INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
403(b) Thrift Plan of Oakland Family Services and
Audit Committee of Oakland Family Services
Pontiac, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the 2021 financial statements of the 403(b) Thrift Plan of Oakland Family Services (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events considered in the aggregate that raise substantial doubt about the 403(b) Thrift Plan of Oakland Family Services' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN OF OAKLAND FAMILY SERVICES
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Oakland Family Services (the "Plan") provides only general information. Participants should refer to the Plan document or direct inquiries to the Plan Administrator for a more complete description of the Plan's provisions.

General -

The Plan is a single-employer, defined contribution plan covering substantially all employees of Oakland Family Services. This Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective February 1, 2005, with employee directed contributions beginning immediately. On November 3, 2015, the Plan was amended to allow for Roth salary reduction contributions. Oakland Family Services (the "Organization") is the Plan's Sponsor. During 2019, the Plan added Alliance Benefit Group of Michigan as a Trustee, with Charles Schwab Trust Bank serving as a Custodian for participants electing this option. Mutual of America continues to serve as a Trustee for participants choosing to remain with them.

Eligibility -

The Plan covers all Organization employees who are compensated on either an hourly or salaried basis. For purposes of salary deferral contributions, employees will become participants on their date of hire. Effective April 1, 2018, the Plan was amended for automatic enrollment into the Plan. If the participant does not opt out of the Plan or elect a salary contribution deferral within 30 days of the participant's hire date, the amount contributed on their behalf will be a fixed percentage of 3% of the participant's compensation into a default investment alternative. For purposes of employer discretionary contributions, employees become eligible upon completion of 1,000 hours within a twelve-month period, commencing on their date of hire. Employees must also be 21 years of age to receive employer discretionary contributions.

Contributions -

Participants may elect to contribute up to the maximum dollar amount permissible (\$19,500 for 2021) under Section 402(g) of the Internal Revenue Code of pretax annual compensation as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2021). Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

403(b) THRIFT PLAN OF OAKLAND FAMILY SERVICES
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

The Plan also provides for an annual employer discretionary contribution on behalf of those employees meeting the age and service requirements of the Plan. Each Plan year, the Organization's Board of Directors will determine the amount of the employer discretionary contribution (if any) that will be made to all eligible participants who are actively employed on the last day of the Plan year. The Organization did not make a discretionary contribution to the Plan for the year ended December 31, 2021.

Participant Accounts -

Each participant's account is credited with the participant's contribution and net earnings and an allocation (where applicable) of the employer's discretionary contributions. The employer's contribution is allocated to the accounts of eligible participants on the basis of the ratio that each eligible participant's compensation bears to the total compensation of all participants for the Plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested balance.

Vesting -

Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Organization's discretionary contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service. Moreover, the account value of employer contributions is automatically vested at age 65 or if the participant is totally and permanently disabled or dies.

Payment of Benefits -

Upon termination of service, participants with a vested balance of \$5,000 or less will receive a lump sum distribution. A participant or their beneficiary with a vested balance greater than \$5,000 can leave all or part of their vested balance in the Plan and defer receipt of benefit.

Participants can also withdraw all or part of their vested balance due to death, disability, retirement, or if the Plan is terminated in a lump-sum or installments over an agreed period of time. Amounts withdrawn due to hardship must be distributed in a lump-sum.

Administrative Expenses -

All costs and expenses of administering this Plan are paid either directly by the employer or, where applicable, are paid pro rata from each participant's account. Payment of such expenses shall not be considered to be employer contributions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Investment Income Recognition - The Plan's investments are reported at fair value, except for the guaranteed investment contracts. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The guaranteed investment contracts are carried at contract value. The Plan's management determines the Plan's investment valuation measurements utilizing information provided by Mutual of America Life Insurance Company and Alliance Benefit Group of Michigan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events through September 27, 2022, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The methods described previously may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets subject to fair value measurement consist of mutual funds and pooled separate accounts. The mutual funds, in the amounts of \$1,566,740 and \$1,339,506 at December 31, 2021 and 2020, respectively, are measured at fair value and fall within the Level 1 fair value hierarchy.

The pooled separate accounts, in the amounts of \$439,392 and \$375,838 at December 31, 2021 and 2020, respectively, are measured at fair value and fall within the Level 2 fair value hierarchy. Participation unit values are provided daily based on the investment results of the composite of the underlying mutual funds included within each separate account investment option and, as such, represent the fair value.

NOTE 4 - INVESTMENTS AT CONTRACT VALUE

The Plan holds fully benefit-responsive guaranteed investment contracts with Mutual of America Life Insurance Company (MOA) and Charles Schwab Trust Bank. MOA maintains the contributions in a general account in the amount of \$86,086 and \$93,510 for December 31, 2021 and 2020, respectively, while Charles Schwab Trust Bank maintains contributions in a guaranteed interest account, held with Standard Insurance Company in the amount of \$4,960 and \$18,618 for December 31, 2021 and 2020, respectively, for the account's ability to provide safety of principal and guaranteed rates of return. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Contract value, as reported to the Plan by MOA and Charles Schwab Trust Bank, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a periodic basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (i.e., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to terminate the Plan, the Organization has the right to amend, modify, or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, the total value of the participant's account will be fully vested.

NOTE 6 - INFORMATION CERTIFIED BY A CUSTODIAN AND A TRUSTEE OF THE PLAN

The Plan Administrator has elected the method of compliance permitted by Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. Accordingly, as permitted under this election, no audit procedures have been performed with respect to information certified as complete and accurate by MOA, a Trustee of the Plan, and Charles Schwab Trust Bank, a custodian of the Plan, as of December 31, 2021 and 2020 and for the year ended December 31, 2021, except for comparing such information to that included in the Plan's financial statements. Amounts included in the accompanying financial statements include investment assets consisting of pooled separate accounts, mutual funds, and the guaranteed investment contracts reported on the statements of net assets available for benefits as of December 31, 2021 and 2020, the investment activity consisting of interest on the guaranteed investment contracts, net appreciation in fair value of investments and interest and dividends as reported on the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the information reported in the supplemental schedule of assets (held at end of year) as of December 31, 2021.

The following tables summarize the information by certifying institution.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consisting of pooled separate accounts of \$19,864 and \$163,569 and a guaranteed investment contract of \$86,086 and \$93,510 are investment option products provided by MOA at December 31, 2021 and 2020, respectively. MOA also serves as a Trustee for 2021 and 2020. Therefore, transactions consisting of certain Plan administrative fees paid by the Plan Sponsor qualify as party-in-interest transactions.

Fees of \$26,168 were paid by participants and reported as administrative expenses of the Plan on the statement of changes in net assets available for Plan benefits for the year ended December 31, 2021. The Plan Sponsor pays directly any other expenses related to the Plan's operations.

NOTE 8 - INCOME TAX STATUS

The Internal Revenue Service (IRS) has provided 403(b) plan relief from obtaining a determination letter.

The Plan Administrator is not aware of any events that have occurred that might adversely affect the Plan from obtaining a qualified status. The Plan is required to operate in conformity with Section 403(b) of the Internal Revenue Code to maintain its qualified status.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various pooled separate accounts and mutual funds. These investment vehicles are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investment vehicles, it is at least reasonably possible that changes in the values will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENT

It was approved that Oakland Family Services will be providing an employer match equal to 50% of an employee's contribution up to 6% of an employee's compensation contributed (or a maximum of 3% of an employee's eligible compensation) beginning in 2022.
