Independent Auditor's Report

To the Plan Administrator and Retirement Plan Committee of Twitchell Technical Products, LLC
Retirement Savings & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Twitchell Technical Products, LLC Retirement Savings & Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Twitchell Technical Products, LLC Retirement Savings & Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Twitchell Technical Products, LLC Retirement Savings & Investment Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Twitchell Technical Products, LLC Retirement Savings & Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Twitchell Technical Products, LLC Retirement Savings & Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Twitchell Technical Products, LLC Retirement Savings & Investment Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion of the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TWITCHELL TECHNICAL PRODUCTS, LLC
RETIREMENT SAVINGS & INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1. Description of Plan

The following brief description of the Twitchell Technical Products, LLC Retirement Savings & Investment Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan Document for more detailed information.

General: The Plan is a defined contribution plan covering all employees of Twitchell Technical Products, LLC ("Company") who have attained age 18 and completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974. The Plan was established September 1, 1998, for the benefit of Twitchell employees.

Administration: Twitchell Technical Products, LLC, the Plan Sponsor, controls and manages the operation and administration of the Plan. Great-West Trust Company serves as the Trustee of the Plan. Empower Retirement serves as the Custodian of the Plan.

Contributions: Each year, participants may contribute up to 100 percent of compensation, as defined in the Plan, in the form of elective deferrals subject to limitations defined in the Internal Revenue Code. Participants may also elect to roll over any amounts from other qualified retirement plans. The Company may make matching contributions equal to a discretionary percentage or amount, to be determined annually by the Company, of the participants' 401(k) elective deferrals. The Company may also make a non-elective contribution that is contributed pro rata as a uniform percentage of compensation. For the years ending December 31, 2021 and 2020, the matching formula was equal to 100% of each participant's elective deferrals but not as to exceed 3% for 2021 and 4% for 2020 of the participant's compensation. For the years ending December 31, 2021 and 2020, the Company made matching contributions of \$385,928 and \$170,612, respectively. No non-elective contributions were made for the years ending December 31, 2021 and 2020. Effective May 15, 2020 through August 1, 2021, the Company ceased making matching contributions.

Auto Enrollment: The Plan includes an automatic salary deferral feature. The employer will automatically defer 4% of the employees compensation on the date the employee becomes eligible to participate in the Plan unless the employee elects to not participate in the Plan or elects a different deferral amount. This automatic amount will increase by 1% per year, on the first day of the Plan year, up to a maximum of 6%.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1. Description of Plan, Continued

Vesting: Participants are immediately 100 percent vested in their elective deferral contributions. Vesting of employer contributions is based on years of service. Employer contributions are subject to a graded vesting schedule as follows: one year of service: 20%, two years of service: 40%, three years of service: 60%, four years of service: 80%, and five years of service: 100%. Participants whose entry date is prior to January 1, 2019, will be 100% vested at all times and in all accounts upon the attainment of age 59.5.

Investment Options: All Plan investments are participant-directed. Participants can choose between multiple investment funds and can direct investment among the multiple funds. The investment alternatives differ in the level of potential investment earnings and risk. Participants may change their investment direction and existing investment mix at any time.

Notes Receivable From Participants: Participants may borrow from their 401(k) deferral and rollover accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at Wall Street Journal prime rate which is commensurate with local prevailing rates as determined by the Plan Administrator. Effective April 16, 2020, participants may only take one loan during a 12-month period.

Payment of Benefits: On termination of service, a participant whose vested account balance exceeds \$5,000, may elect to receive either an annuity, a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments over a period of time, or a combination of lump-sum and installments. If the vested account balance is less than \$5,000 but exceeds \$1,000, the Plan may distribute the account without consent by directly rolling over the account balance to an IRA. For vested account balances of \$1,000 or less, the Plan may distribute without consent the account balance as a cash-out distribution and mail the check to most recent address on file. In-service distributions are allowed upon attainment of age 59.5 or for qualified financial hardships as defined by the Plan. Benefits are recorded when paid.

Forfeited Accounts: At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$2,972 and \$8,209, respectively. These accounts will be used to reduce future employer contributions or to pay administrative expenses. For the years ending December 31, 2021 and 2020, \$11,060 and \$16,781 were used to pay administrative expenses while \$10,517 and \$45,477 were used to reduce employer contributions, respectively.

RETIREMENT SAVINGS & INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 2. Summary of Significant Accounting Policies

Basis of Accounting and Income Recognition: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates: In preparing financial statements in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments in the mutual funds is valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Great West Insurance and Annuity Guaranteed Investment Fund is stated at contract value. See note 5 for further discussions on fair value.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses: The Company pays a substantial amount of the administrative expenses of the Plan. In addition, the Company furnishes operating space, equipment, supplies, and other services.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Operating Expenses: The Plan Sponsor provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan Sponsor and include audit, accounting and legal fees. Administrative expenses directly allocable to individual participant-directed accounts are paid from the participant's account.

Payment of Benefits: Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 2. Summary of Significant Accounting Policies, Continued

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and 2021, respectively.

Subsequent Events - The Plan has evaluated the need for disclosures and/or adjustments resulting from subsequent events through September 30, 2022, the date the financial statements were available to be issued. This evaluation did not result in any subsequent events that necessitated adjustments.

Note 3. Investments

During the Plan years ended December 31, 2021 and 2020, the Plan's investments including gains and losses on investments bought and sold, as well as held during the year, appreciated in value by \$1,411,326 and \$1,404,082, respectively.

Note 4. Information Certified by the Trustee (Unaudited)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by the Trustee of the Plan, and furnished to the Plan Administrator. The Trustee is Great-West Trust Company. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate:

	2021	2020
Statement of Net Assets Available for Benefits		
Investments at fair value	\$ 14,884,745	\$ 12,303,168
Investments at contract	2,151,134	1,815,568

Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data or correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be relevant observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Total assets in the fair value hierarchy	12,303,168	-	-	12,303,168
				<u>\$ 12,303,168</u>

Note 6. Tax Status

The prototype non-standardized profit sharing plan with cash or deferred arrangement (CODA) was adopted by the Company and obtained its latest determination letter June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust is tax exempt as of the financial statement date.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be a sustained upon examination. The Plan is subject to audits by tax authorities; however, there are currently no audits in progress for any tax periods.

RETIREMENT SAVINGS & INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Related Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by CapSouth Partners, the Plan's investment advisors. Great-West Life and Annuity Insurance is the Plan's recordkeeper, Great-West Trust Company is the Plan's Trustee, and Empower Retirement is the Plan's Custodian, and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for recordkeeping and investment advisor services amounted to \$47,962 and \$52,173 for the years ended December 31, 2021 and 2020, respectively.

Note 10. Investment Contract with Insurance Company

The Plan has an investment contract (group annuity contract) with Great-West Insurance and Annuity. Great-West maintains contributions in a general account. The accounts are credited with their pro rata share of earnings on the underlying investments and charged for plan withdrawals and administrative expenses, if any, by Great-West. The contract is included in the financial statements at the December 31, 2021 and 2020 contract value which is determined and is reported to the Plan by Great-West. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is credited to the Plan.

Note 10. Investment Contract with Insurance Company, Continued

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- a. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
- b. Premature termination of the contract.
- c. Plan termination or merger.
- d. Changes to the Plan's prohibition on competing investment options.
- e. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- a. An uncured violation of the Plan's investment guidelines.
- b. A breach of material obligation under the contract.
- c. A material misrepresentation.
- d. A material amendment to the agreements without the consent of the issuer.
