INDEPENDENT AUDITOR'S REPORT

Board of Directors and Plan Trustees
Alaska Structures 401(k) Retirement Plan & Trust
Kirkland, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

I have performed an audit of the financial statements of Alaska Structures 401(k) Retirement Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of my report. I am required to be independent of Alaska Structures 401(k) Retirement Plan & Trust and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alaska Structures 401(k) Retirement Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alaska Structures 401(k) Retirement Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alaska Structures 401(k) Retirement Plan & Trust's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and the schedule of assets held for investment purposes and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

I was engaged to audit the 2020 financial statements of Alaska Structures 401(k) Retirement Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In my report dated September 7, 2021, I indicated that (a) because of the significance of the information that I did not audit, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, I did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ALASKA STRUCTURES 401(K) RETIREMENT PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of the Alaska Structures 401(k) Retirement Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was created on May 1, 2002 and was most recently restated as of January 1, 2016. The Plan is a defined contribution plan covering all eligible employees of Alaska Structures, Inc., Richard W. Hotes Foundation, and WeatherPort Shelter Systems, LLC (collectively, "the Company"), other than union, leased, and non-resident alien employees. The Company's fiscal year-end is April 30th. The Plan's year-end is December 31st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustees are responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Company's Board of Directors.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act were effective on January 1, 2021, and 2020, and required significant changes to plan administration and recordkeeping.

Eligibility

All employees may enter the Plan who are age 21 or older, as defined by the Plan. To be eligible for the profit-sharing contribution, participants must be 21 years old, complete 1,000 hours of service, and be employed on the last day of the Plan year, as defined by the Plan. Participants who do not make an investment election will have their contributions invested in a John Hancock Multi-Index Lifetime fund, with the target date closest to the year in which the respective participant turns 65.

Contributions

Participants – Each year, participants may contribute on a pretax basis up to 90 percent of annual compensation, as defined by the Plan, and subject to certain IRS limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants aged 50 and over may elect to defer additional amounts ("catch-up" contributions) to the Plan.

Safe Harbor Non-Elective – The Company contributes a safe harbor non-elective contribution to each eligible participant in an amount not less than 3 percent of a participant's compensation, as defined by the Plan. Safe harbor non-elective contributions, which are made in accordance with the Company's fiscal year-end, were \$382,702 and \$353,316 for the plan years ended December 31, 2021 and 2020, respectively. Employer safe harbor contributions are paid after the Plan's year-end.

Profit Sharing – Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. Profit Sharing contributions, which are based on the Company's results of operations for its fiscal year-end, were \$0 and \$0 for the plan years ended December 31, 2021 and 2020, respectively. Employer profit sharing contributions are paid after the Plan's year-end.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Individual accounts are maintained for each participant. Each participant's respective account is credited with the participant's contributions and Company safe harbor matching contributions, as well as an allocation of the Company's profit-sharing contribution, if any, and Plan earnings, withdrawals, and charged with an allocation of investment gains or losses, and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may move portions of their accounts between investment options at any time.

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. Participants are also vested immediately in the Company's safe harbor matching contributions. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested in employer profit-sharing contributions after six years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship withdrawals of the participants' contributions are permitted by the Plan. Hardship withdrawals must be approved by the Plan administrator and are available from all money types that are 100% vested, including earnings.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$65,553, respectively. These accounts will be used to pay administrative expenses under the Plan or can be applied to reduce the contributions of the Company. Also, in 2021 and 2020, employer safe harbor non-elective contributions were reduced by \$65,575 and \$1,627, respectively, from forfeited non-vested accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Under the modified cash basis of accounting, participant and Company contributions are recorded when received by the custodian. Under GAAP, these contributions are recorded in the year for which they relate to and/or are approved.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has performed an evaluation of subsequent events through September 26, 2022, which is the date the financial statements were available to be issued.

On July 11, 2022, the Plan was restated and amended, effective January 1, 2022, which includes the following changes:

- The name of the Plan has changed from being the Alaska Structures 401(k) Retirement & Trust to now being the AKS Industries 401(k) Retirement Plan.
- WeatherPort Shelter Systems, LLC is no longer an employer covered by the Plan.
- The Plan adopted a new Non-Standardized Pre-Approved Profit Sharing Plan with CODA. CCH Incorporated dba FTWilliam.com, the sponsor of this prototype plan, obtained its latest IRS determination letter on June 30, 2020, in which IRS stated that the form of the Plan, as then designed was in compliance with the applicable requirements of the IRC.

Also to note, the employer Alaska Structures Inc. changed their name to AKS Industries, Inc.

NOTE 3 INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including the fair value of investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance (the custodian of the Plan). The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled Separate Accounts:

The Plan's investments are pooled separate accounts, with underlying investments in units of mutual funds held within a group annuity contract and are considered Level 1 assets by the trustee and custodian, as the underlying funds are considered to have a readily determinable fair value. Interest and dividends are earned on the underlying investments held by the pooled separate accounts (PSAs). There are no dividends or realized and unrealized gains with respect to the PSAs. Instead, the dividends and realized and unrealized gains for the underlying funds are factored into the value of the PSAs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of year ended December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Total	Level 1	Level 2	Level 3
Pooled separate accounts	\$14,233,950	\$14,233,950	\$ -	\$ -
Investment, at fair value	<u>\$ 14,233,950</u>	<u>\$ 14,233,950</u>	<u>\$ -</u>	<u>\$ -</u>
Assets at Fair Value as of December 31, 2020				
	Total	Level 1	Level 2	Level 3
Pooled separate accounts	\$13,036,954	\$13,036,954	\$ -	\$ -
Investment, at fair value	<u>\$ 13,036,954</u>	<u>\$ 13,036,954</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 RELATED PARTIES AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are pooled separate accounts, and guaranteed interest accounts, managed by John Hancock Life Insurance (JHLI). JHLI is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party in interest transactions.

The Company is a party in interest to the Plan. However, there were no transactions with the Company other than employer contributions and the payment of certain administrative expenses on behalf of the Plan. The Plan uses third party service providers for administration and custodial services. These transactions qualify as exempt party in interest transactions.

NOTE 7 TAX STATUS

Effective January 1, 2016, the Plan adopted a new Volume Submitter Profit Sharing Plan with CODA. CCH Incorporated dba FTWilliam Com, the sponsor of this prototype plan, obtained its latest IRS determination letter on March 31, 2014, in which IRS stated that the form of the Plan, as then designed was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by any applicable tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Impact of COVID-19

In 2020, the World Health Organization officially declared the Coronavirus Disease 2019 (COVID-19) outbreak a global pandemic. The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants. However, none of these provisions were made available to the participants. The Company has continued to fully fund all employee and required employer contributions and participant access to accounts has not been disrupted.

NOTE 9 NONEXEMPT TRANSACTIONS

During the Plan year ended December 31, 2021, participant contributions totaling \$3,441 were not remitted to the Plan within the appropriate time period by management. They have been reported on the Schedule of Delinquent Participant Contributions. These transactions constitute prohibited transactions as defined by ERISA.
