	\$ 6,360,735

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

The Plan has various agreement with custodians, administrators, investment advisors and other service provider to the Plan. Such parties are parties-in-interest under ERISA. Some fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment as they are paid through revenue sharing and other indirect method rather than a direct payment. The following summarizes the expense paid by the Plan for the year ended December 31, 2021:

Party-in-Interest	Services	Amount
Nationwide	Custodial	\$ 8,583
Plan Design Consultants, Inc.	Plan Administration	\$ 3,672
Peery & Associates, Inc.	Plan Administration	\$ 865
Perotti & Carrade, CPA	Auditing	\$ 8,540

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their employer contribution in their accounts.

NOTE 6 - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code or IRC). The terms of the plan have been prepared to confirm with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan obtained its latest opinion letter on March 31, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of the IRC, therefore, the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax provisions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The administrator has concluded that there are no uncertain positions taken or expected to be taken as of December 31, 2021 that would require disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions. Currently, there are no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The net assets available for benefits, employee contributions, and distributions reflected in the financial statements for the year ended December 31, 2021 agrees to the amounts reported on Schedule H of Form 5500.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan offers its participants various investment options. Investment securities are exposed to various risks such as interest rate changes, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

The management and plan administrator have evaluated subsequent events and transactions through September 14, 2022, the date the financial statements were available for issuance. No subsequent events have occurred that would have a material impact on the presentation of the Plan's financial statements and required disclosure.
