## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of the  
IQNavigator, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of IQNavigator, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher

than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

# **IQNavigator, Inc. 401(k) Plan**

## **Notes to Financial Statements**

As of December 31, 2021 and 2020, and for the Year Ended December 31, 2021

### **1. Description of the Plan and Significant Accounting Policies**

The following description of the IQNavigator, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan covering substantially all employees of IQNavigator, Inc. (the “Company”). The Plan is available to employees aged 21 years or older who have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Company administers the Plan and is overseen by the Fiduciary Oversight Committee. The Plan’s trustee is Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a member of the Principal Financial Group (“Principal”).

#### **Contributions**

The Plan includes automatic enrollment at an employee contribution rate of 6% for all employees that are eligible for the Plan. The rate will increase by 2% each year until a contribution rate of 10% is reached. A participant may change the deferral percentage at their discretion.

Annual participant contributions are limited to 75% of a participant’s annual compensation, as defined in the Plan. The Plan also permits rollover contributions from other qualified retirement plans. Additional catch-up contributions are available to any participant who is aged 50 or older and has made the maximum contributions for the year. Participant contributions to the Plan are made through regular payroll deductions. Roth elective deferrals are also allowed. Participants may change their elective deferral contributions at any time during the Plan year.

The Company may make a matching contribution equal to a percentage of a participant’s 401(k) elective deferral contributions for the Plan year. Such a percentage is to be determined by the Company. For the year ended December 31, 2021, the Company made a matching contribution equal to 50% of the participant’s elective deferrals that do not exceed 6% of their compensation.

## Notes to Financial Statements

### 1. Description of the Plan and Significant Accounting Policies (continued)

#### Contributions (continued)

The Company may also make a discretionary contribution in an amount to be determined by the Company in the same ratio as each participant's compensation bears to the total of such compensation of all participants. No discretionary contributions were made by the Company for the year ended December 31, 2021.

All contributions are subject to certain limitations of the Internal Revenue Code ("IRC").

#### Participant Accounts

Individual accounts are maintained for each participant of the Plan. Each participant account is credited with the participant's contribution, an allocation of the Company's matching contributions or other discretionary employer contributions (if any), and Plan earnings or losses and is charged with an allocation of administrative expenses. Plan earnings or losses are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances as defined. The benefit to which a participant is entitled is the vested portion of the participant's account.

#### Investments

The Plan offers participants a variety of investment options through various mutual funds and collective investment trust funds.

#### Vesting

Participants are immediately 100% vested in their voluntary contributions and allocated earnings or losses thereon.

Any employer contributions and the earnings or losses thereon will vest as follows:

#### Years of Service

|                    |       |
|--------------------|-------|
| Less than one year | 0 %   |
| One year           | 33 %  |
| Two years          | 66 %  |
| Three years        | 100 % |

## IQNavigator, Inc. 401(k) Plan

### Notes to Financial Statements

#### **1. Description of the Plan and Significant Accounting Policies (continued)**

##### **Vesting (continued)**

A participant's account also becomes 100% vested upon death, total and permanent disability, attaining the normal retirement age (the age of 65), or if the Plan is terminated.

##### **Forfeitures**

The forfeited non-vested accounts will be used to reduce future employer contributions to the Plan for the year in which the forfeiture occurs. No forfeitures have occurred since the inception of the Plan.

##### **Notes Receivable from Participants**

Participants may borrow a portion of their account balance subject to a minimum loan of \$1,000 and a maximum loan of the lesser of (i) 50% of the vested account reduced by any outstanding loan balance or (ii) \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the new loan is made. A participant may not have more than one loan outstanding at any point in time. The loans are secured by the balance in the participant's account. Principal and interest is paid ratably through bi-weekly payroll deductions over the term of the loan. The maximum duration of all loans cannot exceed five years. All loans are due and payable 60 days after termination of employment, and subject to an interest rate of prime plus 1%. If the loan is not repaid, it will automatically be treated as a distribution to the participant after 60 days. Maturity dates of current loans are through 2026 and the interest rates range from 4.25% - 6.50%.

##### **Payments of Benefits**

Upon termination of service, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested account balance or an annuity. Balances greater than or equal to \$1,000, but less than \$5,000 will be rolled over to an individual retirement account with Principal Life Insurance Company upon termination, if not otherwise directed by the participant.

