INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
Purcell Construction Corp. Employee
Savings and Protection Plan
Watertown, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Purcell Construction Corp. Employee Savings and Protection Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Hand Benefits & Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October, 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

PURCELL CONSTRUCTION CORP. EMPLOYEE SAVINGS AND PROTECTION PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Purcell Construction Corp. Employee Savings and Protection Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Purcell Construction Corp. (“Plan Sponsor”/“Company”). An employee is eligible to participate in the salary deferral feature and wage rate contributions (see description below) upon commencement of employment. An employee is eligible to participate in the discretionary matching contribution feature upon commencement of employment so long as the employee is not receiving wage rate contributions. The Plan is subject to the provisions of ERISA. The Plan Trustees are responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Contributions: Each year participants may contribute tax-deferred and after-tax Roth dollars through payroll deductions of up to the maximum in any calendar year as set forth in the Internal Revenue Code (IRC). Current tax law limits each participant’s total pretax and Roth deferrals to \$19,500 for the years ended December 31, 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as determined by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company also makes contributions (“wage rate contributions”) for participants working on projects covered by prevailing wage rate schedules issued by the DOL under the Davis-Bacon Act, New York State Department of Labor under Article 8, Section 220 of the New York Labor Law and/or any other state department of labor. The contribution is equal to the fringe benefit pension rate determined for the participant multiplied by the number of hours the participant worked. Wage rate contributions for 2021 and 2020 were \$83,072 and \$1,328, respectively. Plan provisions permit the Plan Sponsor to match a discretionary percentage of all eligible participants’ elective deferral contributions. The discretionary matching contributions equaled 100% of elective deferral contributions made to the Plan up to a maximum of 6% of annual compensation for 2021 and 2020. Discretionary matching contributions totaled \$366,149 and \$366,360 for 2021 and 2020, respectively. Contributions are subject to certain IRS limitations.

PURCELL CONSTRUCTION CORP. EMPLOYEE SAVINGS AND PROTECTION PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Participant Accounts: Each participant's account is credited with the participant's contributions, discretionary matching contributions and wage rate contributions as well as allocations of Plan earnings and losses and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants have full and immediate vesting in all of their account balances.

Receivables--Notes From Participants: Participants are not permitted to borrow from their accounts.

Payment of Benefits: Distributions from the Plan are based upon retirement, death, termination of employment, proven hardship, or disability. A participant may elect to receive a lump-sum amount equal to the value of the participant's account, one of several annuity options or a series of installments chosen by the participant. For termination of service for other reasons, a participant may receive the value of his or her account as a lump-sum distribution. If a terminated participant's vested account balance is between \$1,000 and \$5,000, and they fail to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent in the sixth month after employment was terminated. If a terminated participant's vested account balance is \$1,000 or less, and they fail to make a distribution election, a lump-sum amount will be paid to the participant without their consent in the sixth month after employment was terminated.

On March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus ("COVID-19") as a global pandemic. In response to the novel coronavirus (COVID-19), the Plan implemented the following provisions of the Coronavirus Aid, Relief and Economic Security ("CARES") Act that was signed into law on March 27, 2020 to help those participants impacted by COVID-19 pandemic:

- Participants were permitted to take a distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.
- Participants and beneficiaries elected to suspend required minimum distributions for the 2020 Plan year.

Forfeitures: All participant account balances are fully vested and nonforfeitable.

PURCELL CONSTRUCTION CORP. EMPLOYEE SAVINGS AND PROTECTION PLAN

December 31, 2021 and 2020

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note H for discussion of fair value measurements.

Purchases and sales of shares in registered investment companies and units of the collective trust are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant salary deferrals. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Custodial fees, as applicable, are also included in administrative expenses.

Events Occurring After Reporting Date: The Plan's management has evaluated events and transactions that occurred between December 31, 2021 and October 4, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by the Plan Administrator.

December 31, 2021 and 2020

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY HAND BENEFITS & TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Hand Benefits & Trust Company, the custodian of the Plan, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule relating to the following assets.

	<u>2021</u>	<u>2020</u>
Participant directed investments, at fair value:		
Shares in registered investment companies	\$ 17,605,455	\$ 15,854,987
Collective trust	<u>1,641,601</u>	<u>1,614,177</u>
 Total participant directed investments, at fair value	 <u><u>\$ 19,247,056</u></u>	 <u><u>\$ 17,469,164</u></u>

Hand Benefits & Trust Company also certified to the completeness and accuracy of \$1,518,105 and \$1,861,575 of net appreciation in fair value of shares in registered investment companies, \$22,740 and \$25,912 of net appreciation in fair value of the collective trust, and \$1,279,971 and \$621,745 of dividends related to the aforementioned Plan assets for the years ended December 31, 2021 and 2020, respectively.

NOTE D--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party in interest transactions. The Plan invests in shares in registered investment companies and units of a collective trust managed by Hand Benefits & Trust Company. Hand Benefits & Trust Company is the custodian of the Plan and therefore, these transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the custodial services are included in administrative expenses. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTES TO FINANCIAL STATEMENTS--Continued

PURCELL CONSTRUCTION CORP. EMPLOYEE SAVINGS AND PROTECTION PLAN

December 31, 2021 and 2020

NOTE D--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS--Continued

Hand Benefits & Trust Company receives revenue from the investment fund service providers for services Hand Benefits & Trust Company provides to the funds. This revenue is used to offset certain amounts owed to Hand Benefits & Trust Company for administrative services provided to the Plan. There were no revenues received in excess of the cost of administrative services provided by Hand Benefits & Trust Company to the Plan during 2021 and 2020.

NOTE E--PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions and/or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants maintain their 100% nonforfeitable interest in their account balances, and the custodian will distribute to each participant the balance of their account in a single lump-sum payment.

NOTE F--TAX STATUS

The Plan has adopted a non-standardized form of pre-approved plan. The pre-approved plan provider, Benefit Plans Administrative Services, LLC ("BPAS"), the recordkeeper, has received an opinion letter dated June 30, 2020 from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Prior to June 30, 2020, the Plan had adopted a prototype non-standardized plan sponsored by BPAS. The IRS had determined and informed the prototype plan sponsor by a letter dated March 31, 2014, that the Plan and related trust were designed in accordance with applicable sections of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS--Continued

PURCELL CONSTRUCTION CORP. EMPLOYEE SAVINGS AND PROTECTION PLAN

December 31, 2021 and 2020

NOTE G--RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The ongoing impact of COVID-19 on the Plan's financial statements remains uncertain and will depend on future developments, including the duration of the outbreak, related advisories and restrictions. At this time, Plan management is not able to estimate any potential impact on the Plan's financial statements.

NOTE H--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS--Continued

PURCELL CONSTRUCTION CORP. EMPLOYEE SAVINGS AND PROTECTION PLAN

December 31, 2021 and 2020

NOTE H--FAIR VALUE MEASUREMENTS--Continued

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Shares in registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by Hand Benefits & Trust Company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, Hand Benefits & Trust Company reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
