Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Luna 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Luna 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Luna 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Luna 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Luna 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Luna 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matters (Continued)

2021 Supplemental Schedules Required by ERISA (Continued)

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Luna 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LUNA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1. Description of Plan

The following brief description of the Luna 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan became effective November 1, 1996, and was established to reward eligible employees for service by providing retirement benefits in conformity with the minimum standards of eligibility, vesting, and funding required by the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan covering all eligible employees of Luna Innovations Incorporated and its subsidiaries, General Photonics Corp. and Terametrix LLC, (the “Company”) age twenty-one or older. In December 2020, the Plan added OptaSense, Inc. as a participating employer.

Contributions

Participants may contribute a percentage of their compensation as pre-tax deferrals or Roth deferrals to the Plan, defined, up to the lesser of 90% or the maximum amount allowed by law. Participants are enrolled automatically with a 6% deferral rate, unless they select an alternative deferral amount. The deferral rate will increase 1% annually, to a maximum of 10%. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company’s matching contribution is discretionary. For 2021 and 2020, the Company contributed 30% of the participant’s deferral up to 10% of eligible compensation. The Company may also make an additional discretionary contribution. Contributions are subject to certain limitations.

Rollover receivable

In 2020, the Qinetiq USA 401(k) Plan issued rollover distributions and related loans to the Plan in the amount of \$1,172,871 and \$98,542, respectively. These amounts were included in rollover contributions and participant loans in the financial statements. A portion of the rollover distributions and loans had not been received by year end 2020 and were included in employee rollover receivables on the statements of net assets available for benefits. These rollover distributions were subsequently received in 2021.

Participant accounts

Each participant’s account is credited with the participant’s contribution and employer match, and allocations of (a) the Company’s discretionary contribution and (b) Plan earnings and administrative expenses. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1. Description of Plan (Continued)

Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$299 and \$6,630, respectively. Forfeitures may be used to reduce employer contributions or reduce Plan expenses. In 2021, forfeitures of \$17,938 were utilized to pay Plan expenses. In 2020, forfeitures of \$9,940 were utilized to reduce employer contributions and \$17,500 were utilized to pay Plan expenses.

Vesting

A participant who has completed at least three years of service or who attains age 65 while employed by the Company shall have a non-forfeitable right to the employer portion of his/her account. Employee contributions are immediately 100% vested.

Payment of benefits

Upon attainment of normal retirement age of 65, termination of employment, or in the case of death, a participant or their beneficiary will receive the vested portion of the amount credited to the participant's account. The participant may elect to receive a lump sum distribution or installment payments as defined in the Plan provisions. Participants may receive in-service withdrawals of their vested account balance upon reaching 59 ½ years of age. Participants may also receive hardship distributions from their vested account balance.

The Plan was amended effective August 1, 2020 to allow lump sum distributions, partial withdrawals, and installment benefit payments only.

Notes from participants

Participants may borrow from their account the lesser of a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, as defined by the Plan. Notes are secured by the balance in the participant's account and bear interest at rates between 4.25% and 6.75% at December 31, 2021.

Administrative expenses

Plan fees and administrative expenses are paid by the Company on a discretionary basis. A portion of these fees and expenses were paid by the Plan for the year ended December 31, 2021.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

LUNA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 2. Summary of Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of benefits

Benefits are recorded when paid.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(Continued)

LUNA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021

Note 3. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

Fair Value Measurements at Reporting Date Using:			
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
	Fair Value		
<u>December 31, 2021</u>			
Mutual funds	\$ 35,769,758	\$ 35,769,758	\$ -
Collective investment trust	2,112,704	-	2,112,704
Total	<u>\$ 37,882,462</u>	<u>\$ 35,769,758</u>	<u>\$ 2,112,704</u>
<u>December 31, 2020</u>			
Mutual funds	\$ 30,491,082	\$ 30,491,082	\$ -
Pooled separate accounts	976,898	976,898	-
Collective investment trusts	1,862,641	-	1,862,641
Total	<u>\$ 33,330,621</u>	<u>\$ 31,467,980</u>	<u>\$ 1,862,641</u>

Level 1 Fair Value Measurements

The fair values of the mutual funds and pooled separate accounts are based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of the Putnam Stable Value Fund, the collective investment trust held at December 31, 2021 and 2020, is based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e., interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 4. Investment Contracts

At December 31, 2021 and 2020, the Plan held investments in the Putnam Stable Value Fund. Included in this collective investment trust fund were traditional guaranteed investment contracts, security-backed investment contracts, and short-term investments. The objective of the Putnam Stable Value Fund is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The average yields for this fund were as follows:

	<u>2021</u>	<u>2020</u>
Based on annualized earnings	2.46%	2.69%
Based on interest rate credited to participants	2.00%	1.75%

At January 1, 2020 and through July 31, 2020, the Plan held investments in the Principal Global Investors Trust Company Principal Stable Value Fund. Included in this collective investment trust fund were certain guaranteed investment contracts and wrapper contracts. The objective of the Principal Stable Value Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive plan or participant payments. The average yields for this fund were as follows:

	<u>2020</u>
Based on annualized earnings	1.53%
Based on interest rate credited to participants	2.71%

These contracts were considered to be benefit-responsive and are presented at fair value. The percentage of contributions allocated to the stable value funds are determined by the participants.

Note 5. Related Party Transactions

Plan participants may choose to invest in funds issued and managed by the Plan's Trustee. Investments in funds issued by the Trustee are considered related party transactions. Plan assets were invested in mutual funds managed by Fidelity Management Trust Company. Therefore, these transactions qualify as related party transactions. Fees paid to Trustee by the Plan for investment management and trust services amounted to \$87,666 for the year ended December 31, 2021.

Certain employees of the Plan's sponsor provide administrative and accounting services to the Plan at no additional cost to the Plan. These employees are also participants of the Plan.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

LUNA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 7. Tax Status

The Company adopted a volume submitter plan sponsored by Fidelity Management & Research Company. Fidelity Management & Research Company received a letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that its volume submitter plan is designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8. Certification

Certain information was certified as complete and accurate by the Plan's Trustee and Custodians. This information is as follows:

- Investment assets
- Notes from participants
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year)

Note 9. COVID-19

In March of 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic, adversely affecting global economic activity and financial markets. As the COVID-19 outbreak continues to evolve, the extent of the impact on Plan Sponsor's operations, Plan activity, and Plan investments is uncertain and cannot be predicted.

The Plan adopted provisions under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). These included increasing the allowed amounts for certain qualifying distributions and suspension of required minimum distributions (RMDs).

Note 10. Subsequent Events

Subsequent events were evaluated through September 28, 2022, the date the financial statements were available to be issued.

In March 2022, Lios Technology Inc. was acquired by Luna Innovations, Inc. Lios Technology, Inc. was added as a participating employer in June 2022.