## IQNavigator, Inc. 401(k) Plan

### Notes to Financial Statements

#### **1. Description of the Plan and Significant Accounting Policies (continued)**

##### **Payments of Benefits (continued)**

Account balances less than \$1,000 are to be automatically distributed upon termination if not otherwise directed by the participant. Benefits are recorded when paid.

Benefit payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2021 and December 31, 2020.

##### **Basis of Accounting**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

##### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### **Investment Valuation and Income Recognition**

Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for further discussion.

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation (depreciation) in the fair value of investments represents the net amount of realized and unrealized gains and losses on investments bought and sold, as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recognized on the ex-dividend date.

## IQNavigator, Inc. 401(k) Plan

### Notes to Financial Statements

#### **1. Description of the Plan and Significant Accounting Policies (continued)**

##### **Notes Receivable from Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

##### **Administration of the Plan**

The Company provides, at no cost to the Plan, certain administrative, accounting, and legal services and also pays the cost of certain outside services provided to it.

Administrative expenses of the Plan are paid by the Plan or the Plan sponsor, as provided in the Plan document. Investment management fees for investments are included as a reduction of investment return and not reflected separately in the statement of changes in net assets available for benefits.

Administrative expenses are deducted from participant accounts each calendar quarter. Participants also pay administrative costs for loans, distributions and qualified domestic relation orders. The remaining expense is paid by the Company and through credits provided by the recordkeeper for Plan investments. The Plan has a revenue-sharing and fee credit agreement whereby participant accounts are credited for the amount of revenue sharing provided to the recordkeeper by the underlying investment holdings of certain qualifying investments.

##### **Excess Contributions Payable**

The Plan is required to return contributions received during the Plan year in excess of IRC limits.

### Notes to Financial Statements

#### **1. Description of the Plan and Significant Accounting Policies (continued)**

##### **Risks and Uncertainties**

The Plan provides for various investments which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

##### **Subsequent Events**

Subsequent events were evaluated through October 3, 2022, the date the financial statements were available to be issued.

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedules that were prepared by or derived from information prepared by Principal Trust, the trustee of the Plan and furnished to the Plan Administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

## IQNavigator, Inc. 401(k) Plan

### Notes to Financial Statements

#### **3. Federal Income Tax Status**

The Plan uses a prototype plan document sponsored by Principal Life Insurance Company. Principal Life Insurance Company received an opinion letter from the Internal Revenue Service (“IRS”), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

#### **4. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. If the Plan is terminated for any reason, all participants become 100% vested and the plan administrator is to distribute each participant's account to the participant or the participant's beneficiary.

#### **5. Fair Value Measurements**

GAAP defines fair value as an exit price, representing the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. As such, fair value is a market-based measurement that should be determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering assumptions, the Plan follows a three-tier, fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

## IQNavigator, Inc. 401(k) Plan

### Notes to Financial Statements

#### 5. Fair Value Measurements (continued)

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

## IQNavigator, Inc. 401(k) Plan

### Notes to Financial Statements

#### **5. Fair Value Measurements (continued)**

Collective Investment Trust Funds: Valued at the net asset value of units of a bank collective trust. The net asset value as provided by the trustee is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to confirm that securities liquidations will be carried out in an orderly business manner.

Stable Value Fund: A collective trust fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issue reserves the right to require 12 months' notification in order to confirm that securities liquidations will be carried out in an orderly business manner.

### Notes to Financial Statements

#### **5. Fair Value Measurements (continued)**

- (a) Withdrawals are generally permitted on any business day. Principal has adopted policies and procedures intended to discourage frequent trading and market timing. Participants of participating funds may transact one “round trip” in a fund in any rolling 30-day period. A “round trip” is defined as two transactions, a purchase and a redemption in a fund within 30 calendar days.

A participant of a participating fund may direct Principal to transfer units from the fund. Requests to transfer units from the fund include exchanges and nonscheduled rebalancing transactions that result in canceling units in the fund. A participant will not be permitted to initiate a transaction that will transfer units into a fund within 30 days of a transaction that resulted in canceling units from the same fund.

- (b) Plan withdrawals shall be made on a valuation date that is 12 months after receiving notice of the Plan’s request for withdrawal, except for participant withdrawals for benefit payments and participant transfers to noncompeting funds. However, a withdrawal may be granted earlier than the valuation date at the fund’s trustee’s discretion.

#### **6. Related Party Transactions and Exempt Party-in-Interest Transactions**

The Plan holds units of mutual funds and collective trust funds managed by Principal Trust Company, the trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

The Plan issues loans to participants, which are secured by the vested balances in the participants’ accounts.
